The Autobiography of Martin Luther King, Jr. Aug 09 2022

With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a remarkable man whose thoughts and actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past-and how their fears and courage helped shape our future.

Autobiography of a Corpse Jan 14 2023 An NYRB Classics

Original Winner of the 2014 PEN Translation Prize Winner of the 2014 Read Russia Prize The stakes are wildly high in Sigizmund Krzhizhanovsky's fantastic and blackly comic philosophical fables, which abound in nested narratives and wild paradoxes. This new collection of eleven mind-bending and spellbinding tales includes some of Krzhizhanovsky's most dazzling conceits: a provincial journalist who moves to Moscow finds his existence consumed by the autobiography of his room's previous occupant; the fingers of a celebrated pianist's right hand run away to spend a night alone on the city streets; a man's lifelong quest to bite his own elbow inspires both a hugely popular circus act and a new refutation of Kant.

Ordinary reality cracks open before our eyes in the pages of *Autobiography of a Corpse*, and the extraordinary spills out.

Memoirs of Benjamin Franklin Jul 16 2020

[The Autobiography of Benjamin Franklin and a Sketch of Franklin's Life from the Point where the Autobiography Ends. Drawn Chiefly from His Letters. With Notes and a Chronological Historical Table](#) Jun 07 2022

The Urban Underworld in Late Nineteenth-Century New York: The Autobiography of George Appo May 26 2021 Through the colorful autobiography of pickpocket and con man George Appo, Timothy Gilfoyle brings to life the opium dens, organized criminals, and prisons that comprised the rapidly changing criminal underworld of late nineteenth-century America. The book's introduction and supporting documents, which include investigative reports and descriptions of Appo and his world, connect Appo's memoir to the larger story of urban New York and how and why crime changed during this period. It also explores factors of race and class that led some to a life of

crime, the experience of criminal justice and incarceration, and the masculine codes of honor that marked the emergence of the nation's criminal subculture. Document headnotes, a chronology, questions for consideration, and a selected bibliography offer additional pedagogical support.

The Autobiography of Thomas Jefferson, 1743-1790 Aug 29 2021 In 1821, at the age of seventy-seven, Thomas Jefferson decided to "state some recollections of dates and facts concerning myself." His ancestors, Jefferson writes, came to America from Wales in the early seventeenth century and settled in the Virginia colony. Jefferson's father, although uneducated, possessed a "strong mind and sound judgement" and raised his family in the far western frontier of the colony, an experience that contributed to his son's eventual staunch defense of individual and state rights. Jefferson attended the College of William and Mary, entered the law, and in 1775 was elected to represent Virginia at the Continental Congress in Philadelphia, an event that propelled him to all of his future political fortunes. Jefferson's autobiography continues through the entire Revolutionary War period, and his insights and information about persons, politics, and events—including the drafting of the Declaration of Independence, his service in France with Benjamin Franklin, and his observations on the French Revolution—are of immense value to both scholars and general readers. Jefferson ends this account of his life at the moment he returns to New York to become secretary of state in 1790. Complementing the other major autobiography of the period, Benjamin Franklin's, *The Autobiography of Thomas Jefferson*, reintroduced for this edition by historian Michael Zuckerman, gives us a glimpse into the private life and

associations of one of America's most influential personalities. Alongside Jefferson's absorbing narrative of the way compromises were achieved at the Continental Congress are comments about his own health and day-to-day life that allow the reader to picture him more fully as a human being. Throughout, Jefferson states his opinions and ideas about many issues, including slavery, the death penalty, and taxation. Although Jefferson did not carry this autobiography further into his eventual presidency, the foundations for all of his thoughts are here, and it is in these pages that Jefferson lays out what to him was his most important contribution to his country, the creation of a democratic republic.

An Autobiography of the Autobiography of Reading Sep 10 2022 The geopolitics of empire had already prepared me for this...coloniality constructs outsides and insides—worlds to be chosen, disturbed, interpreted, and navigated—in order to live something like a real self. Internationally acclaimed poet and novelist Dionne Brand reflects on her early reading of colonial literature and how it makes Black being inanimate. She explores her encounters with colonial, imperialist, and racist tropes; the ways that practices of reading and writing are shaped by those narrative structures; and the challenges of writing a narrative of Black life that attends to its own expression and its own consciousness.

