Historical Fiction (medieval). New Edited Edition. It is 1315 AD. Rotting in prison, condemned as a heretic, Knight Templar Richard Savage is given a chance of reprieve if he returns to his homeland of Ireland. There is a catch: He must work as a spy for King Edward of England. Scotland and England are at war. The Scots intend to invade Ireland and someone in Ireland is helping them. Savage returns to a land where he cannot be sure who to trust. Robert Bruce, King of Scotland, is said to possess a mysterious treasure, and many are flocking to his cause. Efficient, brutal killers are on the loose and in the middle of it all is Alys de Logan, Savage's former love who he abandoned to join the Templars, who some say has become a witch. Amid feasts, tournaments and war, Savage discovers he left more than just memories behind in Ireland. Can he decide whose side he is on, where Bruce's secret treasure is and above all, stay alive? Describes the anatomical features that make the California sea lion the fastest animal in the water, includes fascinating facts about its habits and behavior, and compares its speed to that of other animals. Your greatest regret at the end of your life will be the lions you didn't chase. You will look back longingly on risks not taken, opportunities not seized, and dreams not pursued. Stop running away from what scares you most and start chasing the God-ordained opportunities that cross your path. In a Pit with a Lion on a Snowy Day is inspired by one of the most obscure yet courageous acts recorded in Scripture, a blessed and audacious act that left no regrets: "Benaiah chased a lion down into a pit. Then, despite the snow and slippery ground, he caught the lion and killed it" (2 Samuel 23:20 -21). Unleash the lion chaser within! #InAPit "Mark has become one of the most important voices for a new generation. Anything he touches changes lives. Read this book and you'll see what I mean." — Craig Groeschel, pastor of Life.Church, author of Chazown and Dare to Drop the Pose "As a leader and teacher, Mark Batterson brings imagination, energy, and insight. I appreciate his willingness to take bold risks and go to extraordinary lengths to reach our culture with a message that is truly relevant." — Ed Young, senior pastor, Fellowship Church "Don't settle for a normal life. Conquer your fears, accept His anointing, jump into that pit, chase the lion, and watch God's Kingdom come in amazing ways." — Christine Caine, founder of Propel Women, author of Unashamed "My lungs began to burn as I started sprinting. It wasn't just that I wanted to catch Fritz. I had the distinct feeling that I was chasing him, that I had to catch up with him, before something caught up with me." How long must we pay for the crimes of our youth? That is just one question Christopher Swann explores in this compulsively readable debut, a literary thriller set in the elite—and sometimes dark—environs of Blackburne, a prep school in Virginia. When Matthias Glass's best friend, Fritz, vanishes without a trace in the middle of an argument during their senior year, Matthias tries to move on with his life, only to realize that until he discovers what happened to his missing friend, he will be stuck in the past, guilty, responsible, alone. Almost ten years after Fritz's disappearance, Matthias gets his chance. Offered a job teaching English at Blackburne, he gets swiftly drawn into the mystery. In the

shadowy woods of his alma mater, he stumbles into a web of surveillance, dangerous lies, and buried secrets—and discovers the troubled underbelly of a school where the future had once always seemed bright. A sharp tale full of false leads and surprise turns, *Shadow of the Lions* is also wise and moving. Christopher Swann has given us a gripping debut about friendship, redemption, and what it means to lay the past to rest. From flat-topped acacia trees to great migrations of wildebeest across an edgeless expanse of grass, the Serengeti is one of the world's most renowned ecosystems. And at the apex of this incredible landscape prowls its seemingly indomitable ruler: the Serengeti lion. These majestic mammals are skillful hunters, iconic, and integral to Serengeti health. But they also commit infanticide; eat local people and destroy local livelihoods; are a source of profit for those who make money shooting or conserving them (and sometimes both); and are in constant danger from the encroachments of another species: humans. With *Lions in the Balance*, celebrated lion researcher and conservationist Craig Packer takes us back into the complex, tooth-and-claw worlds of lion conservation and behavior. A sequel to Packer's *Into Africa*—which gave many readers their first experience of field work in Africa, of Tanzanian roads, of long hours spent identifying lions by their ear marks and scars, and of the joys of bootlegged Grateful Dead tapes beneath savannah moons—this diary-based chronicle of adventure, real-life danger, and corruption will both alarm and entertain. Packer's story offers a look into the future of the lion, one in which the politics of conservation will require survival strategies far more creative and powerful than any now possessed by the citizens of the savannah—humans included. Packer is sure to infuriate poachers, politicians, and conservationists alike as he minces no words about the problems he sees. But with a narrative stretching from Arusha to Washington, DC, and marked by Packer's signature humor and incredible candor, *Lions in the Balance* is a tale of courage against impossible odds, a masterly blend of science and storytelling, and an urgent call to action that will captivate a pride of readers.

