LIKE TEST PREP presents its English for
Children Series (Book 1-3) LIKE English

(ESL/EFL) Series English for Kids 1-4 (Pre-Kindergarten) English for Children 1-3 (K-6) Open Door to English 1-6 (K-6) 200 English Dialogues (Grade 6-Adults) This second edition of *The History of the English Language- A Sourcebook* provides a comprehensive and accessible guide to the origins and development of the English language. First published in 1992, the book contains over fifty illustrative passages, drawn from the oldest English to the twentieth century. The passages are contextualised by individual introductions and grouped into the traditional periods of Old English, Early Middle English, Later Middle English, Early Modern English and Modern English. These periods are connected by brief essays explaining the major linguistic developments associated with each period, to produce a continuous outline history. For this new edition Professor Burnley has expanded the outline of linguistic features at each of the main chronological divisions and included more selections and illustrations. A new section has also been included to illustrate the language of advertising

from the 18th century to the present. The book will be of general interest to all those interested in the origins and development of the English language, and in particular to students and teachers of the history of the English language at A-level and university. Everyday processes like preparing meals, using the telephone and going to the bank are illustrated with drawings. Key vocabulary is presented for each activity. Suitable in a classroom setting or for self study. This book provides a structured, step by step guide for non-native speakers learning to use English for the purposes of journalism across all media. It is supported by online resources concentrating on the spoken word, intonation and pronunciation

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Are you learning English as a second language?

English for Everyone: Level 3: Intermediate, Practice Book makes learning English easier. More than 700 exercises use graphics and visuals to develop English skills in speaking and

pronunciation, reading, writing, vocabulary, and grammar. Exercises may include finding the errors in sample text messages, reading comprehension questions, fill-in-the-blanks, word order games, and listening questions. English for Everyone: Level 3: Intermediate, Practice Book covers the skills and topics needed for the major global English-language exams, including TOEFL, and uses the same testing methods so you can practice your skills and measure your success. Use this practice book with English for Everyone: Level 3: Intermediate, Course Book so you can work with the books together. And, download the free app and practice online with free listening exercises at www.dkefe.com. Series Overview: English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn.

Once, there was a student who wanted to learn English... He did everything. He did grammar exercises, he looked at lists of vocabulary, he even tried reading books for native speakers. But nothing worked, and he couldn't improve. Then, one day, he found a book just for him. It was full of fun, easy stories that made him laugh and cry, and he understood them perfectly. He flew through the stories, and his English grew with him. He had fun, and so he learned. You can find your happy ending, too. All you need to do is open this book. Easy Stories in English is a collection of 10 fairy tales that will make you fall in love with reading. Get lost in famous stories like Sleeping Beauty and Cinderella, with pictures and explanations of difficult vocabulary. With a scientifically-proven method and a variety of levels for every learner, this book will take your English from OK to Good and from Good to Great! Speak English for Success - ESL Conversations, Topics, and Dialogues is a book of reproducible activities designed for intermediate and

advanced adult conversation classes to help students develop speaking skills through role-playing, discussion, pair work, or small group interaction. This collection of stimulating activities provides students with an opportunity to use English in social situations and to develop their critical thinking skills. Each activity encourages genuine communication, allowing students to voice their own opinions. The contemporary topics presented in this book are real and provocative, allowing students to exchange ideas about a wide range of themes and engage in lively dialogues about issues they face in their daily lives. Some of the topics and activities presented in this book are Tell Me about Yourself - Friends - Language Learning - Cultural Issues - Jobs and Employment - Dating and Relationships - Holidays - Traveling - Crime - Music - In Case of Emergency - Major World Issues - Pets - Movies and Entertainment - What Would You Say or Do? - Up Close and Personal - Newspapers Headlines - Board Games. With such a versatile range of exercises and topics

for discussion, this book is a great tool for teachers, who want to reinforce language skills already taught, and for students, who must interact in English to complete problem-solving tasks, play language-oriented board games, comment on famous sayings, or finish dialogues. Students using this book will acquire better speaking skills as well as greater cultural awareness needed to function in the new society and communicate confidently in English. An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers* Short Stories in English for Intermediate Learners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to B1-approaching B2 on the Common European Framework of Reference, these eight captivating stories will both entertain you, and give you a feeling of progress when reading. What