The Autobiography of Mrs. Tom Thumb Jul 28 2021 For anyone who loves the historical novels of Sara Gruen, Geraldine Brooks, and E. L. Doctorow, a barnstorming tale of an irrepressible, brawling, bawdy era and the remarkable woman who had the courage to match the unique spirit of America's Gilded Age. She was only two feet, eight inches tall,

but more than a century later, her legend reaches out to us. As a child, Mercy Lavinia “Vinnie” Warren Bump was encouraged to live a life hidden away from the public. Instead, she reached out to the immortal impresario P. T. Barnum, married the tiny superstar General Tom Thumb in the wedding of the century, and became the world’s most unexpected celebrity. Vinnie’s wedding captivated the nation, preempted coverage of the Civil War, and even ushered her into the White House. But her fame also endangered the person she prized most: her similarly sized sister, Minnie, a gentle soul unable to escape the glare of Vinnie’s spotlight. A barnstorming novel of the Gilded Age, *The Autobiography of Mrs. Tom Thumb* is the irresistible epic of a heroine who conquered the country with a heart as big as her dreams—and whose story will surely win over yours. Look for special features inside. Join the Circle for author chats and more. **BONUS:** This edition contains a timeline, an interview with Melanie Benjamin, and an excerpt from Melanie Benjamin's *Alice I Have Been*.

The Autobiography of Michel de Montaigne Oct 11 2022
Autobiography of Us Mar 24 2021
Coming of age in early 1960s suburban California, Rebecca Madden and her beautiful, reckless best friend Alex dream of lives beyond their mothers’ narrow expectations. As teenagers they are inseparable. But then, one sweltering evening the summer before their college graduation, a single act of betrayal changes everything. Decades later, Rebecca’s haunting confession reveals the truth about that night, the years that followed, and the friendship that defined her. Gorgeous, captivating and compelling, *Autobiography of Us* is the story of two women caught between repression and rebellion, and the

sacrifices, struggles and triumphs of a generation.

The Autobiography of St. Ignatius Apr 05 2022

The Autobiography of Joseph Le Conte Sep 29 2021 Joseph Le Conte (February 26, 1823 - July 6, 1901) was born in Liberty County, Georgia. He received an M.D. degree from the New York College of Physicians and Surgeons in 1845. After four years of practicing medicine, he entered Harvard University and studied natural history under Louis Agassiz. After graduating from Harvard, he taught at Oglethorpe University, Franklin College and South Carolina College. In 1869, Le Conte moved to the University of California, Berkeley, where he remained the rest of his life, teaching mainly in geology. In 1870 he visited Yosemite Valley and became friends with John Muir. Concerned about resource exploitation, Le Conte and Muir with others founded the Sierra Club in 1892. Le Conte died while visiting Yosemite Valley. Le Conte and his wife Caroline Nisbet, had four children.

The Autobiography of Giambattista Vico Feb 15 2023 The Autobiography of Giambattista Vico is significant both as a source of insight into the influences on the eighteenth-century philosopher's intellectual development and as one of the earliest and most sophisticated examples of philosophical autobiography. Referring to himself in the third person, Vico records the course of his life and the influence that various thinkers had on the development of concepts central to his mature work. Beyond its relevance to the development of the New Science, the Autobiography is also of interest for the light it sheds on Italian culture in the seventeenth and eighteenth centuries. Still regarded by many as the best English-language translation of this classic work, the Cornell edition was widely

lauded when first published in 1944. Wrote the Saturday Review of Literature: "Here was something new in the art of self-revelation. Vico wrote of his childhood, the psychological influences to which he was subjected, the social conditions under which he grew up and received an education and evolved his own way of thinking. It was so outstanding a piece of work that it was held up as a model, which it still is."

The Autobiography of Miss Jane Pittman Jan 22 2021 "This is a novel in the guise of the tape-recorded recollections of a black woman who has lived 110 years, who has been both a slave and a witness to the black militancy of the 1960's. In this woman Ernest Gaines has created a legendary figure, a woman equipped to stand beside William Faulkner's Dilsey in *The Sound And The Fury*." Miss Jane Pittman, like Dilsey, has 'endured,' has seen almost everything and foretold the rest. Gaines' novel brings to mind other great works *The Odyssey* for the way his heroine's travels manage to summarize the American history of her race, and *Huckleberry Finn* for the clarity of her voice, for her rare capacity to sort through the mess of years and things to find the one true story in it all." -- Geoffrey Wolff, *Newsweek*. "Stunning. I know of no black novel about the South that excludes quite the same refreshing mix of wit and wrath, imagination and indignation, misery and poetry. And I can recall no more memorable female character in Southern fiction since Lena of Faulkner's *Light In August* than Miss Jane Pittman." -- Josh Greenfeld, *Life*