The drama of the Old Testament comes to life as Judah's most notorious king ascends to the throne in this gripping novel from the award-winning author of *Isaiah's Daughter*. At eight years old, Shulle has known only life in a small village with her loving but peculiar father. When Uncle Shebna offers shelter in Jerusalem in exchange for Shulle's help tutoring King Manasseh, Judah's five-year-old co-regent who displays the same peculiarities as her father, she's eager to experience the royal court. But Shulle soon realizes the limits of her father's strict adherence to Yahweh's Law when Uncle Shebna teaches her of the starry hosts and their power. Convinced Judah must be freed from Yahweh's chains, she begins the subtle swaying of young Manasseh, using her charm and skills on the boy no one else understands. When King Hezekiah dies, twelve-year-old Manasseh is thrust onto Judah's throne, bitter at Yahweh and eager to marry the girl he adores. Assyria's crown prince favors Manasseh and twists his brilliant mind toward cruelty, beginning Shulle's long and harrowing journey to discover the Yahweh she'd never known, guided with loving wisdom by Manasseh's mother: Isaiah's daughter, the heartbroken Hephzibah. Amid Judah's dark days, a desperate remnant emerges, claiming the Lord's promise, "Though we're helpless now, we're never hopeless--because we serve El Shaddai." Shulle is among them, a girl who becomes a queen through Isaiah's legacy. After the death of virtually all of her family in the battle of Camlan, Goewin--Princess of Britain, daughter of the High King Artos--makes a desperate journey to African Aksum, to meet with Constantine, the British ambassador and her fiance. But Aksum is undergoing political turmoil, and Goewin's relationship with its ambassador to Britain makes her position more than precarious. Caught between two countries, with the power to transform or end lives, Goewin fights to find and claim her place in a world that has suddenly, irrevocably changed. . . . You look straight ahead. You try to breathe normally. You can smell the scent of the huge cat that is staring back. You are a cameraman. He is the King of Beasts. Your only thought is "I hope he has eaten today." Let National Geographic Explorers-in-Residence Dereck and Beverly Joubert bring you closer to the power and majesty of the regal African lion. With fewer than 25,000 wild lions now left on Earth, the authors make a passionate plea to young readers to take an active role in securing a future for these magnificent creatures. WINNER OF THE JEWISH QUARTERLY WINGATE PRIZE 10 WOMEN TO WATCH IN 2017--BookPage A New York Times Notable Book of 2017 After one night's deadly mistake, a man will go to any lengths to save his family and his reputation. Neurosurgeon Eitan

Green has the perfect life--married to a beautiful police officer and father of two young boys. Then, speeding along a deserted moonlit road after an exhausting hospital shift, he hits someone. Seeing that the man, an African migrant, is beyond help, he flees the scene. When the victim's widow knocks at Eitan's door the next day, holding his wallet and divulging that she knows what happened, Eitan discovers that her price for silence is not money. It is something else entirely, something that will shatter Eitan's safe existence and take him into a world of secrets and lies he could never have anticipated.

