**Dhyana Vahini** Aug 20 2020 Bhagawan says that treading the spiritual path is like walking on a razor's edge. One has to be ever vigilant, train the mind to dwell on the Lord constantly. To quote Bhagawan, "Control the senses, which run helter-skelter; then, the origins of the disease will be destroyed. Let the mind keep a watch over its gymnastics; dam up the mad flood of thoughts and plans and schemes; then, there will be no room for worries and anxieties in the mind. To diminish the wanderings of your thoughts, repeat the name of the Lord; that will keep out your sorrows and troubles. Without the effacement of the mind, spiritual wisdom cannot dawn. The full person is one, who has succeeded in this." One should practise meditation assiduously, since it is the basis of all spiritual practice (Sadhana). Bhagawan says that one should fasten the mind on the Lord and keep off all other thoughts from the mental plane. That is the full fruition of meditation. For aspirants, who want to lead a God-centric life, careful reading of this Vahini will help them to reach the goal of life.

**Plain and Simple** Aug 12 2022 "I had an obsession with the Amish. Plain and simple. Objectively it made no sense. I, who worked hard at being special, fell in love with a people who valued being ordinary." So begins Sue Bender's story, the captivating and inspiring true story of a harried urban Californian moved by the beauty of a display of quilts to seek out and live with the Amish. Discovering lives shaped by unfamiliar yet comforting ideas about time, work, and community, Bender is gently coaxed to consider, "Is there another way to lead a good life?" Her journey begins in a New York men's clothing store. There she is spellbound by the vibrant colors and stunning geometric simplicity of the Amish quilts "spoke directly to me," writes Bender. Somehow, "they went straight to my heart." Heeding a persistent inner voice, Bender searches for Amish families willing to allow her to visit and share in their daily lives. Plain and Simple vividly recounts sojourns with two Amish families, visits during which Bender enters a world without television, telephone, electric light, or refrigerators; a world where clutter and hurry are replaced with inner quiet and calm ritual; a world where a sunny kitchen "glows" and "no distinction was made between the sacred and the everyday." In nine interrelated chapters--as simple and elegant as a classic nine-patch Amish quilt--Bender shares the quiet power she found reflected in lives of joyful simplicity, humanity, and clarity. The fast-paced, opinionated, often frazzled Bender returns home and reworks her "crazy-quilt" life, integrating the soul-soothing qualities she has observed in the Amish, and celebrating the patterns in the Amish, and celebrating the patterns formed by the distinctive "patches" of her own life. Charmingly illustrated and refreshingly spare, Plain and Simple speaks to the seeker in each of us.

**Vivekacudamani, the Crest Jewel of Discernment** Apr 08 2022 What is Advaita Vedanta? What means or instruments does it utilize in its attempt to comprehend Reality? What is the nature of its aim? If we begin by answering these questions, we will be ready to follow with the right intelligence the message given by the great SANKARA in Vivekacudamani. The path which is outlined here is not for the majority, quite the contrary. It is for those who, having attained "maturity," tend towards full Awakening. It is for those who want to bring about a profound revolution within themselves; and this requires an act of courage, of steadfastness and, at the same time, of great humility. Advaita

Vedanta is for those who, tired of a long pilgrimage, have finally stopped and in the silence of their own hearts have decided to launch a powerful attack on that terrible and treacherous enemy who lives not outside of us but right within us, and thus realize full liberation from all psycho-physical conflict and bondage. As darkness and its effects vanish when the sun rises, so, when realization of non-dual beatitude dawns, do bondage and suffering vanish without a trace (Vivekacudamani, sutra 319) SANKARA has been one of the greatest philosophers of India. He dedicated his brief and intense life (788-820) to re-establish the authority of the ruti, to codify the Advaita Vedanta, the doctrine of Non-duality, and to anchor the Metaphysical Tradition of the Veda through the foundation of monasteries (maḥa) and monastic orders. With his bhāṣya (commentary) to the Upanisad, the Brahmasutra, and the Bhagavadgita, and with his own writings, Sankara has profoundly influenced not only India's philosophical development, but that of the entire world. RAPHAEL is author and Master in the Western Metaphysical Tradition as well as the Vedanta. For over 35 years, he has written a series of books on the pathway of Non-duality (Advaita). He has translated directly from the original Sanskrit and Edited a number of key Vedanta texts. His entire work is a conscious reunification of both Western and Eastern Traditions into Unity of Tradition.

[Gaṇeśapurāṇa](#) Jun 22 2023 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.
