"Captured in three Tokyo parks in the early seventies, Kohei Yoshiyuki's The Park series features some intriguing photographic works of art. Shot at night using flash and infrared film, the photographs show hetero- and homosexuals gathering for furtive sexual encounters in the Shinjuku, Yoyogi, and Aoyama parks. These amorous scenes, however, are unpleasantly crowded; even before Yoshiyuki approached them with his camera, the couples had become objects of desire for voyeurs. Leonard names his new pet Buster and takes him all around the city: on the subway, to the library, to a baseball game, and more. But Buster keeps growing and growing—and Leonard gets the sense that Buster is longing for something Leonard can't provide. So Leonard comes up with an inventive plan, one that involves all the balloons Leonard can find and the annual Thanksgiving parade, in an imaginative plot twist that will spark readers' imaginations—and touch their hearts. You know the scene: amateur soccer players battling over the ball, spectators cheering from the sidelines, vendors selling their wares from carts. Over the past half century, immigration from Latin America has transformed the public landscape in the United States, and numerous communities are witnessing one of the hallmarks of this transformation: the emergence of park soccer. In *Fútbol in the Park*, David Trouille takes us into the world of Latino soccer players who regularly play in an upscale Los Angeles neighborhood where they are not always welcome. Together on the soccer field, sharing beers after the games, and occasionally exchanging taunts or blows, the men build relationships and a sense of who they are. Through these engrossing, revealing, and at times immortalizing activities, they forge new identities, friendships, and job opportunities, giving themselves a renewed sense of self-worth and community. As the United States becomes increasingly polarized over issues of immigration and culture, *Fútbol in the Park* offers a close look at the individual lives and experiences of migrants. Poetry. Latinx Studies. Romina Freschi's ECHO OF THE PARK is a philosophical long poem that surveys made spaces, both elevated and debased. In dialogue with First Dream by Sor Juana Inés de la Cruz, Freschi captures fleeting states of grace, such as "ecstasy" and "bliss," and the ensuing gravitational pull of urban life's "imperfect terrain." All urban spaces are interior and exterior, private and public, confining and freeing. Ultimately the park, and the "parkified" speech of the poem, are sites of mourning. Can a former site of political violence be converted into a public green space? Jeannine Marie Pitas's nuanced translation presents Romina Freschi as one of the most singular and startling voices in contemporary Argentine poetry. "Romina Freschi's ECHO OF THE PARK explores dualities of capture and flight. Held by power, routine, poison, cultivation, gravity's many forms? Her language honors ecstatic breakthrough, a feathered bird named Sor Juana, an interspecies heart, introspective focus, and passage to deep grief, and altogether punctuates turbulence with a rare calm...Read Romina Freschi's poetry: like her work as a publisher, professor, and instigator of cultural conversation, it startles us with vulnerable yet durable language. Be a cloud. A shadow-casting amorphous volume in flight for a short time. Be an ant. A ghost." ♦Deborah Meadows "Romina Freschi's ECHO OF THE PARK is one long poem that lets the reader choose whether to wander through the pages or rush from one short line to the next as it moves from the mystical dream world of Sor Juana to fallen Eden of the present, from the contemporary to the eternal, from speech to silence, from the smell of fallen, rotting avocados to the scent of wet cement, as effortlessly as a small finch flits through the sky. In this fluid, masterful translation by Jeannine Pitas, ECHO OF THE PARK is a book to read in one sitting, then read again ♦slowly savoring each line." ♦Jesse Lee Kercheval "The poems of Romina Freschi are a welcome addition to American poetry, where we have a tendency to be isolationist by default. This potent voice from Buenos Aires employs vivid imagery and fierce intellect and sprays candlelight into the cave of what it means to be human, lost between realms, where memory takes many forms ♦an impossible road, a small basket, a chute we slide down ♦none of them satisfying. But Freschi's poetry itself*

*engages the mind and ear."* ♦ Jeffrey McDaniel "Tracing the language of paradise, Romina Freschi's *ECHO OF THE PARK*, in Jeannine Marie Pitas' brilliant, searing translation, explores a paradise lost, one never-had, in which the poem traverses various registers of pastoral and urban life and asks the reader to 'inhabit then / imperfect terrain.' Through negation ♦ 'There is no nature / in the park' ♦ and accumulation alike, this book explores impermanence in its most entropic and lasting forms, leaving its mark on terrain that pushes through the literary and into its liminal outskirts, settling somewhere between 'the dream and its scar.'" ♦ Alexis Almeida From the first orange glow on the water in the pond, to the last humans and animals running home from an evening rain shower, here is a day-in-the-life of a city park, and the playground within it. A rhythmic text and sweet, accessible images will immerse parents, toddlers, and young children in the summer season and the community within a park. Seasoned picture book readers may notice Emily Jenkins's classic inspirations for this book: Alvin Tresselt's Caldecott Medal-winning *White Snow, Bright Snow*, illustrated by Roger Duvoisin, and Charlotte Zolotow's *The Park Book*, illustrated by H. A. Rey. Delineate the politicians, business people, artists, immigrant laborers, and city dwellers who are the key players in the tale. In tracing the park's history, the writers also give us the history of New York. They explain how squabbles over politics, taxes, and real estate development shaped the park and describe the acrimonious debates over what a public park should look like, what facilities it should offer, and how it should accommodate the often incompatible.