WAKING LIONS is a gripping, suspenseful, and morally devastating drama of guilt and survival, shame and desire from a remarkable young author on the rise. Why Tibetan monks are setting themselves on fire Since the 2008 uprising, nearly 150 Tibetan monks have set fire to themselves in protest at the Chinese occupation of their country. Most have died from their injuries. Author Tsering Woeser is a prominent voice of the Tibetan movement, and one of the few Tibetan authors to write in Chinese. Her stirring acts of resistance have led to her house arrest, where she remains under close surveillance to this day. *Tibet On Fire* is her account of the oppression Tibetans face and the ideals driving those who resist, both the self-immolators and other Tibetans like herself. With a cover image designed by Chinese dissident artist Ai Weiwei, *Tibet on Fire* is angry and cogent: a clarion call for the world to take action.

Meet Daniel. A Transformed Man Who Transformed His World. What does an ancient Jewish prophet have to do with modern America? What, if anything, can we learn from a man who lived 2,400 years ago as a captive in the land we now call Iraq? As it turns out, quite a bit. David and Jason Benham are convinced the biblical example of Daniel holds the keys to contemporary Christians living victoriously in a world increasingly hostile to people of faith. Like Daniel, many believers today find themselves in an unfriendly environment, one opposed to the God they serve. Yet, like Daniel, they must learn how to take a stand while serving the people around them. *Living Among Lions* is for Christian brothers and sisters who have the potential to transform their world but find themselves standing in the shadows wondering how to respond in an unfriendly environment. Divided into three sections, *Living Among Lions* covers three distinct characteristics that made Daniel strong: Conviction, Commitment, and Courage. Daniel possessed all of these qualities and lived them out. As a result, God gave him unprecedented favor and supernatural power. A mere slave living in exile, Daniel emerged as one of the most powerful men in the known world. Daniel's conviction, commitment, and courage empowered him not merely to survive in Babylon but to thrive. He did not conform to his world; he transformed his world. "Vintage Follett . . . This is his most ambitious novel and it succeeds admirably." —USA Today Ellis, the American. Jean-Pierre, the Frenchman. They were two men on opposite sides of the Cold War, with a woman torn between them. Together, they formed a triangle of passion and deception, racing from terrorist bombs in Paris to the violence and intrigue of Afghanistan—to the moment of truth and deadly decision for all of them. . . . Even the King of the Jungle needs help sometimes, but who is brave enough to help such a powerful beast? Courage comes in all sizes in Aesop's classic fable, *The Lion and the Mouse*. Readers who are familiar with this timeless tale and those who are new to the story will love the simple, beautiful language of this retelling. Endearing illustrations enrich the narrative and draw in even reluctant readers. The unlikely friendship between a grouchy lion and a fearless mouse introduces readers to important concepts such as respecting differences and using one's weaknesses as strengths. With relatable characters and a poignant moral, this book is sure to become a favorite in any library.

