Mission San Juan Bautista

Hidden among the rolling hills and picturesque valleys of California's coastal mountain range is the quiet mission town of San Juan Bautista. Forged by the San Andreas Fault, the same stunning environment that attracted Spanish missionaries to establish Mission San Juan Bautista in 1797 would invite multitudes of visitors and settlers during the first years of California's statehood. Bypassed by the railroad in the 1870s, the town saw its population dwindle and seemed likely to fade unnoticed into history. In the 1930s, the structures around the ancient mission plaza narrowly avoided decay and demolition. The community, with the plaza at its heart, embarked upon a slow but steady restoration and revival of its former splendor. Today both mission and town thrive as important cultural and spiritual centers. Learn about the

rich history of Mission San Juan Bautista: how it started, the people who ran it, the indigenous population, and its legacy today. A century ago, San Juan Bautista was the hub of Northern California, a crossroads where, over the years, you would have encountered gentle Mutsune Indians, hard-working Franciscan padres, fierce outlaws and a host of other fascinating characters. Yet today San Juan Bautista is a quaint, sleepy village with a quiet ambience that belies its dynamic past. In this book, Charles W. Clough enticingly unveils this vibrant past, granting the reader a rare peek into 200 years of history. In their efforts to assert dominion over vast reaches of the (now U.S.) Southwest in the seventeenth century, the Spanish built a series of far-flung missions and presidios at strategic locations. One of the most important of these was San Juan Bautista del Río Grande, located at the present-day site of Guerrero in Coahuila, Mexico. Despite its significance as the main entry point into Spanish Texas during the

colonial period, San Juan Bautista was generally forgotten until the first publication of this book in 1968. Weddle's narrative is a fascinating chronicle of the many religious, military, colonial, and commercial expeditions that passed through San Juan and a valuable addition to knowledge of the Spanish borderlands. It won the Texas Institute of Letters Amon G. Carter Award for Best Southwest History in 1969. Discusses the founding, building, operation, closing, and restoration of the San Jose Mission and its role in California history. Mission San Juan Bautista is the second book in a series of twenty. The book is a craft & history project for anyone interested in California missions. Suitable for all ages (nine & up). Pattern pieces are provided & easy-to-follow written instructions showing step-by-step procedures. A variety of decorating ideas are given. Wonderful rainy day activity book that keeps children interested & entertained. Anyone who enjoys working with their hands will find building a

mission an enjoyable way to pass the time & learn some history. The history was written for children & is easy-to-read & understand. This book is for the general public & for educators who want a hands-on activity in the classroom. Part of public education curriculum. The book retails for \$14.95. For orders write the distribution center, Buzzard Press International, 409 Reynolds Circle, San Jose, CA 95112-115 or call 209-723-6723. FAX: 209-723-6238. There's so much to explore when it comes to missions! Find out the history of Mutsun Indians, go through a pop quiz, and even get a diagram of Mission San Juan Bautista! Experience an exciting full color book as you learn about Mission San Juan Bautista. Charts the histories of the missions of Carmel, Santa Cruz, and San Juan Bautista, and briefly describes life among the Ohlone Indians before the arrival of the Spaniards. Discusses the mission at San Juan Bautista, it's building, and various artifacts. "In most of its pages it is a mere condensation of the

author's In and Out of the Missions of California"--Foreword (page ix). Go back in time to learn more about the Spanish missionaries who came to California in the 1700s and how the mission system shaped California's history. Each book in this series examines a region of California that was greatly influenced by missions. Missions introduced in Monterey Bay Area Missions include San Carlos Borromeo de Carmelo (Carmel), Mission Santa Cruz, and San Juan Bautista. In this title, you'll learn about the Native Americans living in the Monterey Bay area before missionaries arrived; why missionaries chose this area and what happened when they arrived; how the missionaries designed and built the missions; what daily life was like at the missions; what happened to cause the end of each mission; and what the missions look like today. This series also includes California Mission Projects and Layouts, which provides directions for creating models of missions. Get ready for Exploring

California Missions! Discusses the mission at San Juan Bautista from its founding in 1797 to the present day, including the reasons for Spanish colonization in California and the effects of colonization on the Mutsun (a tribe of the Costanoan) Indians. Describes the historical, Spanish missions of the San Francisco Bay area.
