For introductory and advanced composition courses. When Muriel Harris was first asked about the tutoring textbooks she used in her Purdue University writing center, she said she didn't use any. At that time she hadn't found any text that could effectively help her students. When asked what would make a textbook effective, the answer came easily: 30 years of tutoring experience had taught her that a truly useful textbook would have ways to help students find the information they were seeking without having to know the terminology, would be clear and easy to understand for all students, and would be written in a student-friendly language and tone to avoid the intimidating formal instructional tone of some handbooks. Before long, these principles became the foundation of Harris's Prentice Hall Reference Guide, now its 7th edition. With new material and emphasis on writing research papers, visual argument, multimedia, document design, and a visual guide to documentation, PHRG 7e continues to help students find the information they need. With easy to find information, clarity of instruction, and a student-friendly language and tone, PHRG 7e continues to help students effectively use and understand their handbook. For first year composition courses. Prentice Hall Reference Guide , Ninth Edition, is a tabbed, spiral-bound handbook is written to help all writers, including students who may not know proper terminology, quickly find the information they need. Waterloo, builds on the approach that has made the American edition so successful. This concise, thorough, well organized, and user-friendly handbook is comprised of twelve tabbed sections, ranging in topics from The Writing Process to Punctuation, aimed at addressing all forms of writers' needs. Two guides, "Question and Correct" and "Compare and Correct," allow students to find what they need to improve their writing, without needing to know the grammatical terms or rules. This makes the Prentice Hall Reference Guide for Canadian Writers an invaluable resource for entry level English writing and composition courses, as well as all students who need help with grammar, research, and documentation.