Detective John Corey, last seen in *Plum Island*, now faces his toughest assignment yet: the pursuit and capture of the world's most dangerous terrorist -- a young Arab known as "The Lion" who has baffled a federal task force and shows no sign of stopping in his quest for revenge against the American pilots who bombed Libya and killed his family. Filled with unrelenting suspense and surprising plot twists at every terrifying turn, *The Lion's Game* is a heartstopping race against time and one of Nelson DeMille's most riveting thrillers. More than a story about one brave lion, this book offers an introduction to life science by looking at the workings of an ecosystem, the methods of scientists and environmentalists, and the interconnection between the plant, animal, and human systems. A Good Morning America Book Club Pick and a New York Times bestseller! "A page-turner for booklovers everywhere! . . . A story of family ties, their lost dreams, and

the redemption that comes from discovering truth.”—Adriana Trigiani, bestselling author of *The Shoemaker's Wife* In New York Times bestselling author Fiona Davis's latest historical novel, a series of book thefts roils the iconic New York Public Library, leaving two generations of strong-willed women to pick up the pieces. It's 1913, and on the surface, Laura Lyons couldn't ask for more out of life—her husband is the superintendent of the New York Public Library, allowing their family to live in an apartment within the grand building, and they are blessed with two children. But headstrong, passionate Laura wants more, and when she takes a leap of faith and applies to the Columbia Journalism School, her world is cracked wide open. As her studies take her all over the city, she is drawn to Greenwich Village's new bohemia, where she discovers the Heterodoxy Club—a radical, all-female group in which women are encouraged to loudly share their opinions on suffrage, birth control, and women's rights. Soon, Laura finds herself questioning her traditional role as wife and mother. And when valuable books are stolen back at the library, threatening the home and institution she loves, she's forced to confront her shifting priorities head on . . . and may just lose everything in the process. Eighty years later, in 1993, Sadie Donovan struggles with the legacy of her grandmother, the famous essayist Laura Lyons, especially after she's wrangled her dream job as a curator at the New York Public Library. But the job quickly becomes a nightmare when rare manuscripts, notes, and books for the exhibit Sadie's running begin disappearing from the library's famous Berg Collection. Determined to save both the exhibit and her career, the typically risk-averse Sadie teams up with a private security expert to uncover the culprit. However, things unexpectedly become personal when the investigation leads Sadie to some unwelcome truths about her own family heritage—truths that shed new light on the biggest tragedy in the library's history. The author of the critically acclaimed, award-winning debut novel, *Lamb* returns with “a story of haunted histories and broken promises” (*O, The Oprah Magazine, Must-Read Book of the Summer*). Set on the Colorado high plains, the town of Lions is nearly deserted. Built to be a glorious city, it was never fit for farming, mining, trading, or any of the industries its pioneers imagined. The Walkers have been settled on its barren terrain for generations—a simple family in a town still enthralled by promises of bigger, better, and brighter. But when a stranger appears, his unsettling presence sets off a chain reaction that will change the fates of everyone he encounters. When the patriarch John Walker dies, his son Gordon must choose between leaving for college with his girlfriend, Leigh, or staying with his family to look after their failing welding shop—and carry on a mysterious family legacy. While Leigh is desperate to make a better life in the world beyond Lions, Gordon is strangely hesitant to leave it behind. And as more families abandon the town, it seems that listening to reason must come at the cost of betraying his own heart. “Nadzam weaves a strange and mesmerizing story” that explores ambition and an American obsession with self-improvement, the responsibilities we have to ourselves and each other, as well as the everyday illusions that pass for a life worth living (*Publishers Weekly*). One of the Bible's most notorious women longs for a love she cannot have in this captivating novel from the award-winning author of *Isaiah's Legacy*. “Mesu Andrews yet again proves her mastery of weaving a rich and powerful biblical story!”