Modes Manners of the Nineteenth Century as Represented in the Pictures and Engravings by the Time, Vol. 1 of 3 (Classic Reprint) Mar 05 2022 Excerpt from Modes Manners of the Nineteenth Century as Represented in the Pictures and Engravings by the Time, Vol. 1 of 3 The North American Indian is perhaps the person who has most thoroughly realised the possible significance of dress. To him dress was not so much a covering worn for the sake of convenience and fashion as a symbol of his state of mind. I have been told that a Red Indian prepared for the war-path, shaven, feathered, and chalked, is the most hideous emblem of the horrors of war that the artifice of man has ever produced. To test its success one need only glance at the mass of literature that has grown up round the subject. It is to the passions of the primitive man and their translation into dress and ornament that we owe a considerable amount of our local colour in costume; but there is another source from which much charm is still derived - the reflection of natural conditions in dress, hardened into custom. How wonderfully do the garish colours of the gipsy's clothes still suggest the oriental suns; how do the thirty embroidered petticoats of the Bulgarian young woman suggest the accumulated weight of custom, the lonely valleys, the wide coffer, and the still house; how empty of pleasure would our children's books be without the reindeer-skins of the Esquimaux, the Japanese umbrella, the turban of Arabia! It is of no use to grieve over the inevitable, over the sweep of universal law as it comes rapidly into action; but what a lament might be raised over the imminent disappearance of local art in dress. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a

blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Pretty Gentlemen Jun 27 2021 "The term "macaroni" was once as familiar a label as "punk" or "hipster" is today. In this handsomely illustrated book devoted to notable 18th-century British male fashion, award-winning author and fashion historian Peter McNeil brings together dress, biography, and historical events with the broader visual and material culture of the late 18th century. For thirty years, macaroni was a highly topical word, yielding a complex set of social, sexual, and cultural associations. *Pretty Gentlemen* is grounded in surviving dress, archival documents, and art spanning hierarchies and genres, from scurrilous caricature to respectful portrait painting. Celebrities hailed and mocked as macaroni include politician Charles James Fox, painter Richard Cosway, freed slave Julius "Soubise," and criminal parson Reverend Dodd. The style also rapidly spread to neighboring countries in cross-cultural exchange, while Horace Walpole, George III, and Queen Charlotte were active critics and observers of these foppish men."--Publisher's website.

Authentic French Fashions of the Twenties May 19 2023 Over 130 dazzling pages from famed fashion periodical featuring fashions for all occasions by the great French couturiers of the Twenties — Patou, Worth, Molyneux, Paquin, Vionnet, Lanvin, and many more. Introduction and captions by editor, who is curator of Costume Collection, Museum of the City of New York.

The Mode in Hats and Headdress Apr 18 2023 Since ancient times, men and women have used hats and headgear for adornment and protection. This stunningly comprehensive survey, arranged chronologically, illustrates the astonishing range of styles — from Egyptian headdresses and plumed turbans to modern homburgs. With notes on period hairstyles, jewelry, and cosmetics, it's a unique reference for stylists and designers.

Know It All Fashion Sep 18 2020 Most of us have some feeling for fashion and have a vague idea of what's in and what's out. Less familiar to most, however, is the way fashion works as a global business. *Know-It-All Fashion* looks beyond the surface of this billion-dollar industry. Each entry is summarized in under a minute—using nothing more than two pages, 300 words, and one picture. Leading fashion experts provide an engrossing crash course in how the style world works today, alongside an engaging look at the founding fathers (and mothers) of fashion who set it up that way. Every aspect of the modern fashion industry is explored, from haute couture to high street, from catwalk to street style, and from glossy magazine to online blog. Some of the recurring themes behind fashion design are also explored, such as the influence of art, music and sport. *Know-It-All Fashion* includes everything you need to get style savvy. The *Know It All* series takes a revolutionary approach to learning about the subjects you really feel you should understand but have never gotten around to studying. Each book selects a popular topic and dissects it into the 50 most significant ideas at its heart. Each idea, no matter how complex, is explained in 300 words and one picture, all

digestible in under a minute. Other titles in this series include: Know It All Anthropology, Know It All Chemistry, Know It All Classical Music, Know It All Energy, Know It All Great Inventions, Know It All Jazz, Know It All Medicine, Know It All Shakespeare, Know It All Whiskey, Know It All Wine, Space In 30 Seconds, Sports in 30 Seconds.