Reminiscences of an Active Life Mar 04 2022 The memoir of an accomplished politician and the first African American from Mississippi elected to the United States Congress

Facts as I Remember Them Jun 14 2020 The rivers of the

Texas Panhandle, the Canadian, and the forks of the Red break through the Cap Rock at the eastern edge of the Staked Plains. It's rough, bleak country, with few trees and a great expanse of sky. Storms that form on the Great Plains and in the Rocky Mountains sweep through with nothing much to slow them down. And the small dusty towns that serve this vast ranchland cling to the waterways as they have for over a hundred years, since their early settlement. Their names aren't well known now, but they were once focal points in a rugged country where buffalo hunters, trail drivers, outlaws, and ordinary folks alike passed through. Rufe LeFors was one such "ordinary" man. With his father and older brothers, he was among the first to settle this country, drawn to West Texas by tales of open land and good grass. His life story, set down near the end of his long and adventurous life, is the best sort of insider's history, the chronicle of a life lived fully amid the exciting events and rough landscape of the frontier's final years. Rufe LeFors recorded his story over the course of a decade, finishing up in 1941 in his eighty-first year. His memoirs span the period from the War between the States to the early twentieth century, when the Panhandle was still scarcely settled, a true frontier. In his time LeFors was trail driver, pony express rider, and rancher. He traveled for a year with Arrington's Texas Rangers, and he wore the badge of deputy sheriff in the wild west town of Old Mobeetie. He rode a fast horse after claims in the Cherokee Strip, spent time as a horse trader, and finally settled in Lawton, Oklahoma, where, after some twenty years as a deputy, he was elected to the office of sheriff. LeFors knew how to tell a story. Whether it is an account of an outlaw's capture or the rescue of a white girl

from prairie fire by a Comanche brave, he weaves into his narrative all the color, drama, and character of the event. His version of the death of Billy the Kid adds another perspective to that much celebrated episode in western history. His encounters with Temple Houston, the governor's flamboyant son, rancher Charles Goodnight, and Ranger Captain Arrington add to our fund of knowledge about those legendary frontier figures. LeFors wanted to get the facts—as he remembered them—straight. With his sharp eye for texture and detail and keen ear for language and timing, he created a narrative that wonderfully captures the flavor of his life and exciting times.

The Autobiography of My Mother May 06 2022 Kincaid's new and long-awaited novel is a powerful and unforgettable story of loss, longing, loving, and survival that resonates with the proud insurgence of the human will. The story of Xuela, whose mother dies at the moment she is born, presents an indelible portrait of an angry woman (New York Times) most comparable, perhaps, to Camus' *The Stranger* (Washington Post Book World).

The Autobiography of William Carlos Williams Mar 16 2023 The Autobiography is an unpretentious book; it reads much as Williams talked--spontaneously and often with a special kind of salty humor. But it is a very human story, glowing with warmth and sensitivity. It brings us close to a rare man and lets us share his affectionate concern for the people to whom he ministered, body and soul, through a long rich life as physician and writer.

The Autobiography of a Transgender Scientist Nov 12 2022 A leading scientist describes his life, his gender transition, his scientific work, and his advocacy for gender equality in

science. Ben Barres was known for his groundbreaking scientific work and for his groundbreaking advocacy for gender equality in science. In this book, completed shortly before his death from pancreatic cancer in December 2017, Barres (born in 1954) describes a life full of remarkable accomplishments—from his childhood as a precocious math and science whiz to his experiences as a female student at MIT in the 1970s to his female-to-male transition in his forties, to his scientific work and role as teacher and mentor at Stanford. Barres recounts his early life—his interest in science, first manifested as a fascination with the mad scientist in Superman; his academic successes; and his gender confusion. Barres felt even as a very young child that he was assigned the wrong gender. After years of being acutely uncomfortable in his own skin, Barres transitioned from female to male. He reports he felt nothing but relief on becoming his true self. He was proud to be a role model for transgender scientists. As an undergraduate at MIT, Barres experienced discrimination, but it was after transitioning that he realized how differently male and female scientists are treated. He became an advocate for gender equality in science, and later in life responded pointedly to Larry Summers's speculation that women were innately unsuited to be scientists. Privileged white men, Barres writes, “miss the basic point that in the face of negative stereotyping, talented women will not be recognized.” At Stanford, Barres made important discoveries about glia, the most numerous cells in the brain, and he describes some of his work. “The most rewarding part of his job,” however, was mentoring young scientists. That, and his advocacy for women and transgender scientists, ensures his legacy.

