Lord of the High Lonesome Jun 16 2022 An
English royal melts the heart of a lonesome
ranch girl in this Americana romance set in the

Roughrider State from the New York
Times-bestselling author. At twenty-one,
Katherine "Kit" Bonner is the de facto manager
of the Flying Eagle Ranch in the badlands of
North Dakota. For three generations, the
Bonners have tended the land and its cattle on
behalf of its absentee owners—a family of
English barons who seem to be more of a myth
than anything else. So Kit is taken by surprise
when the current baron, Reese Talbot, shows
up announced. Deceived by his American
accent, Kit mistakes Reese for a salesman and
tries to send him packing. He, in turn, can't
quite tell if the grimy, shapeless figure on
horseback is a man or a woman. But Kit is in for
an even bigger surprise when she realizes that
her madding, yet undeniably gorgeous, new
boss is planning to stay at the ranch long-term.
As Reese attempts to pierce Kit's tough
exterior, he begins to win her grudging
respect—and to thaw the ice surrounding her
high lonesome heart.

High Lonesome Aug 31 2023 A darkly comic,
fiercely tragic, and strikingly original odyssey
into contemporary American life by "the Jimi
Hendrix of American short fiction" (Interview).
The thirteen masterful tales in this collection by

the award-winning author of *Airships and Bats
Out of Hell* explore lost moments in time with
intensity, emotion, and an eye to the past. In
"Uncle High Lonesome," a young man recalls
an uncle's drinking binges and the rage
unleashed, hinting at dark waters of distress.
Fishing is transformed into a life-altering,
almost mystical event in "A Creature in the Bay
of St. Louis." And in "Snerd and Niggero," a
deep friendship between two men is inspired by
the loss of a woman they both loved. Viewed
through memory and time's distance, Barry
Hannah's characters are brightly illuminated
figures from a lost time, whose occasionally
bleak lives are still uncommonly true. "Barry
Hannah's writing is raw and exhilarating,
tortured, radiant, vicious, aggressive, funny,
and streaked with rage, pain and bright poetic
truth." —The Philadelphia Inquirer on *Airships
The High Lonesome* Aug 19 2022 Presents
stories of mountaineers and explorers who have
climbed the world's highest peaks.
The High Lonesome Sound Jul 26 2020 The
High Lonesome Sound, like its predecessor,
Crow on the Wire, is poetry qua journal. While
this book continues the project begun with
Crow on the Wire, the collections can be read

independently. As with *Crow on the Wire*, *The High Lonesome Sound* consists of poems in the octet & quatrain forms-themselves very loosely based on the classical Chinese *lüshi* & *jueju*. Again like *Crow on the Wire*, this collection is structured around monthly sequences describing the phases of the moon. *The High Lonesome Sound* begins with separation & ends with connection. In between we follow the narrator's exploration of the streets & scenes in Portland, with the landscapes he encounters answering an internal call & an internal reality.

A High, Lonesome Call Mar 26 2023 This is the moving, autobiographical, and often humorous story of a middle-aged carpenter and his two Brittany gun dogs who, together, make an annual trek during bird-hunting season.

Texas Bluegrass History Jan 12 2022 Texas has nurtured a thriving bluegrass scene since the early 1950s. The Lone Star State boasts the country's first bluegrass college degree and even hosts a Beatles bluegrass cover band. Meet the Pickin' Singin' Professor, the Fiddle Engineer and Blanco's Bluegrass Boy. Hit the trail with cowboys like the Mayfield brothers and go backstage with Grammy-nominated acts like Wood & Wire. Jeff Campbell and Braeden Paul celebrate the musicians who contributed to the harmonious heritage of Texas bluegrass.

Carolina Bluegrass Aug 07 2021 In the Carolinas, bluegrass is more than music—it's a way of life. The origins of the genre date back to the earliest frontier settlements, and banjo music appeared at dances in Greenville, South

Carolina, as early as 1780. The genre was essential to socialization in the textile mills of both states. Old-time music of the Blue Ridge Mountains heavily influenced the sound. Bill Monroe, considered by many to be the father of bluegrass, began his recording career in Charlotte in 1936. Many of the most popular bands, such as the Hired Hands and Briarhoppers, regularly performed live on local television stations in Columbia, Spartanburg and Charlotte. Today, bluegrass festivals fill local calendars across the region. Author Gail Wilson-Giarratano uses interviews and the historic record to tell this unique and compelling story.

High Lonesome Sound Oct 21 2022 In the sleepy mountain town of Moon Hollow, Virginia, there is a church with a crooked steeple. No one will say for sure how it got that way, but it's the reason the whole town gathers every Decoration Day to honor the dead. This year, there are two fresh graves up on Cemetery Hill, a stranger's come to town, and the mountain's song is filled with dark warnings. The good people of Moon Hollow are about to learn that some secrets are too painful to bear, and some spirits are too restless to stay buried.