does this book give you? · Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary · Controlled language at your level, including the 1000 most frequent words, to help you progress confidently · Authentic spoken dialogues, to help you learn conversational expressions and improve your speaking ability · Pleasure! It's much easier to learn a new language when you're having fun, and research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' · Accessible grammar so you learn new structures naturally, in a stress-free way Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including · A glossary for bolded words in each text · A bilingual word list · Full plot summary · Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading,

delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, *Short Stories in English for Intermediate Learners* uses reading as the perfect tool to not only delight in learning English, but to start your journey towards fluency. Routledge English Language Introductions cover core areas of language study and are one-stop resources for students. Assuming no prior knowledge, books in the series offer an accessible overview of the subject, with activities, study questions, sample analyses, commentaries and key readings – all in the same volume. The innovative and flexible ‘two-dimensional’ structure is built around four sections – introduction, development, exploration and extension – which offer self-contained stages for study. Each topic can also be read across these sections, enabling the reader to build gradually on the knowledge gained. *Introducing English Language* is the foundational book in the Routledge English Language Introductions series,

providing an accessible introduction to the English language contains newly expanded coverage of morphology, updated and revised exercises, and an extended Further Reading section comprehensively covers key disciplines of linguistics such as historical linguistics, sociolinguistics and psycholinguistics, as well as core areas in language study including acquisition, standardisation and the globalisation of English uses a wide variety of real texts and images from around the world, including a Monty Python sketch, excerpts from novels such as Virginia Woolf's *To the Lighthouse*, and news items from Metro and the BBC provides updated classic readings by the key names in the discipline, including Guy Cook, Andy Kirkpatrick and Zoltán Dörnyei is accompanied by a website with extra activities, project ideas for each unit, suggestions for further reading, links to essential English language resources, and course templates for lecturers. Written by two experienced teachers and authors, this accessible textbook is an essential resource for all students of the English

language and linguistics. An accessible reference guide for sentence structure and word order in English, ideal for students of English, editors, writers and anyone with an interest in grammar fundamentals. "Help for the student in bridging the gap between the written word as learnt from grammar-books and the living speech as spoken by the native."--Jacket A four-book course satisfying all language needs for lower secondary to CSEC examination level. That English has no diminutives is a common myth. The present study shows, however, that English does possess diminutives, and not only analytic but also synthetic diminutive markers. Analytic markers include, first and foremost, *little*, as well as other adjectives from the same word field, whereas the inventory of synthetic markers comprises suffixes as, for instance, *-ie*, *-ette*, *-let*, *-kin*, *-een*, *-s*, *-er*, *-poo* and *-pegs*. These markers are examined from a grammatical and a pragmatic perspective in an integrative formal-functional framework. The grammatical perspective involves phonological, morphological and

semantic features, while the pragmatic perspective involves pragmalinguistic as well as sociopragmatic features on the levels of the speech act and larger interactive units in dialogue. The findings reveal that English diminutive suffixes are, in fact, among the most productive suffixes of the English language. While the suffixes share a number of features, each has developed its own profile, specifically regarding semantic and pragmatic features. In everyday conversation, there is a division of labour between the synthetic and the analytic type of formation concerning the communicative functions of diminutives and their distribution in discourse. The choice of formal device and its function depend crucially on pragmatic factors, notably on the illocution, the interactive status, the realisation strategy, and the politeness value of the utterances in which diminutives are employed, and also on the relationship between the interlocutors. Presented in two parts, this book firstly introduces core considerations in ESP course development

drawing on examples from a wide range of ESP and EAP courses. Secondly four case studies show how experienced ESP teachers and course developers went about developing courses to meet the needs of their particular learners. Building on a substantial earlier literature, the chapters in this volume further advance knowledge and understanding of properties of the noun phrase in English. The empirical material for the papers includes both historical and present-day data, with the two often shedding light on each other in a process of mutual illumination. The topics addressed are: the structure of nounless NPs like the poor and the obvious; the article/zero alternation in expressions like go to (the) church; developments in the early history of adjective stacking; the semantics of N + clause units in present-day English; the history of N + BE + clause constructions; and the decline of two anaphoric NPs in Early Modern English. The volume will appeal to scholars working in this area and will also help those interested in the general field of English grammar to keep