The Autobiography of Maria Callas Jul 08 2022 A fictionalised account of the well-known and not so widely known details of the tempestuous and passionate, creative and private life of the internationally acclaimed diva. The soaring heights of her talents, the fears of her decline, written from a psychological, highly controversial perspective.

Autobiography of a Brown Buffalo Apr 17 2023 Before his mysterious disappearance and probable death in 1971, Oscar Zeta Acosta was famous as a Robin Hood Chicano lawyer and notorious as the real-life model for Hunter S. Thompson's "Dr. Gonzo," a fat, pugnacious attorney with a gargantuan appetite for food, drugs, and life on the edge. Written with uninhibited candor and manic energy, this book is Acosta's own account of coming of age as a Chicano in the psychedelic sixties, of taking on impossible cases while breaking all the rules of courtroom conduct, and of scrambling headlong in search of a personal and cultural identity. It is a landmark of contemporary Hispanic-American literature, at once ribald, surreal, and unmistakably authentic.

The Autobiography of an Ex-Colored Man Jun 19 2023 The Autobiography of an Ex-Colored Man (1912/1927) by James Weldon Johnson is the fictional account of a young biracial man, referred to only as the "Ex-Colored Man," living in post-Reconstruction era America in the late nineteenth and early twentieth centuries. He lives through a variety of experiences, including witnessing a lynching, that convince him to "pass" as white to secure his safety and advancement, but he feels as if he has given up his dream of "glorifying" the black race by composing ragtime music.

Walk This Way Feb 03 2022 Hang on, it's a hell of a ride!

From the band that lived by the motto "Anything worth doing was worth overdoing" -- Steven Tyler, Joe Perry, Tom Hamilton, Brad Whitford, and Joey Kramer -- comes a quarter century of rock godhood: the life, the music, the truth, the hell, the lost years, and the raunchy, unsafe sex. And, of course, the drugs. But after crashing in a suffocating cloud of cocaine, crystal meth, and heroin, Aerosmith rose up from the ashes to become clean and sober -- and reclaim their rightful title as World Champion Rockers. Learn how they did it in a book that is pure Aerosmith unbound: where they came from, what they are now, and what they will always be -- a great American band.

The Autobiography of My Mother Oct 19 2020

The Autobiography of Benjamin Franklin (Annotated) Feb 20 2021 This is an annotated version of the book¹. contains an updated biography of the author at the end of the book for a better understanding of the text.². This book has been checked and corrected for spelling errors Benjamin Franklin was born in Milk Street, Boston, on January 6, 1706. His father, Josiah Franklin, was a tallow chandler who married twice, and of his seventeen children Benjamin was the youngest son. His schooling ended at ten, and at twelve he was bound apprentice to his brother James, a printer, who published the "New England Courant." To this journal he became a contributor, and later was for a time its nominal editor. But the brothers quarreled, and Benjamin ran away, going first to New York, and thence to Philadelphia, where he arrived in October, 1723. He soon obtained work as a printer, but after a few months he was induced by Governor Keith to go to London, where, finding Keith's promises empty, he again worked as a

compositor till he was brought back to Philadelphia by a merchant named Denman, who gave him a position in his business. On Denman's death he returned to his former trade, and shortly set up a printing house of his own from which he published "The Pennsylvania Gazette," to which he contributed many essays, and which he made a medium for agitating a variety of local reforms. In 1732 he began to issue his famous "Poor Richard's Almanac" for the enrichment of which he borrowed or composed those pithy utterances of worldly wisdom which are the basis of a large part of his popular reputation. In 1758, the year in which he ceased writing for the Almanac, he printed in it "Father Abraham's Sermon," now regarded as the most famous piece of literature produced in Colonial America. Meantime Franklin was concerning himself more and more with public affairs. He set forth a scheme for an Academy, which was taken up later and finally developed into the University of Pennsylvania; and he founded an "American Philosophical Society" for the purpose of enabling scientific men to communicate their discoveries to one another. He himself had already begun his electrical researches, which, with other scientific inquiries, he carried on in the intervals of money-making and politics to the end of his life. In 1748 he sold his business in order to get leisure for study, having now acquired comparative wealth; and in a few years he had made discoveries that gave him a reputation with the learned throughout Europe. In politics he proved very able both as an administrator and as a controversialist; but his record as an office-holder is stained by the use he made of his position to advance his relatives. His most notable service in home politics was his reform of the

