Charlie struggles to cope with complex world of high school as he deals with the confusions of sex and love, the temptations of drugs, and the pain of losing a close friend and a favorite aunt. Family - the most important thing in the world, right? If it's your own, maybe. But if it's the family of the incredibly powerful, incredibly alluring businessman with whom you've been conducting a secret office affair, and they don't yet know about the affair, things are a little bit different. Life is about to get real for Lilly Linton. All those stolen moments behind closed doors, those secret kisses and whispered words are about to catch up with her. As she and her boss, business-magnate Rikkard Ambrose, travel north to his parents' palatial estate, she is about to discover whether she has the strength to step out of the shadows and change her fate forever. Volume four of the award-winning Storm and Silence series. NEW YORK TIMES BESTSELLER. Jonathan Safran Foer's debut—"a funny, moving...deeply felt novel about the dangers of confronting the past and the redemption that comes with laughing at it, even when that seems all but impossible." (Time) With only a yellowing photograph in hand, a young man—also named Jonathan Safran Foer—sets out to find the woman who might or might not have saved his grandfather from the Nazis. Accompanied by an old man haunted by memories of the war, an amorous dog named Sammy Davis, Junior, Junior, and the unforgettable Alex, a young Ukrainian translator who speaks in a sublimely butchered English, Jonathan is led on a quixotic journey over a devastated landscape and into an unexpected past. As their adventure unfolds, Jonathan imagines the history of his grandfather's village, conjuring a magical fable of startling symmetries that unite generations across time. As his search moves back in time, the fantastical history moves forward, until reality collides with fiction in a heart-stopping scene of extraordinary power. "Imagine a novel as verbally cunning as A Clockwork Orange, as harrowing as The Painted Bird, as exuberant and twee as Candide, and you have Everything Is Illuminated . . . Read it, and you'll feel altered, chastened—seared in the fire of something new." — Washington Post "A rambunctious tour de force of inventive and intelligent storytelling . . . Foer can place his reader's hand on the heart of human experience, the transcendent beauty of human connections. Read, you can feel the life beating." — Philadelphia Inquirer INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER FROM THE AUTHOR OF IN A DARK, DARK WOOD Featured in TheSkimm An Entertainment Weekly "Summer Must List" Pick A New York Post "Summer Must-Read" Pick Included in Summer Book Guides from Bustle, Oprah.com, PureWow, and USA TODAY An instant New York Times bestseller, The Woman in Cabin 10 is a gripping psychological thriller set at sea from an essential mystery writer in the tradition of Agatha Christie. In this tightly wound, enthralling story reminiscent of Agatha Christie's works, Lo Blacklock, a journalist who writes for a travel magazine, has just been given the assignment of a lifetime: a week on a luxury cruise with only a handful of cabins. The sky is clear, the waters calm, and the venerated, select guests jovial as the exclusive cruise ship, the Aurora, begins her voyage in the picturesque North Sea. At first,

