Four festive tales of the supernatural, apocalyptic and blood-sucking variety—an antidote for anyone who occasionally finds Christmas overly sentimental or commercialised and likes to escape to somewhere darker. In Ghosts of Christmas Past, a newly-wed couple spend every Christmas in the same remote country cottage. It's their 'thing' and they're not about to let tragedy get in the way. In I Saw Mommy Kissing Santa Claus, a small boy creeps downstairs to see his mother in the embrace of a crimson-robed stranger. But Jake's not convinced: since when did Santa have long teeth and red, glinting eyes? In Rottin' Around the Christmas Tree, Nia decorates the tree while her parents look on. But this is not just another Christmas—it is the time of The Cleansing, the time when family life and the world as we know it are ending. In Christmas 'Midst the Zombie Apocalypse, two survivors sit out winter on the edge of an overrun city. Their efforts to enjoy Christmas Day as normally as possible turn out to be a mistake; a potentially fatal one. It's Christmas... five months after the Yellowstone supervolcano erupted, blacked out the sun and covered most of the western US in ash. Thirteen-year-old Natalie, her younger brother Liam, baby Olivia and family dog Bud are among the few still holding out in the evacuation zone. Day to day survival is hard enough, but Natalie is determined to give Liam and Olivia an unforgettable Christmas... after the end of the world. And who knows, maybe they'll even get a true Christmas miracle... This is a post-apocalyptic holiday novelette of 10000 words or approx. 35 print pages. When the worst thing that can happen happens, will you be able to survive? Laurie Esplin is spending summer break from college in her hometown of Wesley. As far as she's concerned, this small town - full of kind people - is just about heaven on earth. Her fiancé Aaron makes it even better. When a series of terrorist attacks happen, Laurie is concerned but is positive they're safe in Wesley. She's wrong. As the small town she loves spirals out of control, madness and mania seem to take over. And Laurie isn't immune to the lunacy. She struggles to cope with the new reality they are now living - both physically and mentally. Can Aaron provide the stability she needs as her mental illness takes over, while still keeping them safe in this chaotic new world?

NOW A MAJOR MOTION PICTURE • Set in the near-future, Into the Forest is a powerfully imagined novel that focuses on the relationship between two teenage sisters living alone in their Northern California forest home. Over 30 miles from the nearest town, and several miles away from their nearest neighbor, Nell and Eva struggle to survive as society begins to decay and collapse around them. No single event precedes society's fall. There is talk of a war overseas and upheaval in Congress, but it still comes as a shock when the electricity runs out and gas is nowhere to be found. The sisters consume the resources left in the house, waiting for the power to return. Their arrival into adulthood, however, forces them to reexamine their place in the world and their relationship to the land and each other. Reminiscent of Margaret Atwood's *A Handmaid's Tale*, Into the Forest is a mesmerizing and thought-provoking novel of hope and despair set in a frighteningly plausible near-future America. Praise for Into the Forest “[A] beautifully written and often profoundly moving novel.”—San Francisco Chronicle “A work of extraordinary power, insight and lyricism, Into the Forest is both an urgent warning and a passionate celebration of life and love.”—Riane Eisler, author of *The Chalice and the Blade* “From the first page, the sense of crisis and the lucid, honest voice of the . . . narrator pull the reader in. . . . A truly admirable addition to a genre defined by the very high standards of George Orwell's 1984.”—Publishers Weekly (starred review) “Beautifully written.”—Kirkus Reviews “This beautifully written story captures the essential nature of the sister bond: the fierce struggle to be true to one's own self, only to learn that true strength comes from what they are able to share together.”—Carol Saline, co-author of *Sisters* “Jean Hegland's sense of character is firm, warm, and wise. . . . [A] fine first novel.”—John Keeble, author of *Yellowfish* Summary Ishmael's Apocalypse Ishmael's Apocalypse is a mystery thriller with intriguing true-to-life terrorism that can happen at any moment in any nation on earth. The story unfolds within an odyssey of world events, during a timeline the author calls 'his last seven days of grace'. This period begins seven days prior to the Jewish New Year in the Hebrew Calendar year of 5777. The mystery 'who is Ishmael' is archetypal, connecting the main characters with secret twists and uncertain turns, pulsing through the storyline. Its action packed scenes engage modern military weapons in authentic places. Unlike typical action novels, this plot incorporates the spiritual nature of people and the significant influence that world religions play on the governing of sovereign nations. The themes of national pride and moral

