On assignment for his first cover story for Rolling Stone, the very first national cover story on Eminem, Anthony Bozza met a young blond kid, a rapper who would soon take the country by storm. But back in 1999, Eminem was just beginning to make waves among suburban white teenagers as his first single, "My Name Is," went into heavy rotation on MTV. Who could have predicted that in a mere two years, Eminem would become the most reviled and controversial hip-hop figure ever? Or that twelve months after that, Eminem would sit firmly at the pinnacle of American celebrity, a Grammy winner many times over and the recipient of an Oscar. did eminem change or did america finally figure him out? Whatever You Say I Am attempts to answer this question and many more. Since their first meeting, Bozza has been given a level of access to Eminem that no other journalist has enjoyed. In Whatever You Say I Am, original, never-before-published text from Bozza's interviews with Eminem are combined with the insight of numerous hip-hop figures, music critics, journalists, and members of the Eminem camp to look behind the mask of this enigmatic celebrity. With an eye toward Eminem's place in American popular culture, Bozza creates a thoughtful portrait of one of the most successful artists of our time. This is so much more than a biography of a thoroughly well-documented life. It is a close-up look at a conflicted figure who has somehow spoken to the heart of America. I thought I heard God's call. I was on the path to religious Brotherhood. Life was going smoothly, and then suddenly, I met Robert, a teen whose life was filled with trials never faced by people decades older. Yet he was the epitome of generosity and unconditional love. Little did I know the inspiration and complete change of direction that would result. Within popular music there are entire genres (jazz "standards"), styles (hip hop), techniques (sampling), and practices (covers) that rely heavily on references between music of different styles and genres. This interdisciplinary collection of essays covers a wide range of musical styles and artists to investigate intertextuality—the shaping of one text by another—in popular music. The Pop Palimpsest offers new methodologies and frameworks for the analysis of intertextuality in popular music, and provides new lenses for examining relationships between a variety of texts both musical and nonmusical. Enriched by perspectives from multiple subdisciplines, The Pop Palimpsest considers a broad range of intertextual relationships in popular music to explore creative practices and processes and the networks that intertextual practices create between artists and listeners. With a childhood that was made up of no father, being beat up by schoolmates, and dropping out of high school, no one expected much from Eminem, but in that same childhood, Eminem would find an escape from it all through hip-hop music. Not only does this hip-hop biography stress his struggles coming up, but it highlights how Eminem has become one of the most successful hip-hop stars of all-time. America's Songs III: Rock! picks up in 1953 where America's Songs II left off, describing the artistic and cultural impact of the rock 'n' roll era on America's songs and songwriters, recording artists and bands, music publishers and record labels, and the all-important consuming audience. The Introduction presents the background story, discussing the 1945-1952 period and focusing on the key songs from the genres of jump blues, rhythm 'n' blues, country music, bluegrass, and folk that combined to form rock 'n' roll. From there, the author selects a handful of songs from each subsequent year, up through 2015, listed chronologically and organized by decade. As with its two preceding companions, America's Songs III highlights the most important songs of each year with separate entries. More than 300 songs are analyzed in terms of importance—both musically and historically—and weighted by how they defined an era, an artist, a genre, or an underground movement. Written by known rock historian and former ASCAP award winner Bruce Pollock, America's Songs III: Rock! relays the stories behind America's musical history. This book provides an enlightening, representative account of how rappers talk about God in their lyrics—and why a sense of religion plays an intrinsic role within hip hop culture. Why is the battle between good and evil a recurring theme in rap lyrics? What role does the devil play in hip hop? What exactly does it mean when rappers wear a diamond-encrusted "Jesus" around their necks? Why do rappers acknowledge God during award shows and frequently include prayers in their albums? Rap and Religion: Understanding the Gangsta's God tackles a sensitive and controversial topic: the juxtaposition—and seeming hypocrisy—of references to God within hip hop culture and rap music. This book provides a focused examination of the intersection of God and religion with hip hop and rap music. Author Ebony A. Utley, PhD, references selected rap lyrics and videos that span three decades of mainstream hip hop culture in America, representing the East Coast, the West Coast, and the South in order to account for how and why rappers talk about God. Utley also describes the complex urban environments that birthed rap music and sources interviews, award acceptance speeches, magazine and website content, and liner notes to further explain how God became entrenched in hip hop. To this day Debbie Nelson is asked why she abandoned her son Marshall as a boy, beat him repeatedly, and then had the audacity