Lo's stay is nothing but pleasant: the cabins are plush, the dinner parties are sparkling, and the guests are elegant. But as the week wears on, frigid winds whip the deck, gray skies fall, and Lo witnesses what she can only describe as a dark and terrifying nightmare: a woman being thrown overboard. The problem? All passengers remain accounted for—and so, the ship sails on as if nothing has happened, despite Lo's desperate attempts to convey that something (or someone) has gone terribly, terribly wrong... With surprising twists, spine-tingling turns, and a setting that proves as uncomfortably claustrophobic as it is eerily beautiful, Ruth Ware offers up another taut and intense read in *The Woman in Cabin 10*—one that will leave even the most sure-footed reader restlessly uneasy long after the last page is turned. *The Constant Gardener* is a magnificent exploration of the new world order by New York Times bestselling author John le Carré, one of the most compelling and elegant storytellers of our time. The novel opens in northern Kenya with the gruesome murder of Tessa Quayle -- young, beautiful, and dearly beloved to husband Justin. When Justin sets out on a personal odyssey to uncover the mystery of her death, what he finds could make him not only a suspect among his own colleagues, but a target for Tessa's killers as well. A master chronicler of the betrayals of ordinary people caught in political conflict, John le Carré portrays the dark side of unbridled capitalism as only he can. In *The Constant Gardener* he tells a compelling, complex story of a man elevated through tragedy, as Justin Quayle -- amateur gardener, aging widower, and ineffectual bureaucrat -- discovers his own natural resources and the extraordinary courage of the woman he barely had time to love. "I need you to go to New York and pretend to be your twin sister." That was the command Laila Fiorenza's father gave her when her sister ran away from home just days before she had to meet her betrothed, the handsome, party-going, Greek shipping magnate, Nikos Pallis. But after being jilted in a previous betrothal, Laila had only one wish, which is to never be the second choice in love again. So, eager to go back to her sheltered life in Sicily and unwilling to do what her father commands, Laila comes clean to Nikos about the farce, hoping he would call off the wedding. However, Nikos had other plans, and he might just be willing to grant her wish. #1 NEW YORK TIMES BESTSELLER Do you want to get to know the woman we first came to love on Comedy Central's Upright Citizens Brigade? Do you want to spend some time with the lady who made you howl with laughter on Saturday Night Live, and in movies like Baby Mama, Blades of Glory, and They Came Together? Do you find yourself daydreaming about hanging out with the actor behind the brilliant Leslie Knope on Parks and Recreation? Did you wish you were in the audience at the last two Golden Globes ceremonies, so you could bask in the hilarity of Amy's one-liners? If your answer to these questions is "Yes Please!" then you are in luck. In her first book, one of our most beloved funny folk delivers a smart, pointed, and ultimately inspirational read. Full of the comedic skill that makes us all love Amy, Yes Please is a rich and varied collection of stories, lists, poetry (Plastic Surgery Haiku, to be specific), photographs, mantras and advice. With chapters like "Treat Your Career Like a Bad Boyfriend," "Plain Girl Versus the Demon" and "The Robots Will Kill Us All" Yes Please will make you think as much as it will make you laugh. Honest, personal, real, and righteous, Yes Please is full of words to live by. Sarah "Nerdy" Littman is your typical high school nerd—geeky glasses, straight A's, the works. Her only social life consists solely of hanging out at the cafeteria with her best friend Becky Tyrone, as she tries to avoid being bullied by her arch nemesis Matt Adams. When superstar Leon Walden transfers to their school pretending to be just another regular student, Sarah's life completely turned upsidedown, much to her chagrin. Things get even more complicated when Leon moves in next door and deliberately befriends her. And when Sarah finds herself falling for the teen star, she learns that there is no mathematical equation or scientific formula that can help her sort out her feelings. Brielle was having one of the worst days ever. She had just lost her scholarship—with it her room at the school dormitory—and was about to face the wrath of her mother. It was probably fate that brought Infinite Chase, her favorite band in the world, to her town that day to perform live. Could it also be fate that Kyle Yves, the band's lead singer and the boy she was in love with, picked her to sing a duet with him on stage and that she somehow got the chance to live with the band as their new band manager? She has been given every chance to turn the worst day ever around. All she had to do was take a chance on fate. Will she take it? Scientists elucidate the