postal system; but his fame as a statesman rests chiefly on his services in connection with the relations of the Colonies with Great Britain, and later with France. In 1757 he was sent to England to protest against the influence of the Penns in the government of the colony, and for five years he remained there, striving to enlighten the people and the ministry of England as to Colonial conditions. On his return to America he played an honorable part in the Paxton affair, through which he lost his seat in the Assembly; but in 1764 he was again despatched to England as agent for the colony, this time to petition the King to resume the government from the hands of the proprietors. In London he actively opposed the proposed Stamp Act, but lost the credit for this and much of his popularity through his securing for a friend the office of stamp agent in America. Even his effective work in helping to obtain the repeal of the act left him still a suspect; but he continued his efforts to present the case for the Colonies as the troubles thickened toward the crisis of the Revolution. In 1767 he crossed to France, where he was received with honor;

The Autobiography of Malcolm X Apr 24 2021 Malcolm X's blazing, legendary autobiography, completed shortly before his assassination in 1965, depicts a remarkable life: a child born into rage and despair, who turned to street-hustling and cocaine in the Harlem ghetto, followed by prison, where he converted to the Black Muslims and honed the energy and brilliance that made him one of the most important political figures of his time - and an icon in ours. It also charts the spiritual journey that took him beyond militancy, and led to his murder, a powerful story of transformation, redemption and betrayal. Vilified by his critics as an anti-white demagogue,

Malcolm X gave a voice to unheard African-Americans, bringing them pride, hope and fearlessness, and remains an inspirational and controversial figure today.

The Autobiography of Benjamin Franklin Nov 19 2020
Charming self-portrait covers boyhood, work as a printer, political career, scientific experiments, much more. Its openness, honesty, and readable style have made the "Autobiography" one of the great classics of the genre.

The Autobiography and Other Writings Dec 01 2021
This authoritative Bantam Classic edition presents readers with a wide-ranging selection of Benjamin Franklin's most important writings, illuminating the complex and appealing character of this quintessential American who rose to fame as a publisher, inventor, educator, bon vivant, and statesman. Here are selections from Franklin's newspaper articles, from the sage wisdom of Poor Richard's Almanac, from his entertaining letters, from his scientific essays, from his political and revolutionary writings, plus a generous sampling of his famous aphorisms, poems, and humor. And, most important, here is a newly edited text of one of the most vital and important works of American literature, the Autobiography. As fascinating and as relevant as ever, this timeless collection of writings reveals an extraordinary man whose mind was always curious, always questioning, and who forever remained dedicated to the principles of truth and liberty.

An Autobiography Jan 02 2022
Agatha Christie's 'most absorbing mystery' – her own autobiography.

The Autobiography of a Yaqui Poet Dec 13 2022
This is the major literary achievement of a sensitive, gifted man. The author is a Yaqui Indian, a railroad gandy dancer who sees

beauty in iron spikes and rail clamps as well as in twilight-purple mountains and glossy-leaved cottonwood trees. In the seventy years following his flight from the Yaqui-Mexican wars in Sonora, Savala became a talented poet and loving recorder of his people's cultural heritage. A large sampling of his original works appears in the interpretations section of this book.

Together with the beautifully written autobiography, they offer a unique view of Arizona Yaqui culture and history, railroading in the American West, and the personal and artistic growth of a Native American man of letters.

The Autobiography of Alice B. Toklas Illustrated Aug 21 2023
An illustrated edition of Gertrude Stein's most well-known work, *The Autobiography of Alice B. Toklas*, bursting with the bright, sophisticated, and fanciful images of artist Maira Kalman. Considered one of the richest and most irreverent biographies in history, *The Autobiography of Alice B. Toklas* was written by Gertrude Stein in the style and voice of her life partner, Alice B. Toklas. Published in 1933 and narrated by Alice, this autobiography begins with her initial move to France in 1907, the day after which she meets Gertrude, sparking a relationship that lasts for nearly four decades. Recounting the vibrant and literary life the two make for themselves among the Parisian avant-garde, Alice opens the doors to the prominent salons they held in their home at rue de Fleurus, hosting fellow expatriate American writers such as Ernest Hemingway, T. S. Eliot, and Ezra Pound as well as artists Pablo Picasso, Henri Matisse, and Man Ray, and speaks of the twilight of the Paris belle époque. In this edition, the wildly talented Maira Kalman brings this glittering Parisian world to life, and celebrates Stein and Toklas in vivid color. Her whimsical and inimitable

illustrations complement the wit and humor of Stein's narrative, and elevate the exciting intrigues of these famous women and their friends. Inviting readers to experience this book in a completely new way, the illustrated edition of *The Autobiography of Alice B. Toklas* will prompt a contemporary reading of this cherished and singular classic.