to dog him with lawsuits when he became rich and famous. My Son Martial, My Son Eminem is her rebuttal to these widely believed lies—a poignant story of a single mother who wanted the world for her son, only to see herself defamed and shut out when he got it. Debbie Nelson encouraged her talented son to chase success—even when Eminem hijacked her good name in his lyrics and press for "street cred," a movie that ultimately alienated them from each other by the notoriety and bitterness it spawned. In My Son Marshall, My Son Eminem, Debbie Nelson details the real story of Eminem's life from his earliest days in a small town in Missouri and his teenage years in Detroit, to his rise to stardom and very public mom-bashing. Marshall Bruce Mathers III, known professionally as Eminem, is an American rapper, songwriter, record producer, record executive, film producer, and actor. He is consistently cited as one of the greatest and most influential rappers of all time, and has been labeled the "King of Hip Hop". The Glory of Africa is a well-researched masterpiece specifically written to provoke readers to rediscover themselves, embrace their uniqueness and appreciate that God created all humankind equal.Written in an exciting and amusing manner, the author Onwusa Opiah, through persuasive arguments underpinned by facts and figures, passionately postulates that black people in general and Africans in particular are not inferior or subservient to any race as many would want them to believe in what he considers to be a subtle act of "brainwashing". According to him "the fault of underachievement lies in the underachiever and not in anyone else".Citing many examples of black people of African and African-American descent who rose to the pinnacle of their careers and reached the top against all odds, Opiah counsels that, with a little bit of effort, anyone can achieve greatness. He, therefore, admonishes readers to emancipate themselves from mental slavery and change their mindset. Marshall Bruce Mathers III, AKA Eminem, Slim Shady, B-Rabbit, The White Guy, or Rap God, One of the most Known rappers nowadays, who was known as one of the most controversial and best-selling artists of the early 2000s. Eminem came from the ground and dig his way to the cloud, the man who earned his respect This Book is for all Eminem's Fans, and Especially for All the people who are on the grounds and want to do something in their life.This book is the full biography of Eminem and the full story of the most inspirational role model in all time. An exploration of the ways in which the symbolic associations of the body and what we do with it have helped shape religious experience and continue to do so. David Brown writes excitingly about the potential of dance and music - including pop, jazz, and opera - to enhance spirituality and widen theological horizons. Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site. How should a follower of Christ engage the popular media culture? By becoming a mystic! Sr. Nancy challenges Christians today to delve deep into the rich theological tradition of the church as the root and foundation for recognizing the beauty of God present in all that is truly human. The artists of popular culture sometimes unwittingly seek transcendence while grappling with some of humanity's most profound existential longings. The cultural mystics of today point out those needs of humanity in the culture's artifacts in order to enter into dialogue with those who seek something beyond what this world satisfies. The anthropological-sacramental-incarnational paradigm presented gives us this ability to take a sacred look of the culture and offer the joy of the Gospel, Christ who is the answer of all humanity's yearnings! THE SEQUEL TO THE NEW YORK TIMES BESTSELLER WHATEVER YOU SAY I AM, CHRONICLING THE PAST TWENTY YEARS OF RAPPER EMINEM'S LIFE, BASED ON EXCLUSIVE INTERVIEWS WITH THE ARTIST, HIS FRIENDS, AND ASSOCIATES "A passionate look at the Detroit rapper's music . . . an expert and thoughtful assessment." - Booklist In 1999, a former dishwasher from Detroit named Marshall Bruce Mathers III became the most controversial and polarizing musical artist in the world. He was an outlier, a white artist creating viable art in a black medium, telling stories with such verbal dexterity, nimble wit, and shocking honesty that his music and persona resonated universally. In short, Eminem changed the landscape of pop culture as we knew it. In 2006, at the height of his fame and one of the biggest-selling artists in music history, Eminem all but disappeared. Beset by nonstop controversy, bewildering international fame, a debilitating drug problem, and personal tragedy, he became reclusive, withdrawing to his Detroit-area compound. He struggled with weight gain and an addiction to prescription pills that nearly took his life. Over the next five years, Eminem got sober, relapsed, then finally got and stayed clean with the help of his unlikely friend and supporter, Elton John. He then triumphantly returned to a very different landscape, yet continued his streak of number one albums and multiplatinum singles. Not Afraid picks up where rock journalist Anthony Bozza's bestselling Whatever You Say I Am left off. Capturing Eminem's toughest years in his own words, as well the insights of his closest friends and creative collaborators, this book chronicles the musical, personal, and spiritual growth of one of hip-hop's most enduring and enigmatic figures. * EMINEM notebook * Great gift for EMINEM lovers* 120 pages* 6" x 9"* White colored paper* A matte finish cover