*No Biting!* May 06 2022 Can you bite your mom? No! What can you bite? An apple! Karen Katz's books are a must-have for every new mom and dad because they focus on how toddlers grow up and become more social.  
*Teeth Are Not for Biting* Aug 09 2022 "Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts." Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling *Hands Are Not for Hitting* Board Book, *Teeth Are Not for Biting* gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they're hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.  
**Lovely Hands Are Not For Hitting** May 18 2023 lovely hands are not for hitting but for what? find out in this wonderful book. THE ways kids use their hands to Touch and feel are the most influential way a child senses the environment and learns to interact with others. Best Behaviors of children is important and the family members along with the school should strive to reinforce unkind traits that a child will often model or may be affected by. This wonderful picture book for toddlers tells them no hitting is good because it hurts. and first readers is a perfect way to share the message that lovely hands are not for hitting book will instill reassurance to a child who has experienced "unkind hands". **Baseball: Teach Your Kid to Hit...So They Don't Quit!** Mar 24 2021 Kevin Gallagher has written a book that provides a process to parents and coaches on how to teach children to hit a baseball or a softball. It is a process that will dramatically increase the chances of any child to make contact with the ball. Hitting a baseball is hard and very few people know how to teach children or young adults how to hit. Throwing batting practice to a child is not teaching them to hit. This book is designed to convince the vast audience of Parents that they, regardless of their background, can teach their child to make contact with a baseball/softball, by providing a simple process that will make sense to them and their child. If we don't teach our kids to hit, they will get frustrated and quit. The book is an easy read and is a story of the state of Baseball today, and takes us on a journey on how the length of Major League games, the late hour finishes, the Launch Angle Swing and the infatuation of the Home Run, as well as the amount of non-action during games, has all contributed to the games declining popularity in America and the disappearing participation of America's youth. It is a story full of anecdotes, quotes and eye popping statistics that makes the book enjoyable, but always leading to the inevitable conclusion that making contact with the baseball is the only way you will keep a child involved in the game?? and ultimately create more action inside the game. At the book's conclusion, Kevin lays out a simple 8 Step Process to make contact with the ball. It is a process for the parent to learn, understand, and own. Then, and only then, the parent will have the knowledge and confidence to teach their child. In addition to the written process, and numerous entertaining illustrations, there are links to a 24 minute instructional video broken down step-by-step to help you visualize what is being taught.

*A Friend Is Someone Who...* Jul 28 2021 Do you remember your first friend? Your friends always find a way to double your joys and halve your sorrows. This fun, rhyming book helps children understand the value of having friends and of being a friend to others.

*Zach Gets Frustrated* Dec 01 2021 Zach and his family go to the beach, but Zach is having a lousy day. First, he dropped his toothbrush in the toilet. Then his best friend went to someone else's birthday party instead of joining him. But most frustrating of all, he can't get his kite to fly! Zach kicks sand, yells angry words, and asks his dad if they can just go home. Instead, his dad teaches him a simple, three-step approach to dealing with frustration so he can find a way to enjoy himself even when things aren't going his way: Name it (why are you frustrated?) Tame it (self-regulation exercises such as deep breathing or visualization) Reframe it (change your thoughts to change your feelings). *Zach Gets Frustrated* teaches children social skills they will easily understand and remember when dealing with frustration. The three-point strategy is presented as the three corners of a triangle and is illustrated using the corners of Zach's kite. *Zach Rules Series* Zach struggles with social issues like getting along, handling frustrations, making mistakes, and other everyday problems typical of young kids. Each book in the *Zach Rules* series presents a single, simple storyline involving one such problem. As each story develops, Zach and readers learn straightforward tools for coping with their struggles and building stronger relationships now and in the future.

**My Bedtime Stories** Mar 04 2022

**What to Do When You Feel Like Hitting** Jun 19 2023 Teach toddlers safe ways to express big feelings Toddlers are still learning how to speak, socialize, and understand their emotions. It's common for them to react with their hands when they get frustrated--but hitting is never okay. What to Do When You Feel Like Hitting helps toddlers understand why hitting is not allowed and shows them how to react to their feelings with actions that are safe and kind. This illustrated entry into no hitting books for toddlers features: Alternatives to hitting--Kids will learn how to use "gentle hands" to squeeze a stuffed animal when they feel upset, scribble a picture to get out their frustration, and practice taking deep breaths to calm down. A light touch--The language is kid-friendly and positive, encouraging toddlers to understand and communicate their feelings, not just keep their hands to themselves. Engaging illustrations--Big, beautiful pictures help kids see the ideas in action and keep their attention on the page. Get the best in no hitting books for toddlers with a storybook that helps them learn empathy and compassion.

