Gale Directory of Publications and Broadcast Media Nov 25 2020 Identifies specific print and broadcast sources of news and advertising for trade, business, labor, and professionals. Arrangement is geographic with a thumbnail description of each local market. Indexes are classified (by format and subject matter) and alphabetical (by name and keyword).

Hyperfocus Aug 03 2021 A practical guide to managing your attention--the most powerful resource you have to get stuff done, become more creative, and live a meaningful life Our attention has never been as overwhelmed as it is today. Many of us recognize that our brains struggle to multitask. Despite this, we feel compelled to do so anyway while we fill each moment of our lives to the brim with mindless distraction. Hyperfocus provides profound insights into how you can best take charge of your attention to achieve a greater sense of purpose and productivity throughout the day. The most recent neuroscientific research reveals that our brain has two powerful

modes that can be unlocked when we use our attention effectively: a focused mode (hyperfocus), which is the foundation for being highly productive, and a creative mode (scatterfocus), which enables us to connect ideas in novel ways. Hyperfocus helps you access each of the two mental modes so you can concentrate more deeply, think more clearly, and work and live more deliberately every day. Chris Bailey examines such topics such as: • identifying and dealing with the four key types of distraction and interruption; • establishing a clear physical and mental environment in which to work; • controlling motivation and working fewer hours to become more productive; • taking time-outs with intention; • multitasking strategically; and • learning when to pay attention and when to let your mind wander wherever it wants to. By transforming how you think about your attention, Hyperfocus reveals that the more effectively you learn to take charge of it, the better you'll be able to manage every aspect of your life.

Cambridge International AS and A Level IT Coursebook with CD-ROM
Mar 30 2021 This series is for the Cambridge International AS & A Level IT syllabus (9626) for examination from 2019. This coursebook provides a clear and comprehensive guide to assist students as they develop theoretical and practical IT skills. It contains detailed explanations of theoretical and practical concepts and tasks, with worked examples and exercises to consolidate knowledge. Practical tasks are offered throughout the book, with source files on the accompanying CD-ROM, to help students build and develop their practical knowledge.

The Siren Oct 29 2023 'Bruce is doing for Cambridge what Colin Dexter did for Oxford with Inspector Morse' Daily Mail All it took was one small item on the regional news for Kimberly Guyver and Rachel Golinski to know that their old life was catching up with them. They wondered how they'd been naïve enough to think it wouldn't. They hoped they still had a chance to leave it behind - just one more time - but within hours, Rachel's home is burning and Kimberly's young son, Riley, is missing. As DC Goodhew begins to sift through their lives, he starts to uncover an unsettling picture of deceit, murder and accelerating danger. Kimberly seems distraught but also defensive and uncooperative. Is it fear and mistrust of the police which are putting her son at risk, or darker motivations? With Riley's life in peril, Goodhew needs Kimberly to make choices, but she has to

understand, the one thing she cannot afford is another mistake. Praise for Alison Bruce: 'Menacing and insidious, this is a great novel' R J Ellory 'A fast-paced gritty tale guaranteed to have you hooked from beginning to end' Cambridgeshire Pride 'A gripping tale of murder and mystery' Cambridge Style

Current Debates in Business Studies Jun 01 2021 This book is a product of the need of understanding the new debates from the perspective of business studies. First part includes the topics that define some of the contemporary issues in accounting, as well as demonstrate how accounting practices change to adapt necessities of time. Part II deals with contemporary marketing topics indicating the importance of consumer in today's business and the necessity of understanding consumers. Finally, the last part of the book, includes writing related to new methods and approaches in operation management and production that gain importance parallel to development in industry.

