" Takasu Ryuuji might look like a thug, but he's actually a nice guy. Making friends when you've got an unintentionally scary face is tough--and don't even get him started on girlfriends. But with his secret crush in his class, the start of his second year of high school is off to a good start...until he crosses paths with Aisaka Taiga. Beautiful, frightening, and not quite five feet tall, the girl known as the palmtop tiger is the one person in school even scarier than Ryuuji himself--and he's just made the mistake of making her very, very angry. " After rescuing Muno Barony from disaster, Satou and crew head for dwarf territory and rescue an Oracle priestess from the demons! But for some reason, the attacks just keep coming... After defusing another flash point in the ongoing fracas between the Winfield Kingdom and the Church, Col and Myuri are more than ready to take a breather. Of course, the world has other plans for the infamous Twilight Cardinal. As the pair leisurely make their way to a famous monastery, they stumble upon a fallen squire who carries a desperate plea for help. With the world's strongest holy order of knights on the brink of dissolution and

Col apparently to blame, there's no time to waste! "[A] novelization of the hit anime film Bungo Stray Dogs: Dead Apple"--Back cover. Tegneserie. Fantasy. Millennia ago, mankind fled the earth's surface into the bottomless depths of the darkest oceans. Shielded from a merciless sun's scorching radiation, the human race tried to stave off certain extinction by sending robotic probes far into the galaxy to search for a new home among the stars. Generations later, one family is about to be torn apart in a conflict that will usher in the final race to save humanity from a world beyond hope As Kyouka fights her past demons, the threat of a three-way war between the Armed Detective Agency, the Guild, and the Port Mafia looms. With each side fortifying their defenses, who will seize the initiative and land the first crushing blow? After an attack by the Guild's fellowcrafts, the Agency's chances for survival might just be gone with the wind... DADDY ISSUES As fall draws to a close, the looming Cultural Festival already has everyone descending into stress and squabbling when a new threat looms--a sudden appearance from Taiga's father! Can Ryuuji help the volatile Palmtop Tiger deal with her deadbeat dad, or will this new tension split them even further apart? And what happens if reconciling Taiga with her dad means losing her as a neighbor? In the sort of autumn afternoon that leaves maidens sighing, new enemies arrive in Akiba! And these enemies are more terrifying than any monster--they're human. Worse, their target is the very system at the heart of the city--the Round Table Council! Will the tenuous government that Shiroe has worked so hard to build survive this latest threat? In the kingdom of Re-Estize, a sinister organization known as the Eight Fingers holds sway of the criminal underworld. Ainz orders Sebas to infiltrate the capital to gather intel on this shadowy group sucking the marrow from the kingdom's bones. At the same time, a young soldier named Climb struggles to hone his skills to better serve the "Golden Princess" while the once great warrior Brian returns home a broken man... Against the backdrop of an ancient city fraying at its edges, three men will challenge the corruption of the vicious Eight Fingers! New Beginnings in Familiar Lands After a horrific accident put her on life support, the last vestige of freedom Keina Kagami had was in the VRMMORPG World of Leadale. When she wakes up in the body of her game avatar, though, Keina--now Cayna--finds that the worries of her old life appear to be a thing of the past, but somehow this new land doesn't seem to be quite the Leadale she remembers... " The promised vacation is here: Ryuuji, Taiga, Kitamura, and Minori are going with Ami to her parents' lavish beachside villa! Ryuuji and Taiga hatch a plan to help Ryuuji get closer to Minori--they're going to scare the daylights out of her with a series of pranks, so Ryuuji can swoop in to save the day! But the supposedly idyllic trip has a few frights in store that none of them foresaw... " By all appearances, Western Restaurant Nekoya is a normal restaurant serving normal people--but unbeknownst to the regulars, it also

attracts an alternative clientele. Every Saturday, all manner of fantastical beings come to dine, and what is familiar fare to humans can be downright exotic for visitors from beyond. To these customers, Nekoya is known by a different name: Restaurant to Another World. READERS BEWARE: Opening this book may lead to uncontrollable drooling and a grumbling belly! Ikebukuro, Tokyo. All kinds of people are showing up to settle their scores with Izaya Orihara the information broker. A pair of foreigners who specialize in odd jobs. A runaway girl still looking for her Shizuo. A fellow dressed like a bartender who looks like he's had better days. A womanizer set on getting his revenge against the Dollars. An underground doctor waiting for someone to come home. A class representative with a clueless classmate pal and a target on his back. And a headless rider who can't help getting sucked into trouble. When a team arrives to eliminate the threat, Shidou becomes embroiled in a war to protect these spirits--by making them fall in love with him?!"-- With the repairs to his dingy one-bedroom apartment completed, Maou needs a new TV, so...the Devil's going digital! The trouble is, Maou and Ashiya don't know the first thing about flat-screens, so they bring Emi's friend Rika along with them to the local big-box electronics outlet. For some reason, Suzuno ends up coming along, and it turns into a shopping tour with the whole gang! BREAK THE CURSE! Noir and his friends spent the last days of summer vacation saving the town of Honest from a monster siege. Now they get to meet a king! From there, it's back home, back to school, and back to exploring the infinite labyrinth of the hidden dungeon. Noir has a new mission, after all: free his master Olivia from her curse, no matter the cost. It's not about the destination... What's your favorite story? Does it have a hero who slays a dragon and saves a princess? Or a child of prophecy destined for greatness? Well, my favorite story is a little different. It's the tale of a witch who travels the world, seeking nothing in particular. With no quest of her own, she's free to wander wherever the wind takes her, adding a few pages to the story of whomever she meets before setting off on her next adventure. At the end of her travels, the witch takes on an apprentice who will one day begin her own journey. And so the cycle continues, or so the story goes. Now, the witch who starts the story anew...who could she be? TOO HOT TO HANDLE Arc, Arianne, Chiyome, and Goemon voyage to the southern continent in pursuit of Arc's newest culinary obsession: chili peppers! But when a dark figure from Chiyome's past returns to haunt her, and a nightmarish demon lays siege to a human city before the group's

