Muhammad Ali has attained mythical status. But in recent years, he has been subjected to an image makeover by corporate America as it seeks to homogenize the electrifying nature of his persona. Hauser argues that there has been a deliberate distortion of what Ali believed, said, and stood for, and that making Ali more presentable for advertising purposes by sanitizing his legacy is a disservice to history as well as to Ali himself. 'The man who has no imagination Stands on earth He has no wings He cannot fly' Muhammad Ali Just off Highway 61 in northern Pennsylvania, up the dirt drive of a wooded hill lay a place called Fighter's Heaven. This was once the training camp of the 'greatest of all times'. From early '73 through the summer of '74 Victor Bockris visited Muhammad Ali, while Ali was preparing for his epic battle in Zaire to regain the World Heavyweight crown from the fearsome George Foreman. Bockris, who was later to write about people like William Burroughs, Andy Warhol and Lou Reed was less interested in his subject's boxing career and ambitions than in his extraordinary gifts as a poet, preacher and performer. The bestselling biography of Muhammad Ali—with an Introduction by Salman Rushdie On the night in 1964 that Muhammad Ali (then known as Cassius Clay) stepped into the ring with Sonny Liston, he was widely regarded as an irritating freak who danced and talked way too much. Six rounds later Ali was not only the new

world heavyweight boxing champion: He was "a new kind of black man" who would shortly transform America's racial politics, its popular culture, and its notions of heroism. No one has captured Ali--and the era that he exhilarated and sometimes infuriated--with greater vibrancy, drama, and astuteness than David Remnick, the Pulitzer Prize-winning author of *Lenin's Tomb* (and editor of *The New Yorker*). In charting Ali's rise from the gyms of Louisville, Kentucky, to his epochal fights against Liston and Floyd Patterson, Remnick creates a canvas of unparalleled richness. A classic book that traces Muhammad Ali's political development in the sixties When Muhammad Ali died, many mourned the life of the greatest sportsman the world had ever seen. In *Redemption Song*, Mike Marqusee argues that Ali was not only a boxer but a remarkable political figure in a decade of tumultuous change. Playful, popular, always confrontational, Ali refashioned the role of a political activist and was central, alongside figures such as Malcolm X and Martin Luther King, to the black liberation and the anti-war movements. Many books

and movies have been created by telling the story of my brother, Muhammad Ali. However, before I am called home, I want to share some of my life stories and memories with this book so people can learn more about my family, my brother, and me through the eyes of a member of the Clay/Ali family. I was there from the beginning and witnessed first-hand how our family's lives were changed as 'The Greatest of all Time' emerged from being a fun-loving kid on the streets of Louisville, Kentucky, to becoming an icon recognized around the world. The memories I share in this book are ones that I will treasure forever. Living through these experiences helped shape my life and made me the man I am today. I can say for a fact that no other man took as many punches from the champ as I did as a result of the training and sparring sessions that we had over the years together. It is my hope that after reading my story and accounts of key events in my family's life, you will walk away with an even greater appreciation of the Clay/Ali family name, history and legacy. I encourage you to treasure each day and strive for your own personal greatness. Peace be upon you (As-salamu alaykum) Rahaman Ali a.k.a.