The Incredible Tide Apr 23 2023 A castaway on a rocky island is captured by a gang of evil men He was born Conan of Orme, but Orme is no more. When nuclear war causes the oceans to swallow up the Western world, Conan escapes by chance, washing up on a craggy, desolate isle. After years of privilege, island life is a hard adjustment, but he grows strong—learning to fish, to make fire, and to befriend the birds. On moonless nights, he screams into the darkness, tortured by a loneliness he cannot overcome. One day, a ship appears on the horizon, and Conan believes himself saved. But for this young survivor, trouble is just beginning. The ship belongs to the New Order, cruel rulers who are rebuilding Earth through brute force. They send their new slave to the cutthroat city of Industria, intending to break his spirit. But Conan finds power on the island, and with it, he will remake the world.

Films that Work Jan 28 2021 Industriële films worden gezien als een apart filmgenre van de twintigste eeuw. Ze werden geproduceerd en gesponsord door de overheid en grote bedrijven en moesten vooral aan de wensen van de sponsors voldoen, en niet zo zeer aan die van de filmmakers. In de hoogtijdagen werkten er duizenden mensen aan

deze industriële films. Zo zijn er vakbladen en filmfestivals ontstaan door samenwerking met grote bedrijven als Shell en AT & T. Daarnaast hebben belangrijke regisseurs, zoals Buster Keaton, John Grierson en Alain Resnais, aan deze films meegewerkt. Toch lijkt de industriële film geen spoor te hebben achtergelaten in het filmische culturele discours. Films that Work is het eerste boek waarin de industriële film en zijn opmerkelijke geschiedenis worden onderzocht.

Back to Nature Jul 22 2020 'Rousing, polemical and heartfelt' - Gardens Illustrated 'An invitation to take action' - The Observer One thing has become clear this year - we need nature more than ever. And it needs us too. From our balconies and gardens to our woodlands, national parks and beyond, Back to Nature captures the essence of how we feel about the wildlife outside our windows. Through personal stories, conservation breakthroughs and scientific discoveries, it explores the wonder and the solace of nature, and the ways in which we can connect with it - and protect it.

101 Projects for Your Porsche Boxster Feb 21 2023 Since its introduction in 1997, the Porsche Boxster has earned a reputation as one of the world's greatest sports cars, as well as a huge, loyal following of devoted drivers. This book is aimed at those owners of Boxsters who want to improve their machines while avoiding thousands of dollars in mechanic's costs. Clearly and simply written, with straightforward illustrations, this manual offers 101 projects to help you modify, maintain, and enhance your Porsche. Focusing on the 986 and 987 Boxster models, 101 Projects for Your Porsche Boxster presents all the necessary information, associated costs, and pitfalls to avoid when performing a wide array of projects. In a word, it makes owning a Porsche Boxster an unqualified thrill.

Tears and Tequila Mar 10 2022 Joey Lerner has been running, from place to place and job to job. Now, at 32, she's running from her home in New York City, where the last surviving member of her family has died, to Los Angeles, where she hopes to start over. Never one to follow the rules or take the obvious path, and thanks to her grandfather's hands-on training, Joey gets herself hired as the 'handyperson' at a funky community center owned by an Australian surfer. Soon, the job of leading a Grief Group of young widows and widowers falls into her lap. The problem is - Joey hasn't yet healed from her own losses. Over the next nine months Joey and the Grief Group journey from death to life, together and alone. Along the way,

Joey discovers the work she was born to do. Tears and Tequila is a story of love, loss, friendship, courage and, most of all, renewal; it tells of the healing that happens when you become part of a community in which everybody is missing someone.