astounding collective sensory capacity of Earth and its evolution through time. INSTANT NEW YORK TIMES BESTSELLER "Searing. Powerful. Needed." —Oprah “ Sometimes a single story can change the world. Unbound is one of those stories. Tarana ’ s words are a testimony to liberation and love. ” —Brené Brown From the founder and activist behind one of the largest movements of the twentieth and twenty-first centuries, the "me too" movement, Tarana Burke debuts a powerful memoir about her own journey to saying those two simple yet infinitely powerful words—me too—and how she brought empathy back to an entire generation in one of the largest cultural events in American history. Tarana didn ’ t always have the courage to say "me too." As a child, she reeled from her sexual assault, believing she was responsible. Unable to confess what she thought of as her own sins for fear of shattering her family, her soul split in two. One side was the bright, intellectually curious third generation Bronxite steeped in Black literature and power, and the other was the bad, shame ridden girl who thought of herself as a vile rule breaker, not as a victim. She tucked one away, hidden behind a wall of pain and anger, which seemed to work...until it didn ’ t. Tarana fought to reunite her fractured self, through organizing, pursuing justice, and finding community. In her debut memoir she shares her extensive work supporting and empowering Black and brown girls, and the devastating realization that to truly help these girls she needed to help that scared, ashamed child still in her soul. She needed to stop running and confront what had happened to her, for Heaven and Diamond and the countless other young Black women for whom she cared. They gave her the courage to embrace her power. A power which in turn she shared with the entire world. Through these young Black and brown women, Tarana found that we can only offer empathy to others if we first offer it to ourselves. Unbound is the story of an inimitable woman ’ s inner strength and perseverance, all in pursuit of bringing healing to her community and the world around her, but it is also a story of possibility, of empathy, of power, and of the leader we all have inside ourselves. In sharing her path toward healing and saying "me too," Tarana reaches out a hand to help us all on our own journeys.

A novel set on a remote Australian island, where a childless couple live quietly running a lighthouse, until a boat carrying a baby washes ashore. Featuring an exclusive excerpt from Kate Quinn's next incredible historical novel, THE HUNTRESS NEW YORK TIMES & USA TODAY BESTSELLER #1 GLOBE AND MAIL HISTORICAL FICTION BESTSELLER One of NPR's Best Books of the Year! One of Bookbub's Biggest Historical Fiction Books of the Year! Reese Witherspoon Book Club Summer Reading Pick! The Girly Book Club Book of the Year! A Summer Book Pick from Good Housekeeping, Parade, Library Journal, Goodreads, Liz and Lisa, and BookBub In an enthralling new historical novel from national bestselling author Kate Quinn, two women—a female spy recruited to the real-life Alice Network in France during World War I and an unconventional American socialite searching for her cousin in 1947—are brought together in a mesmerizing story of courage and redemption.

1947. In the chaotic aftermath of World War II, American college girl Charlie St. Clair is pregnant, unmarried, and on the verge of being thrown out of her very proper family. She's also nursing a desperate hope that her beloved cousin Rose, who disappeared in Nazi-occupied France during the war, might still be alive. So when Charlie's parents banish her to Europe to have her "little problem" taken care of, Charlie breaks free and heads to London, determined to find out what happened to the cousin she loves like a sister.

1915. A year into the Great War, Eve Gardiner burns to join the fight against the Germans and unexpectedly gets her chance when she's recruited to work as a spy. Sent into enemy-occupied France, she's trained by the mesmerizing Lili, the "Queen of Spies", who manages a vast network of secret agents right under the enemy's nose. Thirty years later, haunted by the betrayal that ultimately tore apart the Alice Network, Eve spends her days drunk and secluded in her crumbling London house. Until a young American barges in uttering a name Eve hasn't heard in decades, and launches them both on a mission to find the truth...no matter where it leads. “ Both funny and heartbreaking, this epic journey of two courageous women is an unforgettable tale of little-known wartime glory and sacrifice. Quinn knocks it out of the park with this spectacular book! ” —Stephanie Dray, New York Times bestselling author of America's First Daughter Somewhere in South America, at the home of the country's vice president, a lavish birthday party is being held in honor of the powerful businessman Mr. Hosokawa. Roxanne Coss, opera's most revered soprano, has

mesmerized the international guests with her singing. It is a perfect evening -- until a band of gunwielding terrorists takes the entire party hostage. But what begins as a panicked, life-threatening scenario slowly evolves into something quite different, a moment of great beauty, as terrorists and hostages forge unexpected bonds and people from different continents become compatriots, intimate friends, and lovers. Finalist for the National Book Award for Fiction “ [These stories] vibrate with originality, queerness, sensuality and the strange. ” —Roxane Gay “ In these formally brilliant and emotionally charged tales, Machado gives literal shape to women ’ s memories and hunger and desire. I couldn ’ t put it down. ” —Karen Russell

