Boardroom Impact Feb 20 2023 Boards are all about people. And it's the "people issues" that can be really difficult for CEOs, senior management and even the Board Chair in working with the Board of Directors. The CHRO is often the only member of the executive team considered an expert in "people issues". Because of this, CHROs are often consulted in boardroom issues that go well beyond their traditional boardroom "wheelhouse" in compensation - from director performance management to board evaluations. The chapters of this book are based on the author's 25 years of experience working with nearly 200 Boards of Directors - in the S&P1500 and around the world. They're designed to equip CHROs to expand their boardroom influence and amplify their contributions in building a high performing board. They include: (i) An Overview of the Board/Management Relationship; (ii) The Best Tool in Board-Building: Board Evaluations with Impact; (iii) Building a Board-Worthy Executive Team; (iv) Optimizing Board Composition and Director Orientation; (v) Director Performance Management Tools - That Actually Work; (vi) CEO Succession Planning - the Roadmap; (vii) Helping a New CEO to Build a Great Board Relationship.

Great Camp Sagamore Apr 24 2023 Great Camp Sagamore was built by William West Durant and bought by Alfred Vanderbilt in 1901 to be his family's Adirondack retreat. Vanderbilt and his wife, Margaret, welcomed family and friends, who enjoyed its sprawling grounds and buildings for decades. After Margaret's death, though, the camp changed hands and began to decline until it was rescued by preservationists and then became a National Historic Landmark in 2000. Today, visitors to the camp participate in maintaining its grandeur, learning about and preserving the past. Read the remarkable story of one of the most unique places in the Adirondacks, written by Sagamore's director, Beverly Bridger.