And On That Bombshell May 24 2023 I was Top Gear's script editor for 13 years and all 22 series. I basically used to check spelling and think of stupid gags about The Stig. I also got to hang around with Jeremy Clarkson, Richard Hammond and James May. It didn't feel like something you should get paid for. From the disastrous pilot show of 2002 to the sudden and unexpected ending in 2015, working on Top Gear was quite a rollercoaster ride. We crossed continents, we made space ships, we bobbed across the world's busiest shipping lane in a pick-up truck. We also got chased by an angry mob, repeatedly sparked fury in newspapers, and almost killed one of our presenters. I realised that I had quite a few stories to tell from behind the scenes on the show. I remembered whose daft idea it was to get a dog. I recalled the willfully stupid way in which we decorated our horrible office. I had a sudden flashback to the time a Bolivian drug lord threatened to kill us. I decided I should write down some of these stories. So I have. I hope you like them. And now, a quote from James May: 'Richard Porter has asked me to "write a quote" for his new book about the ancient history of Top Gear. But this is a ridiculous request. How can one "write a quote"? Surely, by definition, a quote must be extracted from a greater body of writing, for the purpose of illustrating or supporting a point in an unrelated work. I cannot "write a quote" any more than I could "film an out-take". 'Porter, like Athens, has lost his marbles.'

Stray Dog of Anime Jul 26 2023 Upon its U.S. release in the mid 1990s *Ghost in the Shell*, directed by Mamoru Oshii, quickly became one of the most popular Japanese animated films, or anime, in the country. Despite these accolades, Oshii is known as a contrarian within anime, a self-proclaimed 'stray dog', avoiding the limelight in favour of his own personal cinematic vision. He cannot be pigeon-holed, working in both live-action film and animation, directing everything from absurdist comedy to thrillers to meditations on the nature of reality. *Stray Dog of Anime* is the first book to take an in-

depth look at Oshii's major films, from his early days working on Urusei Yatsura to Avalon , his most recent feature. Ruh details Oshii's evolution as a director, paying special attention to his personal style and symbolism, resulting in a unique guide that will appeal to anime fans and cinestes of all kinds.

RDS Aug 27 2023 Authored by two leading experts in Radio Data System (RDS) technology, this book provides easy access to information on RDS technology, specifications, and implementation in one authoritative reference. The authors, who are key figures in the development of RDS and RDS-TMC technology, use a step-by-step approach to overview the background, techniques, capabilities, and limits of these systems.

Constraint Networks Apr 11 2022 A major challenge in constraint programming is to develop efficient generic approaches to solve instances of the constraint satisfaction problem (CSP). With this aim in mind, this book provides an accessible synthesis of the author's research and work in this area, divided into four main topics: representation, inference, search, and learning. The results obtained and reproduced in this book have a wide applicability, regardless of the nature of the problem or the constraints involved, making it an extremely user-friendly resource for those involved in this field.

Millions Jun 13 2022 It was a one-in-a-million chance. A bag crammed with cash comes tumbling out of the air and lands right at Damian's feet. Suddenly the Cunningham brothers are rich. Very rich. They can buy anything they want. There's just one problem -- they have only seventeen days to spend all the money before it becomes worthless. And the crooks who stole the cash in the first place are closing in -- fast. A funny, brilliantly clever and utterly thrilling debut novel that is, quite simply, unforgettable.

Retailing in the 21st Century Jan 20 2023 With crisp and insightful contributions from 47 of the world's leading experts in various facets of retailing, Retailing in the 21st Century offers in one book a compendium of state-of-the-art, cutting-edge knowledge to guide

successful retailing in the new millennium. In our competitive world, retailing is an exciting, complex and critical sector of business in most developed as well as emerging economies. Today, the retailing industry is being buffeted by a number of forces simultaneously, for example the growth of online retailing and the advent of 'radio frequency identification' (RFID) technology. Making sense of it all is not easy but of vital importance to retailing practitioners, analysts and policymakers.

Stray Dog of Anime Jul 14 2022 Upon its US release in the mid 1990s, *Ghost in the Shell*, directed by Mamoru Oshii, quickly became one of the most popular Japanese animated films in the country. Despite this, Oshii is known as a maverick within anime: a self-proclaimed 'stray dog'. This is the first book to take an in-depth look at his major films, from *Urusei Yatsura* to *Avalon*.