for an elegant look and feel! An essential part of human expression, humor plays a role in all forms of art, and humorous and comedic aspects have always been part of popular music. For the first time, The Routledge Companion to Popular Music and Humor draws together scholarship exploring how the element of humor interacts with the artistic and social aspects of the musical experience. Discussing humor in popular music across eras from Tin Pan Alley to the present, and examining the role of humor in different musical genres, case studies of artists, and media forms, this volume is a groundbreaking collection that provides a go-to reference for scholars in music, popular culture, and media studies. While most scholars, when considering humor's place in popular music, tend to focus on more "literate" forms, the contributors in this collection seek to fill in the gaps by surveying all kinds of humor, critical theories, and popular musics. Across eight parts, the essays in this collection explore topics both highbrow and low, including: Parody and satire Humor in rock and global music Gender, sexuality, and politics The music mockumentary Novelty songs Humor has long been a fixture of the popular music soundscape, whether on stage, in performance, on record, or on film. The Routledge Companion to Popular Music and Humor covers it all, presenting itself as the most comprehensive treatment of the topic to date. From the time they're born, boys are given a "code" to live by: don't cry, don't play with dolls, don't be a wimp...you get the picture. For a middle school guy, it's tough enough to figure out what it means to just be yourself—let alone how to become a man. Breaking the Code is an eight-week study that will help them discover what it really means to be a man. With fun, interactive activities and age-appropriate discussion questions, you'll find that this study will help small groups of middle school guys learn how they can become the men God created them to be. In this study, you'll help guys:• critically examine what they've been taught about what it means to be a man• explore the rich heritage of men in the Bible• discover their identity in God• find new ways to feel confident Help the guys in your group begin the journey to manhood with a clear perspective on what it means to be a man. Help break the code.**After you've helped guys break the code, you can help them study the ultimate man—Jesus, in Breaking the Code (book 2). Focusing on the life of Christ, they will learn to deal with the issues most guys face. This book critically analyses Eminem's studio album releases from his first commercial album release The Slim Shady LP in 1999, to 2020's Music To Be Murdered By, through the lens of storytelling, truth and rhetoric, narrative structure, rhyme scheme and type, perspective, and celebrity culture. In terms of lyrical content, no area has been off-limits to Eminem, and he has written about domestic violence, murder, rape, child abuse, incest, drug addiction, and torture during his career. But whilst he will always be associated with these dark subjects, Mathers has also explored fatherhood, bereavement, mental illness, poverty, friendship, and love within his lyrics, and the juxtaposition between these very different themes (sometimes within the same song), make his lyrics complex, deep, and deserving of proper critical discussion. The first full-length monograph concerning Eminem's lyrics, this book affords the same rigorous analysis to a hip-hop artist as would be applied to any great writer's body of work; such analysis of 'popular' music is often overlooked. In addition to his rich exploration of Eminem's lyrics, Fosbraey furthermore delves into a variety of different aspects within popular music including extra-verbal elements, image, video, and surrounding culture. This critical study of his work will be an invaluable resource to academics working in the fields of Popular Music, English Literature, or Cultural Studies. The philosophical notion of metaphysical explanation has been subject to an increased level of attention in the previous decade. Despite tantalising claims about how metaphysical explanations are part of everyday life, the everyday notion has not been explored. In Everyday Metaphysical Explanation, Kristie Miller and James Norton take up the task of developing an account of the everyday notion of metaphysical explanation: the notion that we all use in ordinary contexts when we ask for, and receive, explanations of a certain sort. Building on the striking results of their empirical investigation of folk judgements regarding what metaphysically explains what, together with evidence of our ordinary practices surrounding the notion, they build three unique accounts of the phenomenon. Everyday theology is the reflective and practical task of living each day as faithful disciples of Jesus Christ. In other words, theology is not just for Sundays, and it's not just for professional theologians. Everyday Theology teaches all Christians how to get the theological lay of the land. It enables them to become more conscious of the culture they inhabit every day so that they can understand how it affects them and how they can affect it. If theology is the ministry of the Word to the world, everyday theologians need to know something about that world, and Everyday Theology shows them how to understand their culture make an impact on it. Engaging and full of fresh young voices, this book is the first in the new Cultural Exegesis series. Betty Bowers is a better Christian than you! In a world of reflected glory