On December 14, 2010, Customs and Border Patrol Agent Brian Terry, United States Marine, was killed while on patrol just miles from the Mexican border. The firearms found at the scene were semi-automatic rifles that were allowed to walk as part of Operation Fast and Furious. Congressional Republicans have investigated Fast and Furious since January 2011. Over the course of the investigation, the Justice Department has provided false information, stonewalled document requests, produced scores of blacked-out pages and duplicate documents, and refused to comply with two congressional subpoenas. In August 2012, the U.S. House of Representatives Office of General Counsel filed suit against the Justice Department. On April 8, 2016, DOJ complied with the Judge's order, delivering more than 20,500 pages of documents to the Committee. CONTENTS: Statement of Michael E.