*In Her Body and Other Parties*, Carmen Maria Machado blithely demolishes the arbitrary borders between psychological realism and science fiction, comedy and horror, fantasy and fabulism. While her work has earned her comparisons to Karen Russell and Kelly Link, she has a voice that is all her own. In this electric and provocative debut, Machado bends genre to shape startling narratives that map the realities of women ’ s lives and the violence visited upon their bodies. A wife refuses her husband ’ s entreaties to remove the green ribbon from around her neck. A woman recounts her sexual encounters as a plague slowly consumes humanity. A salesclerk in a mall makes a horrifying discovery within the seams of the store ’ s prom dresses. One woman ’ s surgery-induced weight loss results in an unwanted houseguest. And in the bravura novella “ Especially Heinous, ” Machado reimagines every episode of *Law & Order: Special Victims Unit*, a show we naïvely assumed had shown it all, generating a phantasmagoric police procedural full of doppelgängers, ghosts, and girls with bells for eyes. Earthy and otherworldly, antic and sexy, queer and caustic, comic and deadly serious, *Her Body and Other Parties* swings from horrific violence to the most exquisite sentiment. In their explosive originality, these stories enlarge the possibilities of contemporary fiction. “ I need you to find me a bride. ” Marco Orsini demanded this from the etiquette teacher, Francesca Marcolini. His grandfather ’ s mandate was simple: Present a bride on the day of his 86th birthday—and thereby secure the continuity of his clan and the massive Orsini empire—or he will be disinherited. But Marco doesn ’ t want just any woman. He wants the perfect woman, and he knew that only Francesca can help him find the perfect bride. She had all the connections to the best women in Italian society after all—She may have even taught them in the ways of the social graces, which intrigues Marco. The two will go to great lengths to find the perfect woman, but how far must they search to find the perfect Orsini bride? Get six times the language-learning expertise for the price of one book! Olivia Bailey was happily working as the personal assistant of Wilson Alexander, the owner and CEO of Alexander Corporation, when he suddenly died of heart failure. Grief-stricken over the loss of her boss, who was like a father to her, Olivia was left to deal with Wilson's dashing estranged son, Pierce. She can't stand Pierce, and he doesn't seem to trust her. But they eventually develop a mutual respect that turns into an intense attraction to each other. Is a long-term romance possible? Or, is it too much for them to handle on top of the pressure from work and their personal lives? (Applause Libretto Library). This 1995 Pulitzer Prize-winning musical was inspired by the painting *A Sunday Afternoon on the Island of La Grande Jatte* by Georges Seurat. A complex work revolving around a fictionalized Seurat immersed in single-minded concentration while painting the masterpiece, the production has evolved into a meditation on art, emotional connection, and community. This publication contains the entire script of the musical. " Sunday is itself a modernist creation, perhaps the first truly modernist work of musical theatre that Broadway has produced ... a watershed event that demands nothing less than a retrospective, even revisionist, look at the development of the serious Broadway musical." Frank Rich, *The New York Times Magazine*

Do you suffer abuse and seek ways to better understand and deal with it? Do you feel like you are losing control as you have been pushed to the brink of insanity and made to forget your true identity? talent about the inexorable pull of home and family, set in a shotgun house in New Orleans East. In 1961, Sarah M. Broom's mother Ivory Mae bought a shotgun house in the then-promising neighborhood of New Orleans East and built her world inside of it. It was the height of the Space Race and the neighborhood was home to a major NASA plant—the postwar optimism seemed assured. Widowed, Ivory Mae remarried Sarah's father Simon Broom; their combined family would eventually number twelve children. But after Simon died, six months after Sarah's birth, the Yellow House would become Ivory Mae's thirteenth and most unruly child. A book of great ambition, Sarah M. Broom's *The Yellow House* tells a hundred years of her family and their relationship to home in a neglected area of one of America's most mythologized cities. This is the story of a mother's struggle against a house's entropy, and that of a prodigal daughter who left home only to reckon with the pull that home exerts, even after the Yellow House was wiped off the map after Hurricane Katrina. *The Yellow House* expands the map of New Orleans to include the stories of its lesser known natives, guided deftly by one of its native daughters, to demonstrate how enduring drives of clan, pride, and familial love resist and defy erasure. Located in the gap between the "Big Easy" of tourist guides and the New Orleans in which Broom was raised, *The Yellow House* is a brilliant memoir of place, class, race, the seeping rot of inequality, and the internalized shame that often follows. It is a transformative, deeply moving story from an unparalleled new voice of startling clarity, authority, and power.