and shameless name-dropping, no one can touch America's most puritanical pundit, Betty Bowers. Betty is so close to Jesus, He's given her His loaves and fish recipe. And only Betty knows how many shopping days there are until the Apocalypse. As she is fond of saying: "If God created me in His image, I have more than returned the compliment!" In Prada and in prayer, Betty has devoted her life to bringing people the Good News: They are going straight to Hell. Thousands have aspired to emulate her joie d'apres vivre by logging on to her popular website, bettybowers.com. But only now, with What Would Betty Do? does she finally reveal her spiritual survival secrets. You'll discover how, come Judgment Day, to be whisked through the 10 Sins or Less express line. But first, you will have to learn how to vote (for God's Own Party, the Republicans), whom to hate (Lie-berals and other non-Baptists), and what to throw (a soiree -- and then a few stones!). "After all," warns Betty, "if Heaven is just going to involve running into all the people you avoided on Earth, what would be the point?" Unchic? Unsaved? Wavering faith? Wandering hands? A pair of \$650 Manolo Blahnik pumps that won't go with anything? No problem! Just ask yourself -- What would Betty do? Glass slippers, a fairy godmother, a ball, a prince, an evil stepfamily, and a poor girl known for sitting amongst the ashes: incarnations of the "Cinderella" fairy tale have resonated throughout the ages. Hidden between the lines of this fairy tale exists a history of fantasy about agency, power, and empowerment. This book examines twenty-first-century "Cinderella" adaptations that envision the classic tale in the twenty-first century through the lens of wokeness by shifting rhetorical implications and self-reflexively granting different possibilities for protagonists. The contributors argue that the "Cinderella" archetype expands past traditional takes on the passive princess. From Sex and the City to Game of Thrones, from cyborg "Cinderellas" to Inglorious Basterds, contributors explore gender-bending and feminist adaptations, explorations of race and the body, and post-human and post-truth rewritings. The collection posits that contemporary "Cinderella" adaptations create a substantive cultural product that both informs and reflect a contemporary social zeitgeist. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Over the past four decades, rap and hip hop culture have taken a central place in popular music both in the United States and around the world. Listening to Rap: An Introduction enables students to understand the historical context, cultural impact, and unique musical characteristics of this essential genre. Each chapter explores a key topic in the study of rap music from the 1970s to today, covering themes such as race, gender, commercialization, politics, and authenticity. Synthesizing the approaches of scholars from a variety of disciplines—including music, cultural studies, African-American studies, gender studies, literary criticism, and philosophy—Listening to Rap tracks the evolution of rap and hip hop while illustrating its vast cultural significance. The text features more than 60 detailed listening guides that analyze the musical elements of songs by a wide array of artists, from Afrika Bambaataa and Grandmaster Flash to Nicki Minaj, Jay-Z, Kanye West, and more. A companion website showcases playlists of the music discussed in each chapter. Rooted in the understanding that cultural context, music, and lyrics combine to shape rap's meaning, the text assumes no prior knowledge. For students of all backgrounds, Listening to Rap offers a clear and accessible introduction to this vital and influential

music. "God sent me to piss the world off," Eminem boasts on his breakthrough hit "My Name Is." A grandiose claim to be sure, but it's hard to imagine another rapper generating as much controversy and outrage as this bleach-blonde Detroit MC outlaw while still selling millions of records and becoming a hero to pop fans and hardcore hip-hop purists alike. The sharp-tongued product of crushing poverty and an unstable homelife, Eminem is much more than the goofy smartass he usually portrays himself as. Beyond the artist's inventive rhyming skills and appealingly warped lyrical persona, the multi-platinum major-label albums *The Slim Shady LP* and *The Marshall Mathers LP* present a dark, psychologically complex character whose vivid, vengeful rhymes embody a timely collision of Midwestern white trash and urban hip-hop cultures, while portraying an unpredictably violent yet absurdly hilarious world. Adopting the cartoonish yet unsettling persona of Slim Shady, Eminem spins colorfully absurd narratives involving sadistic violence while reflecting the tortured psyche of a deeply conflicted character whose real-life pain lurks beneath the surface of his outrageous alter ego. It's those contradictions that help make Eminem a uniquely compelling artist whose primal appeal transcends boundaries of race and musical genre. *Eminem: Crossing the Line*, the first biography ever written of this unique pop-culture icon, offers a fascinating peek into the strange and twisted world of Slim Shady. Kendrick Lamar has established himself at the forefront of contemporary hip-hop culture. Artistically adventurous and socially conscious, he has been unapologetic in using his art form, rap music, to address issues affecting black lives while also exploring subjects fundamental to the human experience, such as religious belief. This book is the first to provide an interdisciplinary academic