**Winners Don't Whine and Whiners Don't Win** Aug 17 2020 A Book About Good Sportmanship. "But I HATE losing! GEEEEZE!" Wendell HAS to win at everything, and if he doesn't, he whines about it. When Wendell has one of those days where nothing seems to go his way, his mom helps him understand that everything in life doesn't have to be a contest and losing does not make you a loser. In fact, it can make you stronger! She also points out that although it feels great to celebrate a win, winning isn't everything, and whining about things just makes it worse. "Whiners aren't winners, and winners never whine. You can't win at everything all of the time!" This creative story addresses two very challenging topics: winning and whining.

**It's Hard to Be a Verb** Apr 24 2021 Being a verb is hard! Especially for Louis, who can't seem to control himself when he gets the urge to move at the wrong time and situation. My knees start itching. My toes start twitching. My skin gets jumpy. Others get grumpy. Louis' mom comes to the rescue by teaching him techniques to help keep his inner itching, twitching and jumping to be a verb in check. A positive resource for anyone dealing with ADHD or challenged by someone who has ADHD.

**Taking Care of Myself** Jun 14 2020 This book is designed to address the health and safety needs of students aged five and up with autism spectrum disorders.

**No Hitting, Henry** May 14 2020 Children will follow Henry as he deals with his feelings of anger and his bad habit of hitting through various situations involving friends and family. His big brother Ben cheats at hide-and-seek. A group of children playing in the park leave him out of their game. His father asks him to behave while they shop. Readers are given a description of the situation, three choices, the action chosen by the character, and consequences of that choice. The interactive question-and-answer approach engages the reader in real-life situations while the charming, colorful illustrations keep the tone of the book whimsical and playful.

**I Love You Rituals** Oct 11 2022 I Love You Rituals offers more than seventy delightful rhymes and games that send the message of unconditional love and enhance children's social, emotional, and school success. Winner of a 1999 Parent's Guide Children's Media Award, these positive nursery rhymes, interactive finger plays, soothing games, and physically active can be played with children from infancy through age eight. In only minutes a day, these powerful rituals: Prime a child's brain for learning Help children cope with change Enhance attention, cooperation, and self-esteem Help busy families stay close Affirm the parent-child bond that insulates children from violence, peer pressure, and much more. Easy to learn and especially effective in stressful situations, I Love You Rituals gives parents, grandparents, caregivers, and teachers inspiring tools to help children thrive.

**Sometimes I'm Bombaloo** Jan 14 2023 A warm book about losing your temper, and how to feel like yourself again. With its bright illustrations and sweet story, this title is the perfect read aloud for librarians, teachers, and parents. Five-year-old Katie is a good kid -- most of the time. But sometimes...well, sometimes, say when her little brother knocks down her beautiful castle after she told him not to touch it and she knows she'll never be able to make it look that good again...sometimes Katie gets so mad she's Bombaloo, she's just not herself. Being Bombaloo is scary. But a little time out and a lot of understanding from Mom help Bombaloo calm down. And cleaning up the mess that Bombaloo made, then sharing hugs and sorries with her family, help Katie feel like Katie again.

**The Moment of Lift** Feb 20 2021 NEW YORK TIMES BESTSELLER "In her book, Melinda tells the stories of the inspiring people she's met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace." — President Barack Obama "The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what's possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page." — Brené Brown, Ph.D., author of the New York Times #1 bestseller Dare to Lead "Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever." — Malala Yousafzai "Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms." — Tara Westover, author of the New York Times #1 bestseller Educated A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. "How can we summon a moment of lift for human beings – and especially for women? Because when you lift up women, you lift up humanity." For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she's learned from the inspiring people she's met during her work and travels around the world. As she writes in the introduction, "That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live." Melinda's unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