The Autobiography of Pops Foster Jun 26 2021 The first famous double-bass stylist in jazz, George Murphy "Pops" Foster enjoyed a career that spanned gigs with greats from Louis Armstrong and Duke Ellington to Charlie Parker and John Coltrane. This autobiography, first published in 1971 and now reissued with a generous collection of rare photographs, was created from 70 hours of interviews with this beloved and influential musician. Foster recounts his seven-decade career with uncanny attention to detail and charming candor, providing an uncensored look at the society in which jazz developed and breathing life into legends such as Jelly Roll Morton, King Oliver, and Sidney Bechet. As he takes us on his journey from plantation to riverboat, New Orleans to New York City, Foster paints an indelible panorama of the jazzman's life while setting the record straight on many crucial points of jazz history.

The Autobiography of Benjamin Franklin May 18 2023 *The Autobiography of Benjamin Franklin* (1791) is an unfinished memoir by Benjamin Franklin. Addressing the work to his son William, Franklin intended to provide a private account of his life and accomplishments. Published after his death, however, *The Autobiography of Benjamin Franklin* has since been recognized as one of the most influential works of autobiography in history, as well as a foundational text for the American ideal of the self-made man. Born in Boston, Franklin

joins his brother's printing business at a young age, learning the ropes in an industry which will later bring him both wealth and fame. Secretly, however, he publishes a series of essays under the pseudonym "Silence Dogood," satirical pieces written from the perspective of a middle-aged widow. When his authorship is revealed, a dispute ensues between Franklin and his brother that leads the young Benjamin to look for work elsewhere. Unable to find work in New York City, Franklin continues south toward Philadelphia, where he establishes himself as the printer and editor of the Pennsylvania Gazette. After describing his system of thirteen virtues aimed at moral perfection, Franklin returns to his work as a publisher of Poor Richard's Almanack, a successful yearly pamphlet containing meteorological information, practical tips, and puzzles. Franklin also focuses on his diplomatic work, scientific research and inventions, and his appointment as an honorary member of the prestigious Royal Society. With a beautifully designed cover and professionally typeset manuscript, this edition of The Autobiography of Benjamin Franklin is a classic of American literature reimagined for modern readers.

Get Janeway's personal take on key characters such as Seven of Nine, her trusted friend Tuvok, new arrivals like Neelix and her second-in-command, Chakotay.

The Autobiography of Benvenuto Cellini May 14 2020

Benvenuto Cellini was a celebrated Renaissance sculptor and goldsmith - a passionate craftsman who was admired and resented by the most powerful political and artistic personalities in sixteenth-century Florence, Rome and Paris. He was also a murderer and a braggart, a shameless adventurer who at different times experienced both papal persecution and imprisonment, and the adulation of the royal court. Inn-keepers and prostitutes, kings and cardinals, artists and soldiers rub shoulders in the pages of his notorious autobiography: a vivid portrait of the manners and morals of both the rulers of the day and of their subjects. Written with supreme powers of invective and an irrepressible sense of humour, this is an unrivalled glimpse into the palaces and prisons of the Italy of Michelangelo and the Medici.

The Autobiography of Benjamin Franklin Jul 20 2023

Marcus Oct 31 2021 Now, in his eloquent words, hear mega-football superstar Marcus Allen---Heisman trophy winner, Superbowl MVP, and record-breaking running back--tell his inspiring and unforgettable story, rom his triumphant rise to athletic stardom, to his rocky 11-year relationship with Los Angeles Raiders coach Al Davis, to his controversial friendship

with O.J. Simpson, and all the high and low points in between. Marcus on Al Davis: "I could neither understand nor determine why Al Davis had declared war against me. But for all the motives suggested, none involved the possibility that the issue might be racial. Al Davis was many things that I didn't admire, but he was no bigot." Marcus on O.J. Simpson: "I am and forever will be forever be tortured by the loss of two people who were my friends; one murdered, one now forced to live a lifetime being blamed for tragedy." Marcus on Football "It teaches hard lessons about success and failure, joy and disappointment. And when played well, it has a poetry all its own."