analysis of the impact of Lamar's corpus. In doing so, it highlights how Lamar's music reflects current tensions that are keenly felt when dealing with the subjects of race, religion and politics. Starting with Section 80 and ending with DAMN., this book deals with each of Lamar's four major projects in turn. A panel of academics, journalists and hip-hop practitioners show how religion, in particular black spiritualities, take a front-and-center role in his work. They also observe that his astute and biting thoughts on race and culture may come from an African American perspective, but many find something familiar in Lamar's lyrical testimony across great chasms of social and geographical difference. This sophisticated exploration of one of popular culture's emerging icons reveals a complex and multi faceted engagement with religion, faith, race, art and culture. As such, it will be vital reading for anyone working in religious, African American and hip-hop studies, as well as scholars of music, media and popular culture. More than a decade after Eminem (aka Marshall Mathers, aka Slim Shady) disrupted mainstream hip-hop culture, he is even more hated, contested, and celebrated. His albums, autobiographies, and motion picture catapulted him into the upper echelon of American cultural icons. In *Eminem: The Real Slim Shady*, Dr. Marcia Alesan Dawkins, acclaimed author of *Clearly Invisible: Racial Passing and the Color of Cultural Identity*, offers a fresh way of looking at Eminem -- as performer, father, son, spiritual force, cultural critic, innovative businessman and polyethnic American -- that will excite those who already love the artist and inform those who want to understand him. This book explores why a high school dropout from a broken home is one of the most influential icons today. This modern hero plays a significant role in the lives of his fans. As a psychologist, curious investigator in the Hip-Hop community, and mother, I now understand what Eminem means to those who desperately seek authenticity in their role models. Eminem's fans describe how he helped with their transition into a healthy and meaningful adulthood. **EXPLICIT CONTENT** explains why this phenomenon is so meaningful and why he fills an essential need. Fans from Eminem's Anger Management Tours between 2003-2005 are featured, in their own **EXPLICIT CONTENT**. "If children were taught to become aware of their shadow, sharing even dark feelings, forgiving themselves for not being 'good' all the time, learning how to release shadow impulses through healthy outlets, then there would be much less damage to society and the ecosystem." - Deepak Chopra, "The Shadow Effect: Illuminating the Hidden Power of Your True Self" *Eminem: A Short Unauthorized Biography* is a short unauthorized biography produced from electronic resources researched that includes significant events and career milestones. Ideal for fans of Eminem and general readers looking for a quick insight about one of today's most intriguing celebrities. This must-read short unauthorized biography chronicles: Who is Eminem Things People Have Said about Eminem Eminem is Born Growing Up with Eminem Eminem Personal Relationships The Rise of Eminem Significant Career Milestones Eminem Friends and Foes Fun Facts About Eminem How The World Sees Eminem Eminem A Short Unauthorized Biography is one of the latest short unauthorized biographies from *Fame Life Bios*. Check it out now! From Bethany Hamilton's fan letters come these honest, sometimes gut-wrenching questions. Some questions you may have asked about yourself at some time. Bethany's sincere answers reflect her faith, and with some of her favorite Scripture versus, her answers will inspire you, let you into Bethany's heart, and possibly help you with some of your own life questions. This updated edition includes some new questions and answers, and lets readers see how she has grown and changed, and where she is today. Eminem is the best-selling musical artist of the 21st century. He is also one of the most contentious and most complex artists of our time. His verbal dexterity ranks him among the greatest technical rappers ever. The content of his songs combines the grotesque and the comical with the sincere and the profound, all told through the sophisticated layering of multiple personae. However one finally assesses his contribution to popular culture, there's no denying his central place in it. This collection of essays gives his work the critical attention it has long deserved. Drawing from history, philosophy, sociology, musicology, and other fields, the writers gathered here consider Eminem's place in Hip Hop, the intellectual underpinnings of his work, and the roles of race, gender and privilege in his career, among various other topics. This original treatment will be appreciated by Eminem fans and cultural scholars alike. ? For years Rap artists have met with mixed reception—acclaimed by fans yet largely overlooked by scholars. Focusing on 135 tracks from 56 artists, this survey appraises the artistry of the genre with updates to the traditional methods and measures of musicology. Rap synthesizes rhythmic vocals with complex beats, intonational systems, song structures, orchestration and instrumentalism. The author advances a rethinking of musical notation and challenges the conventional understanding of Rap through analysis of such artists as Eminem, Kanye West and Jean Grae. In her chatty and breezy style, typical of any online conversation, Bethany Hamilton shares information on a wide variety of topics about her life and faith.
