The Massive Planet on 05 2022 Captain Christopher Riley and his brave crew of the Earth Core United spaceship, Deep Contact, set out for adventure beyond the solar system. Their mission is to traverse space and discover new worlds for colonization; They represent humanity seeking to expand, explore, and search for alien life in any form. Alone and in the uncharted wilderness of the cosmos, they try to survive and

complete the mission on behalf of Earth Core United. Deep Contact almost collides with a massive planet appearing out of nowhere. A Jupiter-like world that popped right into its main flight path. The crew try desperately to figure out a way to break free of its gravity as it pulls them deeper inside. Even though the ship should have been crushed instantly the minute they came into its wake; It falls deeper into the atmosphere's densely thick clouds, endangering them all to whatever doom awaits. Captain Riley and his crew must race to figure out how to escape this huge world before they crash into its core, but do they have time to solve this riddle? Or will this be their one and only mission of failure?

Jonny Plumb and the Silver Space Ship May 09 2022 "Jonny Plumb and the Silver Space Ship" is Book 2 in "The Adventures of Jonny Plumb Series" and continues the incredible adventures of Jonny Plumb and the Golden Globe. The stunning "Silver Flying Arrow Space Ship" is the fastest machine ever built and takes Jonny on all kinds of jaw-dropping, deep-space adventures. Read in amazement as Jonny Plumb continues to battle and capture the evil Gnud Repeek and then return him to the prison planet of Suproc to be tried for all his dastardly crimes against humanity. Join Jonny Plumb and all his Sea Life friends in his new adventures, swimming, singing - and almost too much parping and splashing - below the waters of Jonny's bath. Climb aboard "The Silver Flying Arrow" and travel with them at twice the speed of light across the universe to visit Jonny Plumb's home Pashoo. Be stunned as Jonny Plumb struggles to save

humanity, the Earth, the Oceans, and even his own space-parents' home in the Sombrero Galaxy from a fate worse than death. Then be amazed at what Jonny discovers at Area 51, where he finds and frees Cosmos, the only surviving alien from the Roswell UFO crash. Meet Professor Ziad, who works for the highly secretive organization known as C.I.L.I.S.O.D., and his mad-as-a-bat wife, Philomena Flatulent Fudge-Bucket. Come share the new, exciting Earth and space adventures with Jonny Plumb and all his friends - including his two most fearsome loyal companions Legend and Legion, the largest Rottweilers known to humankind... Author Kim Wheeler is a photographer, a writer of over one hundred published poems and several books, a dog trainer and dog rescuer. He has also learned to play the guitar but reports that his strumming sounds sadly like a horse eating shreddies. Kim now enjoys a life of contentment in writing, walking his two rescue dogs, and making beautiful photos of them and the lovely countryside near his home, also displayed on his website. In the Jonny Plumb books, Kim lets his imagination and "silly side" soar as he takes young readers on grand galactic and underwater adventures with host of memorable characters and canine companions inspired by his own two Rottweilers.

There's a Spaceship in the Hot Tub Jan 17 2023 "There's a Spaceship in the Hot Tub!" is a delightful story for Primary School age children. It is written as a culmination of fun adventures, country style living and the formation of valued friendships. It is a short, easy to read, fun book for everyone. The story itself can be read by an adult to a child, to create a bond, a beautiful and fun connection, or as an independent story for older readers. It is based around my childhood adventures growing up with freedom and fun on my family farm. The true beauty of nature is a constant theme throughout the pages, and to gently encourage readers to appreciate the simple delight that nature offers. Often, we all get caught up in life's struggles and demands, without taking the time out to simply enjoy what is around us in the form of nature. The gentle breeze in the gumtrees, the beauty of the sun as it lights up the sky, or the serenity of a piece of water found deep within the bush. The children are involved in fun farm activities, bush adventures and a local sports event which will have young sports enthusiasts eager to read on. The four children involved in the story line as the main characters, provide entertainment, whilst highlighting the value of real friendships. And the ease at which real

friendships develop naturally and have the capacity to enhance our love and enjoyment of life immeasurably. If by reading this quaint little story one child smiles, enjoys reading or listening to this book, my goal is achieved. My aim in life is always about bringing joy, and love into people's lives!