—Roseanna M. White, author of *A Portrait of Loyalty Before she is Potiphar's wife, Zuleika is the daughter of a king and the wife of a prince. She rules the isle of Crete alongside her mother in the absence of their seafaring husbands. But when tragedy nearly destroys Crete, Zuleika must sacrifice her future to save the Minoan people she loves. Zuleika's father believes his robust trade with Egypt will ensure Pharaoh's obligation to marry his daughter, including a bride price hefty enough to save Crete. But Pharaoh refuses and gives her instead to Potiphar, the captain of his bodyguards: a crusty bachelor twice her age, who would rather have a new horse than a Minoan wife. Abandoned by her father, rejected by Pharaoh, and humiliated by Potiphar's indifference, Zuleika yearns for the homeland she adores. In the political hotbed of Egypt's foreign dynasty, her obsession to return to Crete spirals into deception. When she betrays Joseph—her Hebrew servant with the face and body of the gods—she discovers only one love is worth risking everything. "'Draw'" is an inadequate way to describe what the Lions did here. They stopped one point short of a miracle.' *Daily Telegraph* Warren Gatland's *In the Line of Fire* is the ultimate chronicle of this summer's remarkable Lions tour to New Zealand - home of the fearsome All Blacks, the double world champions - which*

culminated in an historic and nerve-shredding series draw. The book is the Head Coach's candid record of the perspiration and inspiration, the withering ferocity, and the turbulent peaks and troughs which go hand-in-hand with one of sport's toughest challenges. It gives rugby fans an unparalleled front-row seat with the squad and coaching team during every facet of preparing for and executing a successful tour on the opposite side of the planet, recounting intriguing details on everything from pre-tour planning and strategy, to on-tour experiences, analysis and decision-making. It all adds up to a thrillingly definitive exposition and post-mortem of a mind-blowing six weeks in the cauldron which forged the mighty All Blacks. How do lions hunt? Alexander the Great stands alone as a leader and strategist, and Fire from Heaven is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. Fire from Heaven is the first volume of the Novels of Alexander the Great trilogy, which continues with The Persian Boy and Funeral Games. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel Sometimes at the lowest point in your life, fate will slip you a gift. Exotic adventure and a

quest for redemption collide in this stunning new novel from Jane Johnson. Kate Fordham, escaping terrible personal trauma, has fled to the beautiful sunlit city of Granada, the ancient capital of the Moors in Spain. There she is scraping by with an unfulfilling job in a busy bar. One day, in the glorious gardens of the Alhambra—once home to Sultan Abu Abdullah Mohammed—Kate finds a scrap of paper hidden in one of the ancient walls. Upon it, in strange symbols, has been inscribed a message from another era. The message has lain undiscovered since before the Fall of Granada in 1492, when the city was surrendered to Queen Isabella and King Ferdinand. Born of love, in a time of danger and desperation, the fragment will be the catalyst that changes Kate's life forever. An epic saga of romance and redemption, *Court of Lions* brings one of the great turning-points in human history to life, telling the dual stories of a modern woman and the last Moorish sultan of Granada, as they both move towards their cataclysmic destinies. Although the Detroit Lions haven't had much luck in championships, they show courage and spirit on the field. They have produced some amazing star power, including Hall of Fame running back Barry Sanders! The complete 3-book historical Christian fiction series by the New York Times bestselling author of *Redeeming Love* and *The Masterpiece*. Travel to first-century Rome in this classic series and discover what has inspired millions of readers worldwide. This Collection bundles all three titles from the *Mark of the Lion* series into one volume. *A Voice in the Wind*, the first book in the trilogy, introduces readers to Hadassah, a young Jewish girl captured and sold into slavery but still holding firm to her faith in God. Though torn by her love for a handsome aristocrat, Hadassah becomes a shining beacon of light in the darkness and depravity around her. In *An Echo in the Darkness*, Marcus, a wealthy Roman aristocrat touched by Hadassah's sincere belief, begins to wonder if there's more to this life. As he continues to search for meaning and faith, he is led by a whispering voice from the past that could set him free from the darkness of his soul. The trilogy concludes with *As Sure as the Dawn*, which follows Atretes, the high chief of a Germanic tribe who fought as a gladiator and won his freedom. As Atretes sets out to return home with his infant son, only one thing stands in his way: Rizpah, a Christian widow who has cared for the baby since his birth. All three books in this latest Collection include a preface from Francine Rivers and discussion questions suitable for personal and group use. "Francine Rivers puts readers right into the history of the moment." —*Romantic Times* "Francine Rivers without a doubt is one of the finest storytellers of our generation. . . . No one reading her books will ever