Aren't you curious to see what you are capable of? " Alan Cohen brings to life ancient wisdom for a new era deeply in need of

enlightenment. Fresh insights, practical, easy entry, and immense delight! ” — Chungliang Al Huang, president-director, Living Tao Foundation, and co-author with Alan Watts of *Tao: The Watercourse Way* May you live during interesting times: so goes an ancient Chinese blessing—or some say curse. That wish has come true for us. Now what? In this radically illuminating book, Alan Cohen delves into one of the world ’ s most venerated wisdom texts for answers and brings the lofty and enigmatic concepts of the Tao Te Ching down to earth in fresh, easy-to-grasp language with practical, personal examples we can use to uplift our daily lives. Most other interpretations of the Tao march through the stanzas one by one. Here Alan Cohen calls forth the ancient verses around themes that are central to our modern lives —from love to work to the lessons we learn from pain. Then he brings each message to life in short vignettes where he imagines himself a student of Lao Tse and interacts with the master directly and intimately. He invites you to join the ancient sage and the contemporary seeker as they wend their way through the challenges and triumphs of the same journey you ’ re taking yourself. For decades, 5S practitioners have struggled with exactly how to implement and sustain a 5S program in their workplaces. While there are many books available on the organization methods suggested by 5S, few provide easy-to-understand, step-by-step guidance on how to set up and sustain successful 5S implementations. *5S Made Easy* fills this need. Written by an expert whose focus for the last decade has been nothing but 5S, the book supplies in-depth guidance on how to implement and sustain each of the 5S pillars—sort, set in order, shine, standardize, and sustain. The book uses an easy-to-follow format that was designed for use during 5S events. It provides color images of real-world 5S solutions, including before and after pictures from the field. It also supplies readers with online access to all of the forms and documents needed for an effective 5S program. All the forms and documents are provided in an easily editable format to fit any operation. "In the age of COVID and chaos, social media and sky-high rents, adulting can be hard. But it doesn't have to be! This book answers questions young adults sometimes don't even know to ask. A provocative, personal approach to leadership based on in-depth research with hundreds of executives around the world Confronted by disruptive change and economic turbulence, many of today's leaders find themselves ill-equipped to manage the hazards they now face. They must contend with chronic uncertainty, cynical employees, and personal burnout. Most are poorly served by the prevailing paradigm that obsessively focuses on what we do to produce short-term results while sabotaging who we are as healthy human beings. Few have seen alternatives, until now. Grounded proposes a new approach that's designed for actual humans who must grapple with these forces. This new paradigm speaks to our better selves. Based on the author's Healthy Leader model, it focuses on the six personal dimensions that fuel—and refuel—the world's top leaders: physical, emotional, intellectual, social, vocational, and spiritual health. The book argues that leaders at every level can be more self-aware, develop their untapped potential, and drive significantly better results—for themselves, their teams, and their organizations. Shows readers how to build a personal leadership model that works with their values, goals and capabilities Features fresh stories from leaders in a variety of organizations including the New York Fire Department, PricewaterhouseCoopers, The Lego Group, and Medstar Health Gives leaders practical tools to face their toughest challenges with greater skill, confidence, and impact By developing themselves and mastering the six dimensions, readers can gain the stamina and strength to not only weather tough times but to achieve much, much more.