eyes, the skeleton knight and his crew realize they might have bitten off more than they can chew. Fresh encounters and warm reunions abound on the next leg of Elaina's journey. In addition to travels involving a witch in a bird cage, a ruthless princess, a phantom thief, and a pinch of stardust, there have even been whispers of...love? It's important to keep your work life and personal life separate... right? Well, the two are about to collide for Adachi Eiko when her boss, Macaron, stumbles into a fight with her fiancé in a bar! Now, to keep her influential father from taking his anger out on Amagi Brilliant Park, Macaron will have to win him over. Can he, Seiya, and Tricen put on a show good enough to impress the discerning doctor? And what sinister magical device has Seiya arranged to help facilitate the process?! With the addition of Kaori into their party, Hajime and his friends make for Myu's hometown, the coastal city of Erisen. While crossing the Gruen Desert, they save a young Ankajian man, Bize, from a sandworm attack. Apparently, he was searching for a cure to the mysterious disease that has struck his people. His travels led him to conclude that a mineral known as stillrock held the key to saving his country, but it can only be found inside the Grand Gruen Volcano, a labyrinth far too dangerous for most. Hajime agrees to help Bize procure some, and the party begins their quest to conquer yet another labyrinth. But along the way, they meet a most unexpected foe... The controlled chaos continues as Seiya, Rista, and the Dragonkin quite literally blaze a trail through the S-ranked world Gaeabrande. But when Reaper makes an appearance, Seiya is forced to reveal a tactic that he had planned on saving for the fight against the Demon Lord. A fantasy isekai adventure about a man who has to restart life...as an egg?! (And don't miss the manga adaptation, also from Seven Seas.) In a world full of dangerous monsters, our unnamed protagonist finds himself reborn at the very bottom of the food chain as an immobile, powerless egg. Even just hatching will require leveling up by fighting monsters--the same monsters who'd love to eat him as a snack. But with the help of the mysterious voice in his head, he's determined to grow into the most powerful creature in the world! The mysterious terrorist group calling itself the Eye of the Midnight Sun has been repelled from the Clover Kingdom, but the damage done is great. One of the Magic Knight captains has been gravely injured and Asta's been kidnapped. How will the Wizard King respond...? -- VIZ Media ONE FINAL DREAM Sacrificing himself to shield Earth from the devastation of the Third Impact, Shinji's mind floats untethered from his body. He lingers in a space where time stands still, trapped in the moment of the impact. As Armaros swallows Heurtebise and defeat seems near, Asuka tries to use the memories of their classroom days together to wake Shinji from his new, shattered reality. The final volume! The second semester kicks off, and the students hit the ground running--literally, with a school-wide sports festival! With Class-D's future on the line, Ayanokouji has to decide how far he'll go to avoid the limelight--and reckon with the consequences of letting everyone glimpse his true abilities on the field! The FINAL ARC of LOW! Salus rises. The Burnt Legion attacks. Stel Caine faces the

greatest challenge to her hope yet: the rage of her daughter, the Helmswoman, Delia. It all ends here lovingly rendered by the legendary art team of TOCCHINI and McCAIG! Collects LOW #20-26 Thanks to their tireless study and discipline, Nanao and her friends are starting to develop a reputation as dependable upperclassmen. Meanwhile, Enrico brings Pete to his laboratory deep in the labyrinth, with Nanao and Oliver secretly close behind. There, the two friends stumble upon a horrifying abyss and get a glimpse of the longstanding conflict between mages and Gnostics. This may be the perfect opportunity for Oliver to finally exact his revenge on the mad old man...! When someone asks if you're a guardian spirit, you say...?I've really done it this time. After I saved my old classmate who's been reborn as an overpowered vampire, the townspeople took it upon themselves to worship me like some kind of guardian spirit. Not that I'm complaining about the delicious free food, but...I'm a loner by nature! I'm TERRIBLE at dealing with people! And they're not monsters, so it's not like I can just kill them to make them go away. What am I gonna do...? WE ARE NOT THE SAME.Live to fight. Die with honor. That was all the Eighty-Six knew, and they were proud. However, seeing themselves reflected in the Sirins-slaughtered by the thousands, with nothing to show for it--a crack has formed in their ironclad resolve. Shin's mind festers with doubt. At the same time, Lena's heart tears at the seams as she struggles to understand him. Will the two find common ground over the course of the United Kingdom operation? Or will they only drift further apart...? All good things must come to an end The barrier of Chanteur, the First Beast Who Laments for the Moon, has shattered, and in the aftermath, a young red-haired Visitor gets separated from her partner, Carmine Lake. The redhead's subsequent peaceful days with a certain "Willie," whose memories have been sealed away, are numbered. Meanwhile, the duty of fighting the calamitous Beasts has fallen to Ithea and Rhantolk as Beast Number Two, Aurora, the Piercing One, comes ever closer to Regule Aire...Once everything comes to a head, the curtain will finally close on this tale of the faerie soldiers and their young instructor. IT'S NOT ABOUT THE DESTINATION... Fresh encounters and warm reunions abound on the next leg of Elaina's journey. A witch in a birdcage. A distant princess and a phantom thief. A pinch of stardust. " Rudeus, Roxy's esteemed disciple, has disappeared along with most of the Fittoa Territory after a mysterious blinding light engulfed it. Now, Roxy's journey to find him begins.