abreast of recent methods and results in NP-related work. Excerpt from Textbooks in English for Beginning Adults Chapter I I N T R O D _ q C T I O N In Judging a study such as this thesis. Critic usually asks three questions 1. What is the purpose? 2. Is the study worth while? 5. Is it well done? Othe aim in this introductory chapter is to offer answers to questions 1 and 2. Answer to question 3 is left to the teachers who labor in the great field of adult education; to the employers and workers who know the handicap which retards the non English speaking aduAbout the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Welcome to the most exciting English language learner around! The ultimate self-study course is easy to use, quick to learn and works at an advanced level with real depth and detail. Level 4 guarantees an engaging and entertaining experience for adults already accomplished at learning English as a foreign language. This advanced course targets experienced English speakers looking to hone their existing skills. Learn English at the highest level by reinforcing key language skills, grammar rules, and vocabulary with listening, speaking, reading, and writing exercises. At this level the content is more challenging, covering subjects such as family life, business, and news, and media. English for Everyone Course Book Level 4 Advanced covers the major global English-language exams, including TOEFL

and IELTS. This book is part of DK's best-selling English for Everyone series, which is suitable for all levels of English language learners and provides the perfect reading companion for study, exams, work, or travel. With audio material available on the accompanying website and Android/iOS apps bringing vital experience of spoken English, there has never been a better time to learn English. An essential teacher's companion to an innovative, uniquely visual English-language course, this e-guide helps English teachers--including those for whom English is not their native language--create clear, focused lesson plans, explain difficult concepts in a simple and concise way, and make language learning exciting, intuitive, and incredibly easy. This teacher's e-guide is designed to accompany English for Everyone, a comprehensive course in English as a foreign language for adults. English for Everyone combines innovative and systematic visual teaching methods with the best of DK design to make the English language easy to understand and learn. Key language skills, grammar

rules, and vocabulary are reinforced with listening, speaking, reading, and writing exercises, available in print and digital formats. The English for Everyone Teacher's Guide helps busy classroom teachers or one-on-one tutors get the most out of using the course with their students. Its step-by-step guide to the crystal-clear, tightly structured teaching method shows teachers how to explain even the trickiest points of English in an engaging, easy-to-follow way. It also includes instructions for the series' highly versatile exercises, which are primarily suitable for homework, independent study, or one-on-one tutoring, but are readily adapted for classroom or group activities. This book focuses on the most commonly made grammar mistakes by non-native English speakers. This means that you can set yourself a reasonable target. So rather than trying to learn all English grammar, just concentrate on those issues that tend to be used the most frequently and/or tend to create the most misunderstandings. Each chapter contains: Examples of typical mistakes. Examples of

correct usage. Rules / explanations. A short exercise where you can immediately practise what you have learned. Additional exercises. Keys to all exercises. The book also contains a Teachers Introduction.

Easy English! is a series of books to help you learn and revise your English with minimal effort. You can improve your English by reading texts in English that you might well normally read in your own language e.g. jokes, personality tests, lateral thinking games, wordsearches. doing short exercises to improve specific areas grammar and vocabulary, i.e. the areas that tend to lead to the most mistakes - the aim is just to focus on what you really need rather than overwhelming yourself with a mass of rules, many of which may have no practical daily value

Other books in the Easy English! series include:

- Wordsearches:
- Widen Your Vocabulary in English
- Test Your Personality: Have Fun and Learn Useful Phrases
- Word games, Riddles and Logic Tests: Tax Your Brain and Boost Your English
- Top 50 Grammar Mistakes: How to Avoid Them
- Top 50 Vocabulary Mistakes: How

to Avoid Them Excerpt from Essentials of English for Schools, Colleges, and Private Study One of the most gratifying tokens of progress in the present age is the deep interest that both scholars and people are manifesting in the study of our noble English, originating, it has been well suggested, in an intelligent comprehension of what is good and what is great in national history, national institutions, national character. We have seen this study transferred from the nursery to the college curriculum, while there is an ever increasing class of persons so heterodox as to believe that one may be fairly educated without knowing even Shakespeare's 'small Latin and less Greek,' and to advocate that English, which hitherto has sat with exceeding humility in the lower seats of the synagogue, should be bidden, universally, to come up higher. 'I may avow,' says President Eliot, of Harvard, 'as the result of my reading and observation in the matter of education, that I recognize but one mental acquisition as an essential part of a lady or a gentleman - namely, an accurate and a

refined use of the mother-tongue.' About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. This is the first history of dictionaries of English for foreign learners, from their origins in Japan and East Asia in the 1920s to the computerized compilations of the present. Monolingual dictionaries for foreign speakers were a revolutionary development at their outset, and now represent a coming-together of intellectual, technological and commercial forces almost unequalled in

book publishing. As the author shows, the early history of EFL dictionaries was research-driven, arising directly from research in linguistic theory and language pedagogy; now it is user-driven, determined by what users require or are thought to require. The pioneering dictionaries were the work of individuals. Current dictionaries are the products of huge databases manipulated by sophisticated processing, as publishers strive to share an immense and constantly growing global market. The book has both a thematic and a chronological structure. Three chapters describe the historical sequence over a period of some sixty years. These alternate with chapters dealing with phraseology, computers and corpus linguistics, and research into dictionary users and uses - three subjects central to the development of ELT dictionaries over the last thirty years. Dr Cowie examines the way in which availability of massive computing power has transformed the recording and analysis of current speech, and shows how the growth of research into the users and uses

of dictionaries has led to developments both in ELT lexicography and method. This readable and non-technical account is directed both at professionals in applied linguistics and English language teaching, and at lexicographers, but it will interest and fascinate everyone concerned with the analysis of English and faced with the challenge of recording of the subtleties of its grammar and meaning. Have you ever come across a word you thought was German but weren't sure? Have you ever wondered about the meaning of a German word used in English? Are you a German American? Are you studying German? Then this book is for you. Here you will find hundreds of words that have come to English through German, including sometimes surprising and unexpected meanings and very many interesting and often humorous examples from books, magazines, comics, movies, TV, songs and the Internet. Visit www.dkefe.com to find out more. This volume offers research-based studies on English for Specific Purposes in higher education from across the world. By drawing on international studies, the book brings together diverse ESP practices and aspects of relevant issues in the development of ESP programs, teachers and learners in a coherent fashion. There is a growing need for undergraduate students to develop their proficiency of ESP skills and knowledge in the increasingly globalized world. Knowledge of ESP is an important factor in subject matter learning by students, and also closely related to the performance of university graduates in the relevant sectors. Careful planning and efficient implementation are essential to ensure the quality of the language learning process. For a variety of reasons, it proves difficult to maintain ESP instruction in higher education. These reasons include the

incompetence of teachers, lack of materials for that specific context, as well as lack of opportunities for ESP teachers to develop their skills. The chapters in this book, taken from a wide variety of countries, shed light on the diversity of current practices and issues surrounding ESP. This is one of the rare books on English which covers every aspect of the language—vocabulary, pronunciation, grammar and punctuation. It will open a new chapter in the learning process of every student. English is not so easy to learn as claimed by certain fly-by-night teaching centres, but every effort has been made in this book to understand the nuances of the language—and fast. English is one of the richest languages. It has borrowed extensively from all the major languages in the world, including Hindi. Mantra, chutney, dosa, etc have now become English words. A separate list of foreign words is given in this book. Twenty students have 'left' the class means gone out of the class. Twenty students are 'left' in the class means remained in the class. 'That's life' means bad/hard life

while 'This is the life' means good life. A fat chance or a slim chance have the same meaning. Such oddities have been explained in the book quite clearly. This book will be useful not only for students but for all who want to learn English from A to Z and want to use the language with authority. An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in English for Beginners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment!