**What If Everybody Did That?** Feb 15 2023 "Text first published in 1990 by Children's Press, Inc."

**Elevating Child Care: A Guide to Respectful Parenting** May 26 2021 Janet Lansbury's advice on respectful parenting is quoted and shared by millions of readers worldwide. Inspired by the pioneering parenting philosophy of her friend and mentor, Magda Gerber, Janet's influential voice encourages parents and child care professionals to perceive babies as unique, capable human beings with natural abilities to learn without being taught; to develop motor and cognitive skills; communicate; face age appropriate struggles; initiate and direct independent play for extended periods; and much more. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and to connect with our child. "Elevating Child Care" is a collection of 30 popular and widely read articles from Janet's website that focus on some of the most common infant/toddler issues: eating, sleeping, diaper changes, communication, separation, focus and attention span, creativity, boundaries, and more. Eschewing the quick-fix 'tips and tricks' of popular parenting culture, Janet's insightful philosophy lays the foundation for a closer, more fulfilling parent/child relationship, and children who grow up to be authentic, confident, successful adults.

*Back to School Alphabet Phonics Letter of the Week B* Jun 07 2022 I have made this Phonics Letter of the Week unit to address the Kindergarten(Prep) level of learning. The contents of this packet provide teachers with a variety of games, activities and worksheets to help teach correct letter formation, written letter identification and recognition of initial letter sound. My aim when creating this book was to provide a unit for teaching one letter of the alphabet at a time. There is a great emphasis on letter sounds, which makes this an ideal tool for phonics teaching. There are 30 games, activities and worksheets that can be used to help you teach the letter Bb at the beginning of the year and to reinforce and consolidate what has been learnt throughout the year.

**I Can't Do That!** Oct 31 2021 This book introduces you to the concept of social stories which are a positive and practical way to help children with special educational needs (SEN) who are struggling with social rules and conventions. The new edition of this book has over 90 examples of social stories, including over 30 new stories and also contains a new section on why social stories are important, how to use them in your setting, and how to write your own social stories. Suitable for use with children of any age, the book includes examples for those children with language delays, communication difficulties, difficult behavior, antisocial behavior, as well as those with autism. A great book for any setting, the stories are practical and achievable, the language is down to earth and believable, and the subjects include those that we are often embarrassed to deal with.

**Soda Pop Head** Jul 16 2020 "There goes Lester. Watch him fester. His ears start to fizz. He gets mad as a griz. His face turns red. He's a Soda Pop Head. You just never know when Lester will blow. His cap will go flying. If it hits you, you'll be crying, so you'd better stay away from Lester today!" His real name is Lester, but everyone calls him "Soda Pop Head." Most of the time he's pretty happy, but when things seem to be unfair his ears get hot, his face turns red and he blows his top! Lester's dad comes to his rescue by teaching him a few techniques to "loosen the top" and cool down before his fizz takes control. Soda Pop Head will help your child control his/her anger while helping them manage stress. It's a must for the home or classroom.

**Lady B Spots Trouble** Apr 12 2020 Lady B Spots Trouble Volume 1 of the Allowed to Say NO! Series A safe way of having a big conversation with young children about unwanted touch. A companion Colouring Book and Kindergarten Teacher's Guide (downloaded for free from author's website) facilitates teaching personal safety skills in an easy and age-appropriate manner. Jesse, an adventurous boy of 5, meets Lady B, a feisty karate-chopping but safety-conscious ladybug, on his Wishing Spot – the first branch of his backyard oak tree. Jesse heroically searches for hidden treasure, but sometimes it's dangerous, and his instincts tell him something is unsafe; the same feeling he gets when his neighbour hugs him too tight. Jesse and Lady B navigate these adventures, not just with lifejackets and seatbelts, but with the secret power of instinct. Safety is a Tricky Business! Who to talk to in these worrying moments? Jesse sits on Granny's red kitchen stool and listens when she says, "Feelings are like the wind. They blow and howl and shake everything and later it's all quiet like they were never there. But sometimes they just don't go away." Granny tells Jesse, "If you get a No Feeling, you're allowed to say 'NO!' and ask adults you trust for Help!"

**Social Skills Matter!, Grades PK - 2** Oct 19 2020 Help your students learn how to communicate effectively, make good choices, and practice appropriate behavior with Social Skills Matter! This book includes reproducible mini-books for children to assemble, color, read, and make their own. Each mini-book focuses on a different facet of important social skills including cooperative play, learning about feelings, communication, school-day behavior, manners, and behavior management. Mastery of these essential social skills can be a factor in determining a child's future success, social acceptance, and happiness. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children.