Misty Griffin's story Surviving child abuse, parental betrayal, sexual assault, and Amish cruelty A true crime memoir: When Misty was six years old her family started to live and dress like the Amish. Misty and her sister were kept as slaves on a mountain ranch where they were subjected to almost complete isolation, sexual abuse and extreme physical violence. Their step-father kept a loaded rifle by the door at all times to make sure the young girls were too terrified to try to escape. They also knew that no rescue would ever come because only a couple of people even knew they existed and did not know them well enough to care.

Amish Sexual abuse: When Misty reached her teens, her parents feared she and her sister would escape and took them to an Amish community where they were adopted and became baptized members. Misty was devastated to once again find herself in a world of fear, animal cruelty and sexual abuse. Going to the police was severely frowned upon. A few years later, Misty was sexually assaulted by the bishop. As Misty recalls, "Amish sexual abusers are only shunned by the church for six weeks, a punishment that never seems to work. After I was assaulted by the bishop I knew I had to get help and one freezing morning in early March I made a dash for a tiny police station in rural Minnesota. After reporting the bishop I left the Amish and found myself plummeted into the strange modern world with only a second-grade education and no ID or social security card. To all abuse survivors out there, please be encouraged, the cycle of abuse can be broken. Today, I am a nursing student working towards my master's degree and a child abuse awareness activist. This is my story." If you have read *Scared Selfless*, *A Child Called It*, *The Sound of Gravel*, or *Etched In Sand*, then *Tears of the Silenced* is a must read. It is Enniscorthy in the southeast of Ireland in the early 1950s. Eilis Lacey is one among many of her generation who cannot find work at home. Thus when a job is offered in America, it is clear to everyone that she must go. Leaving her family and country, Eilis heads for unfamiliar Brooklyn, and to a crowded boarding house where the landlady's intense scrutiny and the small jealousies of her fellow residents only deepen her isolation.