be the same again." —Debbie Macomber, New York Times bestselling author "As we 'watch' Hadassah and Atretes struggle through first-century trials, we learn how to handle similar situations in the twenty-first century. The 'costumes' may vary, but our Lord does not change." —Angela Hunt "Francine redefined Christian fiction—honest, unflinching, powerful, life-changing—demonstrating why storytelling is the most effective way to communicate God's truth. Every Christian novelist writing today owes a debt of gratitude to Francine Rivers for lighting the way." —Liz Curtis Higgs "Francine Rivers writes from her heart to touch the hearts of her readers. Her books are essential reading for all who love Christian fiction." —Bodie Thoene When the president is kidnapped during his ski holiday in Colorado, disavowed Secret Service Agent Scott Harvath is his only hope of rescue. Tracking the kidnapper to Switzerland, and with the ambitious Claudia Muehler of the Swiss Federal Attorney's Office to assist him, the pair are forced to go it alone as they realise the kidnapping plot reaches some of the highest levels of the Swiss Intelligence community. In a race against time, they must scale the treacherous heights of Mt. Pilatus, uncover a hidden military fortress secreted beneath its peak, and defeat the formidable force that stands between them and the safe return of the president - the deadly men known as the Lions of Lucerne. Look out for the adrenaline-fuelled new

Brad Thor novel, Code of Conduct, published in July 2015! From the bestselling author of Gates of Fire and Killing Rommel, the thrilling true story of one of the most unlikely and astonishing military victories in history. June 5, 1967. Israel is surrounded by enemies who want nothing less than her utter extinction. The Soviet-equipped Egyptian Army has massed a thousand tanks on the nation's southern border. Syrian heavy guns are shelling her from the north. To the east, Jordan and Iraq are moving mechanized brigades and fighter squadrons into position to attack. June 10, 1967. The Arab armies have been routed, their air forces totally destroyed. Israel's citizen-soldiers have seized the Gaza Strip and the Sinai Peninsula from Egypt, the Golan Heights from Syria, East Jerusalem and the West Bank from Jordan. Moshe Dayan has entered the Lion's Gate of the Old City of Jerusalem to stand with the paratroopers who have liberated Judaism's holiest site—the Western Wall. Drawing on hundreds of hours of interviews with veterans of the war—fighter and helicopter pilots, tank commanders and Recon soldiers, paratroopers, as well as women soldiers, wives, and others—bestselling author Steven Pressfield tells the story of the Six Day War as you've never experienced it before. A critically acclaimed historical novel "that roars" (Kliatt), from the author of the National Book Award-winning novel Homeless Bird. Africa is the only home Rachel Sheridan has ever known. But when her missionary parents are struck with influenza, she is left vulnerable to her family's malicious neighbors. Surrounded by greed and lies, Rachel is entangled in a criminal scheme and sent to England, where she's forced into a life of deception. Like the lion, she must be patient and strong, awaiting the moment when she can take control of her own fate—and find her way home again at last. Named one of New York Public Library's One Hundred Titles for Reading and Sharing, this tale of a strong young heroine "in the tradition of Frances Hodgson Burnett" (School Library Journal), by award-winning master of historical fiction Gloria Whelan, is a perfect read for schools and classrooms, as well as for fans of A Long Walk to Water by Linda Sue Park. "Wright shrinks back from nothing."—The Village Voice "Wright belongs to a school of exactly one."—The New York Times Book Review "Wright has found a way to wed fragments of an iconic America to a luminously strange idiom, eerie as a tin whistle."—The New Yorker "C.D. Wright is one of America's oddest, best, and most appealing poets."—Publishers Weekly A companion to her astonishing collection of prose Cooling Time, C.D. Wright argues for poetry as a way of being and seeing, and calls it "the one arena where I am not inclined to crank up the fog machine." Wright's passion for the genre is pure inspiration, and in her hands the answer to the question of poetry is poetry. From "In a Word": I love the nouns of a time in a place, where a sack once was a poke and native skag was junk glass not junk and junk was just junk not smack and smack entailed eating with your mouth open, and an Egyptian one-eye was an egg, sunny side up, and a nation sack was a flannel amulet, worn only by women, to be touched only by women, especially around Memphis. Red sacks for love and green for money... C.D. Wright's most recent volume, One With Others, was a National Book Award finalist. Among her many honors are the Griffin Poetry Prize and a MacArthur Fellowship. She teaches at Brown University and lives outside of Providence, Rhode Island.
