Adobe Illustrator May 21 2023

Adobe Illustrator: A Complete Course and Compendium of Features is your guide to building vector graphics, whether you're creating logos, icons, drawings, typography, or other illustrations—and regardless of their destination: print, web, video, or mobile. First, with a complete Course that includes a set of projects and lessons derived from Adobe Certified Instructor Jason Hoppe, you will learn the procedures needed to use Illustrator effectively and professionally. Dozens of lessons are included that can be applied to any graphics you have in mind. Through these

step-by-step lessons, you'll be exposed to all of Illustrator's features in practical contexts and its best practices for optimal workflows.

To complete the Course, we'll supply lesson documents and their assets to download. These can even serve as starting points for your own projects.

Then, for greater depth of knowledge and subsequent reference, you'll use the Compendium to uncover more of the "how" and "why" of Illustrator. With each topic easy to access, you can find and explore all of Illustrator's key features and concepts in depth. With cross references between the Course and Compendium, the two parts of the book complement each other perfectly. Best of all, when the lessons in the Course are done, the Compendium will continue to serve for months and years to come.

Learn step by step how to:

- Draw basic shapes and lines

- Build graphics using Illustrator's deep and diverse toolset
- Create complex icons using the Pathfinder and Shape Builder
- Use color with predictable and harmonic results
- Work effectively with type
- And much more!

Draping. Oct 14 2022 *Draping*—the art of using cotton muslin to create womenswear directly on a dress form—is an essential skill for fashion designers. Through a series of step-by-step projects, designed to develop skills from the most basic to more advanced techniques, this book will guide you in creating both classic and contemporary garments, as well as historical styles and costumes. *Draping* projects include dresses, bustiers, and jackets, and highlight key fashion garments such as Audrey Hepburn's dress

from Breakfast at Tiffany's and the Dolce & Gabbana tuxedo jacket. Starting with the basics of choosing and preparing the dress form for draping, the book advances through pinning, trimming, and clipping, and creating shape using darts and tucks, to adding volume using pleats and gathers, and handling complex curves. Advanced skills include how to use support elements such as shoulder pads, under layers, and petticoats, and how to handle bias draping. The book culminates with a chapter on improvisational skills. Each skill and technique throughout the book is explained with step-by-step photographs and line drawings that bring the art of creating womenswear in three dimensions to life.