**Kindergators: Hands Off, Harry!** Sep 29 2021 "Guess what happened at school today!" Kindergators work and play happily in Miss Harmony's class. But Harry isn't being a good classmate! He's disrupting Friendly Circle, causing accidents, and upsetting the class. Can the Kindergators find a way to help Harry learn to respect personal space? Beloved picture book author-illustrator Rosemary Wells brings her signature humor and trademark knack for understanding young readers to this new series, perfect for classroom use or for reading and sharing at home.

**Someone I Love Died** Dec 21 2020 From best-selling and beloved author Christne Harder Tangvald comes an updated and revised edition of her classic book of comfort for grieving children, filled with heart-healing words, fresh watercolor illustrations, and practical resources that help adults guide children through loss. First published in 1988, Someone I Love Died has long comforted the hearts of children 4 to 8 who have lost someone close. It gently leads children through grief with age-appropriate words and solid biblical truth that understands a child's hurting heart. The added interactive resources ensure this book will become a treasured keepsake. Once complete, children create a memory book of the loved one's life. And it offers grown-ups a tool that turns what could be a difficult season into a meaningful time of healing.

**Zach Apologizes** Nov 19 2020 When Zach shoves his little brother to the floor, he knows he did something wrong. Even so, it's hard to apologize. Like any seven-year-old, Zach tries to ignore the problem, but finally, with his mom's help, he learns how to make an apology in four steps: say what you did name how it made the other person feel say what you could have done instead make it up to the person. Zach Apologizes teaches children social skills using a strategy presented as the "four-square" apology. It is illustrated with prompts so kids will easily understand and remember how to make an apology. Zach Rules Series Zach struggles with social issues like getting along, handling frustrations, making mistakes, and other everyday problems typical of young kids. Each book in the Zach Rules series presents a single, simple storyline involving one such problem. As each story develops, Zach and readers learn straightforward tools for coping with their struggles and building stronger relationships now and in the future.

**The New Social Story Book** Dec 13 2022 Different social stories to help teach children with autism everyday social skills.

**Express Your Big Emotions With No Hitting** Jan 22 2021 Discover a fresh new way to combat hitting behavior with your toddler -- help them manage their big, scary feelings in a positive way. Has your smiling bundle of joy turned into a little monster overnight? Can a playdate turn into a tantrum in the blink of an eye? Do you ever cringe in horror when another parent tells you your child has hit theirs at nursery? Rest assured: you're not alone. You've probably heard of the 'terrible twos', and it's such a common phrase for a good reason. When your child is going through the toddler stage of development, they're experiencing deep emotions that they don't yet have the language to express. Sadness, anger, frustration, and even tiredness can all come out in aggressive behavior, often in the form of hitting others. But just because this is a normal stage of development, it doesn't mean that there's nothing you can do about it. By understanding what your little one is going through and helping them to understand and deal with their emotions, you can set them on the path to gentle and aggression-free play. Express Your Big Emotions With No Hitting is a book with a difference: it's not a children's book; it's not a parenting book... It's a book designed for both you and your child to help you navigate this challenging time together. Your child will be made aware of their behavior -- through a simple, relatable story and beautiful illustrations, your child will learn everything they need to know about why they sometimes hit people and what they can do instead. Read the story with your child, and then settle down with a coffee and learn the psychology behind your child's behavior, before getting ready to implement tried-and-tested strategies for dealing with hitting behavior in toddlers. In Express Your Big Emotions With No Hitting, you'll find a simple and rewarding way to deal with hitting -- hand-in-hand your child. You'll discover: A delightful story to read with your child to involve them in the process from the very beginning Clear insights into why your child is behaving this way so you can understand exactly what you're dealing with Practical strategies for handling your child's behavior in the moment How to recognize your own reactions and manage them to promote positive behavior in your child Clever tactics for preparing for potential hitting scenarios before they happen How to recognize when your child's hitting may be a sign of something deeper A simple 3-step plan for managing aggressive behavior Helpful language and phrases you can use with your child to promote the behaviors you want to see And much more. If you're at your wits' end with your toddler's hitting, take heart. This phase will end, and there are things you can do to help them get there.

Tackle the problem head-on with your child. Use this book as a tool to help you become a feelings-managing team and learn positive behavior together. If you're desperate to help your toddler express their emotions without hitting, then scroll up and click "Add to Cart" right now.
