*Nursing Resume: A Job Guide for Nurses* Mar 15 2023 Nursing Resume: A Job Guide for nurses is a complete book package to help nurses find a job. This book is short and to the point, and the entire package includes 10 premium resume templates (see inside book for a preview), 10 premium cover letter templates (they match the resume templates), a few basic traditional resume templates, and a sample resignation (or two weeks' notice) template. All templates are in .docx format and are best edited in the Microsoft Word software. If you do not have Microsoft Word, you can usually download a free trial. Google Docs may also work; however, formatting errors may occur if you use other programs other than Microsoft Word. These templates must be downloaded online using information at the end of this book. Why Do You Need a Custom Resume Template? Your resume is the very first step in getting a job. When you begin searching for a job, you'll ultimately be uploading or submitting resumes to various employers. If you turn in a poorly constructed resume—it could get tossed in the trash. You want a resume that will stand out and grab the hiring manager's attention. That's why I contracted a graphic designer to create 10 professionally designed resumes—all with nursing/healthcare themes. These resumes

include all of the major sections. All you have to do is fill in your own information. They are completely customizable, and you can edit the text, add sections, or change them any way you want. You also get the 10 beautifully designed cover letters that match the resumes. You also receive a resignation template—for occasions when you need to leave your current job for a better opportunity. One resume template alone would be worth the price. However, you're going to receive all 10 professionally designed resume covers, along with cover letters and this short job guide. About the Book This book was designed to give you the information you need to strategically find a job. You'll get information on compiling your resume, tips on how and where to submit your resume, tips when sitting for an interview, tips on leaving your old job, and tips on advancing your career. This is not just a book—this is a job tune-up. The guide is short and to the point, and focuses on the information you need to start finding a job immediately. The author, S.L. Page, shares her insights into getting a job. She combines her personal experiences along with the advice of nurse managers she's spoken with through the years. What This Book Package Includes: -10 beautifully designed resume templates -10 matching cover letter templates -A resignation/two weeks' notice template -The paperback book (to help you find a job). Template Requirements Templates are in .docx format. It is best to use Microsoft Word to edit them. Google Docs, a free alternative, may work okay—but some minor formatting errors may occur. For absolute best results, we recommend using Microsoft Word to edit the templates. Template Licensing Terms The templates may be used an unlimited number of times for your own personal use. You may not resell, redistribute, or give away for free any of the templates included with this package.

**2021 Healthcare Directory of Search Firms and Recruiters** Dec 12 2022 Information for Your Job Hunt - Databases and Directories - Used by Resume Writers, Outplacement Firms, Career Coaches, College Career Centers, and Individuals Since 1987/ Job hunters need to do many things to get a job - - call all their friends and relatives, answer ads, and send out hundreds, even thousands of letters and resumes in a targeted direct email, direct fax or direct snail mail campaign. Our online databases and directories are designed to help you in that last task - to get your personal cover letter and resume to the executive search firms that specialize in your field. Executive search firms work to fill management positions at top companies across the U.S. and abroad. It is estimated that almost two-thirds of executive positions are filled by executive search firms. Personnel agencies work to fill professional, technical, and administrative personnel at companies. The search firms and agencies in our database are hired and paid by companies that need new employees. Our Directories of Search Firms and Recruiters are drawn from our database of more than 16,000 search firms and personnel agencies and more than 42,000 key contacts. The directories contain descriptive information about each search firm and recruiter in its category and contain the contact information that you can easily use to contact these recruiters. The directories list companies alphabetically by name with multiple offices of the same firm listed alphabetically by city. **Writing the Nursing Resumé** Jan 13 2023 Shows a step-by-step process of producing an effective resume in the nursing field.

**Project Management for Healthcare** Nov 18 2020 *Project Management for Healthcare*, Second Edition covers the significant changes in both the direction of healthcare and the direction of project management. The most significant change in healthcare is the prevalence of online data and the need for its protection. The book explains how data can be protected during a project's lifecycle. The most significant change in project management is Agile, and a new chapter covers how Agile can be applied to projects in healthcare. This new edition also covers green technology and sustainability. Exploring the discipline of project management from the perspective of the healthcare, the book dissects the project process and covers the management skills required to successfully manage a project. By defining a project to include the tools and techniques required, the book shows how to successfully deliver a project from identifying stakeholders and developing and gaining consensus

on requirements to constructing a project plan. It also covers in detail the skills required to successfully manage project stakeholders and team members. At times, healthcare personnel may have to work with program management, or may even be part of program management and must interact with pharmaceutical companies and medical device manufacturers. This book covers program management and how it relates to the healthcare industry and some of the project processes used by those companies involved in pharmaceuticals and manufacturers of medical devices. By giving an inside look at the processes used, the book gives an understanding of how those companies bring their products to market and how to adapt those processes for their own benefit. Managing healthcare projects using the discipline of project management is a skill that can help healthcare professionals better utilize limited resources, both human and monetary, and ensure the highest possible quality of care to meet or exceed their stakeholders' expectations. Project Management for Healthcare, Second Edition shows how to use the discipline of project management to achieve those goals successfully.