Slowly, however, the pain of parting is buried beneath the rhythms of her new life — until she begins to realize that she has found a sort of happiness. As she falls in love, news comes from home that forces her back to Enniscorthy, not to the constrictions of her old life, but to new possibilities which conflict deeply with the life she has left behind in Brooklyn. In the quiet character of Eilis Lacey, Colm Tóibín has created one of fiction's most memorable heroines and in Brooklyn, a luminous novel of devastating power. Tóibín demonstrates once again his astonishing range and that he is a true master of nuanced prose, emotional depth, and narrative virtuosity. New York Times Bestseller Embrace Hygge (pronounced hoo-ga) and become happier with this definitive guide to the Danish philosophy of comfort, togetherness, and well-being. Why are Danes the happiest people in the world? The answer, says Meik Wiking, CEO of the Happiness Research Institute in Copenhagen, is Hygge. Loosely translated, Hygge—pronounced Hoo-ga—is a sense of comfort, togetherness, and well-being. "Hygge is about an atmosphere and an experience," Wiking explains. "It is about being with the people we love. A feeling of home. A feeling that we are safe." Hygge is the sensation you get when you're cuddled up on a sofa, in cozy socks under a soft throw, during a storm. It's that feeling when you're sharing comfort food and easy conversation with loved ones at a candlelit table. It is the warmth of morning light shining just right on a crisp blue-sky day. The Little Book of Hygge introduces you to this cornerstone of Danish life, and offers advice and ideas on incorporating it into your own life, such as: Get comfy. Take a break. Be here now. Turn off the phones. Turn down the lights. Bring out the candles. Build relationships. Spend time with your tribe. Give yourself a break from the demands of healthy living. Cake is most definitely Hygge. Live life today, like there is no coffee tomorrow. From picking the right lighting to organizing a Hygge get-together to dressing hygge, Wiking shows you how to experience more joy and contentment the Danish way. "I will come back for my revenge." That was Tatiana Rostova's promise to herself as she fought for her life one cold night out at sea, after the two people she loved the most betrayed her and watched as the ruthless ocean tried to swallow her whole. She would even sell herself to the devil—even if the devil came in the form of a six-foot-two, silver-eyed Italian duke named Lucca Cavelli. She would take everything that was rightfully hers—and this will be the start of the wallflower's revenge. From USA Today bestselling author Jennifer Suzevic comes a sexy, new standalone novel. Brayden Kendrick might be God's gift to the female species at Western University, but I want nothing to do with the dark-haired football player. The guy is an attention seeking you-know-what who soaks up fan adoration like it's his due in life for being hot and talented. Damn. Did I just say that? All right, fine...I'll grudgingly admit that Brayden is decent looking. I suppose if you're into guys who resemble Greek gods with abs of steel and chiseled pecs, then sure, one could consider him attractive. Am I guilty of having a tiny, practically non-existent crush on him freshman year? I'd prefer not to answer that question. Thankfully, I quickly came to my senses and have made a concerted effort to steer clear of Brayden ever since. It hasn't been easy, considering that my bestie is now dating his roommate and we've been thrown together for an accounting project. You'd think after years of baring my teeth at him like a rabid dog, the guy would have gotten the memo that I'm not interested. Apparently not, since he's spreading word around campus that we're going out. I mean, can you even imagine? Me? Dating Brayden Kendrick? I have four words for him... No. Way. In. Hell. After she's reunited with her former lover at a week-long house party, a lovely lady finds herself in danger of losing her reputation--and her heart--all over again. Original. An outline of the plan of redemption. This book answers more vital questions about Christianity than any other book. Luke believes in a quote he found in one of his favorite author's book—that if you want something so bad, the universe will conspire to help you get it. Luke must have wanted to find love so much that Eureka, the girl of his dreams and the heroine of his favorite book, comes to life and falls in love with him. There is just one catch: Once Eureka reaches the end of her book's storyline in the real world, then her story with Luke will end, too. Will the universe conspire to help the starcrossed lovers find true happiness with each other? One thing is for sure, Luke will do everything he can to keep Eureka forever. \* Winner of the Andrew Carnegie Medal for Excellence in Fiction \* Winner of the New York City Book Award \* New York Times Bestseller \* A San Francisco Chronicle Top 10 Book of the Year \* A New York Times Notable Book and a Washington Post Notable Fiction Book of 2017 \* A Time

Anna Kerrigan, nearly twelve years old, accompanies her father to visit Dexter Styles, a man who, she gleans, is crucial to the survival of her father and her family. She is mesmerized by the sea beyond the house and by some charged mystery between the two men. Years later, her father has disappeared and the country is at war. Anna works at the Brooklyn Naval Yard, where women are allowed to hold jobs that once belonged to men, now soldiers abroad. She becomes the first female diver, the most dangerous and exclusive of occupations, repairing the ships that will help America win the war. One evening at a nightclub, she meets Dexter Styles again, and begins to understand the complexity of her father ’ s life, the reasons he might have vanished. “ A magnificent achievement, at once a suspenseful noir intrigue and a transporting work of lyrical beauty and emotional heft ” (The Boston Globe), “ Egan ’ s first foray into historical fiction makes you forget you ’ re reading historical fiction at all ” (Elle). *Manhattan Beach* takes us into a world populated by gangsters, sailors, divers, bankers, and union men in a dazzling, propulsive exploration of a transformative moment in the lives and identities of women and men, of America and the world. An astonishingly brave memoir of prostitution and its lingering influence on a woman ’ s psyche and life.

