The early Christians saw in Jesus the focus and fulfillment of the conviction that God is with us. Over time, they learned to speak of that presence in terms of divine incarnation. That one theological affirmation raises questions for practically all other Christian beliefs. If God is incarnate in Jesus of Nazareth, how does that change our understanding of God's presence in all things? What does it mean to be human if the life of God has been so intimately joined to human life? How can we say "God is with us" when there is so much suffering and evil in the world? What do we mean by "us"? Just us Christians or all of us? Just human beings or also the whole creation? If we find life in the wider cosmos, is God with them too? Looking through the lens of the incarnation, how wide is the divine embrace? In this volume, Anna Case-Winters demonstrates that the doctrine of the incarnation of God in Christ is not simply one belief among others; it is the cornerstone on which all other Christian convictions are built. Throughout, she carefully lays out the consequences for Christian belief and Christian life of the ancient confession that in Christ, "the whole fullness of deity dwells bodily." Winner of the Hugo Award! In *A Psalm for the Wild-Built*, bestselling Becky Chambers's delightful new Monk and Robot series, gives us hope for the future. It's been centuries since the robots of Panga gained self-awareness and laid down their tools; centuries since they wandered, en masse, into the wilderness, never to be seen again; centuries since they faded into myth and urban legend. One day, the life of a tea monk is upended by the arrival of a robot, there to honor the old promise of checking in. The robot cannot go back until the question of "what do people need?" is answered. But the answer to that question depends on who you ask, and how. They're going to need to ask it a lot. Becky Chambers's new series asks: in a world where people have what they want, does having more matter? Freemantle Foreword by Stephen Freemantle Back in print, The Psalms of David is a unique, beautifully illustrated edition of the revered religious work, also known as the Book of Psalms. The lifework of a little known genius, this facsimile edition of a magnificent hand-painted illumination of the Psalms of David is a stunning tribute to love and spiritual devotion. Born in India, James Freemantle traveled through the Middle East during his years in the British Army. Shortly after his second marriage, he began this hand-lettered, illustrated volume for his beloved bride, Clara. For the next thirty years, he periodically worked to transfer the psalms into a book that would physically match the lyrical beauty of the poetry. Throughout the book one finds the brilliantly colored blooms of India: the jacaranda, the flame-of-the-forest, huge yellow laburnums, brilliant poinsettias, and highly scented mimosa. The pages are alive with kingfishers and larks, drummers and hoppie butterflies, storks and pheasants. There are pictures of the lake near Freemantle's home, the nearby Brahmin temple, and the view from the train as he went up to school in the hills. Scenes from his travels in the army, Middle Eastern harbors and villages, and copies of illustrations from Victorian travel books reveal his draftsman's training in the accuracy of every detail. A labor of love, a work of art, a volume to treasure, this illuminated edition of the King James version of the Psalms of David is the perfect gift for all seasons. The Sixth & Seventh Books of Moses was originally published in Germany, in 1849. Its author by the name of Johann Scheibel is shrouded in mystery. The author claimed that the seals and invocations given in the book came from ancient Hebrew sources, particularly the Talmud. It is not sure whether or not his claims were based on truth, although Talmudic scholars will probably deny that there are any references in Talmudic literature to the Sixth & Seventh Books of Moses. While the original source of the book will probably never be ascertained, its popularity and durability can hardly be denied. The revised edition is an attempt at the reorganization of a work, long hailed by occult masters as a valuable tool in the study and practice of cabalistic magic. "Sakpata (Babalz) is the god of suffering. He teaches his worshippers to cope with misfortunes (particularly disease). For the worthy person it is like an initiation: a death and resurrection into a mature, richer life." The Bible is a magic book! THIS book tells you just how to use it"--Excerpt from Amazon.com. One of the most beloved books of the New Testament, the Gospel of Matthew speaks with eloquence and power. Among the Gospels, Matthew paints a fuller picture of the life, ministry, and teachings of Jesus. Anna Case-Winters's incisive commentary reveals that Matthew is clearly a theological book. It is about God's saving work in Jesus Christ. Moreover, it is presented in a way that easily lends itself to the task of teaching and preaching. Case-Winters highlights five themes that shape the distinctive portrait of Jesus this Gospel offers. Here we see Jesus facing up to conflict and controversy, ministering at the margins, overturning presuppositions about insiders and outsiders, privileging the powerless, demonstrating the authority of ethical leadership, challenging allegiance to empire, and pointing the way to a wider divine embrace than many dared imagine. Case-Winters captures the core of Matthew's unique Gospel, which speaks powerfully to the life of Christian faith today in the midst of our own issues and struggles. The Psalms are the longest, shortest and middle chapters of the Bible and probably the most famous. It has been largely overlooked by the various churches that there is a mystical quality inherent to the Psalms. The pages in this book contain a variety of uses to which the Psalms have been applied. By saying the particular Psalm over and over with an intent, a specific purpose may be achieved. Magickal workings found in the Psalms, developed over a millennium for the modern conjurer to use today. Cattle cars filled with skeletal men emptied into a train yard in Colmar, France. Luzek and the other prisoners marched under the whips and fists of SS guards. But here, unlike the taunts and rocks from villagers in Poland and Germany, there was applause. "I could clearly hear the people calling: 'Shame! Shame!' . . . Suddenly, I realized that the people of Golmar were applauding us! They were condemning the inhumanity of the Germans!"". Can a barren city lot become a church? This is the story of an audacious journey. It's the story of what happens when people garden, worship, and eat together—and invite anyone and everyone to join them. In *This Is God's Table*, writer and pastor Anna Woofenden describes the way that the wealthy and the poor, the aged and the young, the housed and unhoused become a community in this once-empty lot. Together they plant and sustain a thriving urban farm, worship God, and share a weekly meal. Together they craft a shared life and a place of authenticity where all are welcome. Readers of Nadia Bolz-Weber, Sara Miles, and Diana Butler Bass will find here a kindred vision for a church without walls. As churches across the Western world wither, what would it take to find a raw, honest, gritty way of doing church—one rooted in place, nurtured by grace, and grounded in God's expansive love? What would it take to carry the liturgy outside the gates? What if we were to discover that in feeding others, we are fed? This is God's table. Come and eat.*