values are succinctly questioned. Each apocalyptic scene moves your mind, body and soul into a future realm of terror on a grand scale. Even so, the magnitude of events will not overshadow the value of one human life. Author's Biography Lloyd R. Little Lloyd Little is the third of nine Irish Catholic children. He was born to Laura and Joseph Little in Philadelphia, Pennsylvania. He attended Catholic grade school in suburban Pennsylvania. At the age of ten, his parents moved to the New Jersey countryside. Lloyd has three college degrees. They include a Master of Arts Degree in education from Glassboro State College, recently renamed Rowan University. He taught in the public schools for eight years and coached numerous sports. During this time, he relocated to the Jersey Shore, opening a small business with his wife Joyce. Ishmael's Apocalypse is a reflection of the faith he received during his Catholic school years and pursued during his adult life. The End Time interpretations in this story incorporate teachings found throughout many world religions. Anna And The Apocalypse Zombie Tree Silhouette Christmas/h3> The "Pumpkin Halloween End is Near Apocalypse Gift" shirt is the perfect gift idea for zombie lovers. Cool Birthday, Christmas, Xmas for Best Friends, Colleagues and Family. A new cookbook/survival guide/love letter to Montreal for these apocalyptic times, from the James Beard Award–nominated culinary adventurers and proprietors of the beloved restaurant, Joe Beef. “The first Joe Beef cookbook changed forever what a cookbook could be. Anything that came after had to take it into account. Now, with this latest and even more magnificent beast, the rogue princes of Canadian cuisine and hospitality show us the way out of the numbing, post-apocalyptic restaurant Hell of pretentiousness and mediocrity that threatens to engulf us all. It makes us believe that the future is shiny, bright, beautiful, delicious—and probably Québécois. This book will change your life.” —Anthony Bourdain It’s the end of the world as we know it. Or not. Either way, you want Joe Beef: Surviving the Apocalypse in your bunker and/or kitchen. In their much-loved first cookbook, Frédéric Morin, David McMillan, and Meredith Erickson introduced readers to the art of living the Joe Beef way. Now, they’re back with another deeply personal, refreshingly unpretentious collection of more than 150 new recipes, some taken directly from the menus of Fred and Dave’s acclaimed Montreal restaurants, others from summers spent on Laurentian lakes and Sunday dinners at home. Think Watercress Soup with Trout Quenelles, Artichokes Bravas, and seasonal variations on Pot-au-Feu—alongside Smoked Meat Croquettes, a Tater Tot Galette, and Squash Sticky Buns. Also included are instructions for making your own soap and cough drops, not to mention an epic 16-page fold-out gatefold with recipes and guidance for stocking a cellar with apocalyptic essentials (Canned Bread, Pickled Pork Butt, and Smoked Apple Cider Vinegar) for throwing the most sought-after in-bunker dinner party Filled with recipes, reflections, and ramblings, in this book you’ll find chapters devoted to the Québécois tradition of celebrating Christmas in July, the magic of public television, and Fred and Dave’s unique take on barbecue (Burnt-End Bourguignon, Cassoulet Rapide), as well as ruminations on natural wine and gluten-free cooking, and advice on how children should behave at dinner. Whether you’re holing up for a zombie holocaust or just cooking at home, Joe Beef is a book about doing it yourself, about making it on your own, and about living—or at least surviving—in style. Excerpt from The Times of the End: Five Sermons of the Apocalypse, Preached on the Four Sundays in Advent, and on Christmas Day, 1848 We have also a more sure word of prophecy, where-unto ye do well that ye take heed, as unto alight shining in a dark' place, until the day dawn, and the day star arise in your hearts. An incredibly illogical take on the classic Dickens ghost story, filled with in-jokes, comical brutality, a generous handful of swear words and more knocker fiddling than a Carry On Convention.