“ The best work by anyone on prostitution ever, Rachel Moran ’ s *Paid For* fuses the memoirist ’ s lived poignancy with the philosopher ’ s conceptual sophistication. The result is riveting, compelling, incontestable. Impossible to put down. This book provides all anyone needs to know about the reality of prostitution in moving, insightful prose that engages and disposes of every argument ever raised in its favor. ” —Catharine A. MacKinnon, law professor, University of Michigan and Harvard University Born into a troubled family, Rachel Moran left home at the age of fourteen. Being homeless, she was driven into prostitution to survive. With intelligence and empathy, she describes the exploitation she and others endured on the streets and in the brothels. Moran also speaks to the psychological damage inherent to prostitution and the inevitable estrangement from one ’ s body. At twenty-two, Moran escaped the sex trade. She has since become a writer and an abolitionist activist. We face a world of increasing turbulence and uncertainty. As a result, social systems at every level including countries, government institutions, business organisations, labour and civil society have to operate in situations of high causal ambiguity and complexity. This is a world characterised by turmoil, conflict, and seemingly insurmountable social, technological, political and ecological problems. It is a world where cause and effect are not easily separated in space and time, where problem-solving approaches relying on knowledge and skills from individual disciplines is incapable of addressing multi-faceted problems and difficulties, and our attempts at problem solving and improvement are short-lived resulting in transitory change accompanied by more problems and unintended consequences. It is therefore imperative that academics, executives, professionals, managers and other practitioners be equipped with conceptual tools, methodologies, and practices for working under such conditions. Conventional analytical approaches (though useful) are insufficient to handle high levels of complexity, mutual and circular causality and inter-dependence. There is a need for more holistic, pluralistic and participatory approaches in order to survive in a highly interconnected, complex, turbulent environment. This calls for a shift in understanding and working with complexity. It requires a trans-disciplinary mindset, a focus on wholism as opposed to reductionism, a people-centered value orientation, a blend of analytical skills with synthesis, the rationality of science combined with intuitive understanding and appreciation of the art of being human, and a posture of intellectual humility that promotes collective endeavours in learning, living, relating and working in a complex world. The main purpose of this book, which consists of thirteen double blind peer reviewed chapters, is to draw on systems thinking and complexity theory to present and develop theoretical frameworks, conceptual models, methodologies and practical

techniques to promote the understanding of complex systems, and to identify ways of intervening to bring about systemic change for improvement. These will apply to all kinds of social systems and organisations, and hence will be appropriate for public sector organisations, corporations, non-government institutions and civil society in general. True crime, memoir, and ghost story, Mean is the bold and hilarious tale of Myriam Gurba ' s coming of age as a queer, mixed-race Chicana. Blending radical formal fluidity and caustic humor, Gurba takes on sexual violence, small towns, and race, turning what might be tragic into piercing, revealing comedy. This is a confident, intoxicating, brassy book that takes the cost of sexual assault, racism, misogyny, and homophobia deadly seriously. We act mean to defend ourselves from boredom and from those who would cut off our breasts. We act mean to defend our clubs and institutions. We act mean because we like to laugh. Being mean to boys is fun and a second-wave feminist duty. Being mean to men who deserve it is a holy mission. Sisterhood is powerful, but being mean is more exhilarating. Being mean isn't for everybody. Being mean is best practiced by those who understand it as an art form. These virtuosos live closer to the divine than the rest of humanity. They're queers. Myriam Gurba is a queer spoken-word performer, visual artist, and writer from Santa Maria, California. She's the author of Dahlia Season (2007, Manic D) which was a finalist for the Lambda Literary Award, Wish You Were Me (2011, Future Tense Books), and Painting Their Portraits in Winter (2015, Manic D). She has toured with Sister Spit and her work has been exhibited at the Museum of Latin American Art in Long Beach. She lives in Long Beach, where she teaches social studies to eighth-graders. The foremost and primary aim of the book is to meant the requirements of students of Anna University, Bharathidasan University, Mumbai University as well as B.E. / B.Sc of all other Indian Universities.