Clothing Jun 15 2020 In virtually all the countries of the world, men, and to a lesser extent women, are today dressed in very similar clothing. This book gives a compelling account and analysis of the process by which this has come about. At the same time it takes seriously those places where, for whatever reason, this process has not occurred, or has been reversed, and provides explanations for these developments. The first part of this story recounts how the cultural, political and economic power of Europe and, from the later nineteenth century North America, has provided an impetus for the adoption of whatever was at that time standard Western dress. Set against this, Robert Ross shows how the adoption of European style dress, or its rejection, has always been a political act, performed most frequently in order to claim equality with colonial masters, more often a male option, or to stress distinction from them, which women, perhaps under male duress, more frequently did. The book takes a refreshing global perspective to its subject, with all continents and many countries being discussed. It investigates not merely the symbolic and message-bearing aspects of clothing, but also practical matters of production and, equally importantly, distribution.

The Corset and the Crinoline Apr 06 2022 Complete with illustrations of the earliest corsets and undergarments to the fashions of the mid-1800s, this volume provides a history of the undergarments and tips on how to wear them properly. Worn to mold the torso to a desired shape for aesthetic purposes, the corset was worn by both men and women up until the early 20th century. Some of the earliest corsets were known to make women faint throughout the day as they were laced so tightly, their respiratory systems suffered. Crinoline is a thick, stiff fabric that was used under women's skirts to achieve a voluminous affect. At their peak of popularity, the crinoline would allow a woman's skirt to reach six feet (180 centimeters) in diameter.

The Corset and the Crinoline Jul 21 2023 This is an invaluable treatise on corsets and crinoline. Popular mainly in the 1800s, the corset is a woman's tightly fitting undergarment worn to shape the figure, and the crinoline is a stiff petticoat used to hold out a woman's skirt. This work presents the history of these pieces of clothing, their construction, use, and their impact on shaping the body. In addition, the writer aimed to provide the readers with all the essential information about the harm corsets can cause to women's bodies as they mold their waist and restrict their movement for as long as they're wearing them. This work talks about how one can acquire the desirable without causing any injury to the health.

The Corset and the Crinoline Mar 17 2023 Excerpt from *The Corset and the Crinoline*:

A Book of Modes and Costumes From Remote Periods to the Present Time The subject which we have here treated is a sort of figurative battle-field, where fierce contests have for ages been from time to time waged; and, notwithstanding the determined assaults of the attacking hosts, the contention and its cause remain pretty much as they were at the commencement of the war. We in the matter remain strictly neutral, merely performing the part of the public's "own correspondent," making it our duty to gather together such extracts from despatches, both ancient and modern, as may prove interesting or important, to take note of the vicissitudes of war, mark its various phases, and, in fine, to do our best to lay clearly before our readers the historical facts - experiences and arguments - relating to the much-discussed "Corset question." As most of our readers are aware, the leading journals especially intended for the perusal of ladies have been for many years the media for the exchange of a vast number of letters and papers touching the use of the Corset. The questions relating to the history of this apparently indispensable article of ladies' attire, its construction, application, and influence on the figure have become so numerous of late that we have thought, by embodying all that we can glean and garner relating to Corsets, their wearers, and the various costumes worn by ladies at different periods, arranging the subject-matter in its due order as to dates, and at the same time availing ourselves of careful illustration when needed, that an interesting volume would result.