In The Body of the World Apr 30 2021 Playwright, author and activist Eve Ensler has devoted her life to the female body—how to talk about it, how to protect and value it. Yet she spent much of her life disassociated from her own body—a disconnection brought on by her father's sexual abuse and her mother's remoteness. "Because I did not, could not, inhabit my body or the Earth," she writes, "I could not feel or know their pain." But Ensler is shocked out of her distance. While working in the Congo, she is shattered to encounter the horrific rape and violence inflicted on the women there. Soon after, she is diagnosed with uterine cancer and, through months of harrowing treatment, she is forced to become first and foremost a body—pricked, punctured, cut, scanned. It is then that all distance is erased. As she connects her own illness to the devastation of the Earth, her life force to the resilience of humanity, she is finally, fully—and gratefully—joined to the body of the world. Unflinching, generous and inspiring, Ensler calls on us all to embody our connection to and responsibility for the world.

The Complete Guide to Auto Body Repair, 2nd Edition Sep 28 2023 Step-by-step projects cover the latest information on panel adhesives, improved repair strategies, unibody vehicles, media blasting, panel overhaul and replacement, and tools and techniques for water-based paint products.

The Comic Storytelling of Western Japan Oct 17 2022 Rakugo, a popular form of comic storytelling, has played a major role in Japanese culture and society. Developed during the Edo (1600–1868) and Meiji (1868–1912) periods, it is still popular today, with many contemporary Japanese comedians having originally trained as rakugo artists. Rakugo is divided into two distinct strands, the Tokyo tradition and the Osaka tradition, with the latter having previously been largely overlooked. This pioneering study of the Kamigata (Osaka) rakugo tradition presents the first complete English translation of five classic rakugo stories, and offers a history of comic storytelling in Kamigata (modern Kansai, Kinki) from the seventeenth century to the present day. Considering the art in terms of gender, literature, performance, and society, this volume grounds Kamigata rakugo in its distinct cultural context and sheds light on the 'other' rakugo for students and scholars of Japanese culture and history.

Settle for More Sep 23 2020 Whether it's asking tough questions during a presidential debate or pressing for answers to today's most important issues, Megyn Kelly has demonstrated the intelligence, strength, common sense, and courage that have made her one of today's best-known journalists, respected by women and men, young and old, Republicans and Democrats. In *Settle for More*, the NBC News anchor reflects on the enduring values and experiences that have shaped her—from growing up in a family that rejected the "trophies for everyone" mentality, to her father's sudden, tragic death while she was in high school. She goes behind-the-scenes of her career, sharing the stories and struggles that landed her in the anchor chair and taught her to ask the tough questions. Speaking candidly about her decision to "settle for more"—a motto she credits as having dramatically transformed her life at home and at work—Megyn discusses how she abandoned a thriving legal career to follow her journalism dreams. Admired for her hard work, humor, and authenticity, Megyn sheds light on the news business, her time at Fox News, the challenges of being a professional woman and working mother, and her most talked about television moments. She also speaks openly about Donald Trump's feud with her, revealing never-before-heard details about the first Republican debate, its difficult aftermath, and how she persevered through it all. Deeply personal and surprising, *Settle for More* offers unparalleled insight into this charismatic and intriguing journalist, and inspires us all to embrace

the principles—determination, honesty, and fortitude in the face of fear—that have won her fans across the political divide.

Road & Track Dec 07 2021

Pop Beckett May 12 2022 When Samuel Beckett's work first appeared, it was routinely described, by Adorno among others, as a clear example of European high culture. However, this judgement ignored an aspect of Beckett's work and its reception that is, arguably, not yet fully understood; the intimate relation between his work and popular culture. Beckett used popular cultural forms; but popular culture has also found a place both for the work and for the man. This collection of essays examines how popular cultural forms and media are woven into the fabric of Beckett's works and how Beckett continues to have far-reaching impact on popular culture today in a host of different forms, in film and on television, from comics to meme culture, tourism to marketing.