High Lonesome May 28 2023 Considine and Pete Runyon had once been friends, back in the days when both were cowhands. But when Runyon married the woman Considine loved, the two parted ways. Runyon settled down and became a sheriff. Considine took up robbing banks. Now Considine is planning a raid on the

bank at Obaro, a plan that will pit him against Runyon . . . and lead to riches or suicide. The one thing he never counted on was meeting a strong, beautiful woman and her stubborn father, hell-bent on traveling alone through Apache territory to a new life. Suddenly Considine must choose between revenge and redemption—and either choice could be the last one he makes.

High Lonesome Nov 09 2021

Industrial Strength Bluegrass Jul 06 2021 In the twentieth century, Appalachian migrants seeking economic opportunities relocated to southwestern Ohio, bringing their music with them. Between 1947 and 1989, they created an internationally renowned capital for the thriving bluegrass music genre, centered on the industrial region of Cincinnati, Dayton, Hamilton, Middletown, and Springfield. Fred Bartenstein and Curtis W. Ellison edit a collection of eyewitness narratives and in-depth analyses that explore southwestern Ohio's bluegrass musicians, radio broadcasters, recording studios, record labels, and performance venues, along with the music's contributions to religious activities, community development, and public education. As the bluegrass scene grew, southwestern Ohio's distinctive sounds reached new fans and influenced those everywhere who continue to play, produce, and love roots music. Revelatory and multifaceted, *Industrial Strength Bluegrass* shares the inspiring story of a bluegrass hotbed and the people who created it. Contributors:

Fred Bartenstein, Curtis W. Ellison, Jon Hartley Fox, Rick Good, Lily Isaacs, Ben Krakauer, Mac McDivitt, Nathan McGee, Daniel Mullins, Joe Mullins, Larry Nager, Phillip J. Obermiller, Bobby Osborne, and Neil V. Rosenberg.

Across the High Lonesome Dec 23 2022

Across the High Lonesome is a modern western odyssey that invites the reader to hitch a ride through the glacial carved vales and over the high lonesome passes of Californias Range of Light. A journey of love, pain and adventure, brimming with unforgettable characters, salty humor, and recalcitrant mules. Brumfield has taken a lifetime of experience packing dudes into the mountains and distilled it into a delightful work of fiction.

The Civil War in Apacheland Sep 27 2020 The publication of Whiskey, Six-Guns and Red-Light Ladies in 1994 introduced readers to the ribald 1870s diary of frontier saloon keeper, George Hand. More than a decade earlier, George Hand kept another spirited journal, this one recording his service with the Union Army. Marching from California through Arizona, West Texas and southern New Mexico, Sergeant Hand and the other volunteers of the California Column protected the southwest from further invasions by the Texas Rebels. Their hardships and adventures are recorded in Hand's salty journal; heat, dust, thirst and cold; ethnic tensions, frontier whiskey, and Apache depredations; bad food and disease; and imperious officers whom enlisted man Hand does not hesitate to cuss. George Hand also

hunted ducks and quail in a pristine Southwest, pulled huge catfish from the Rio Grande, and rescued a damsel in distress. The Civil War in Apacheland provides an intimate view of a little-known theater of the Civil War, and is the first-hand chronicle of an army that contributed mightily to the American settlement of the Southwest.

The High Lonesome Frontier Nov 21 2022 A meditation about the evolution and influence of a song written in 1902 over the next 150 plus years. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

High Lonesome Feb 22 2023 Considine and Pete Runyon had once been friends, back in the days when both were cowhands. But when Runyon married the woman Considine loved, the two parted ways. Runyon settled down and became a sheriff. Considine took up robbing banks. Now Considine is planning a raid on the bank at Obaro, a plan that will pit him against Runyon . . . and lead to riches or suicide. The one thing he never counted on was meeting a strong, beautiful woman and her stubborn father, hell-bent on traveling alone through Apache territory to a new life. Suddenly Considine must choose between revenge and redemption—and either choice could be the last one he makes.

Lonesome Animals Dec 31 2020 In Lonesome Animals, Arthur Strawl, a tormented former lawman, is called out of retirement to hunt a serial killer with a sense of the macabre who

has been leaving elaborately carved bodies of Native Americans across three counties. As the pursuit ensues, Strawl's own dark and violent history weaves itself into the hunt, shedding light on the remains of his broken family: one wife taken by the river, one by his own hand; an adopted Native American son who fancies himself a Catholic prophet; and a daughter, whose temerity and stoicism contrast against the romantic notions of how the west was won. In the vein of True Grit and Blood Meridian, Lonesome Animals is a western novel reinvented, a detective story inverted for the west. It contemplates the nature of story and heroism in the face of a collapsing ethos –not only of Native American culture, but also of the first wave of white men who, through the battle against the geography and its indigenous people, guaranteed their own destruction. But it is also about one man's urgent, elegiac search for justice amidst the craven acts committed on the edges of civilization.

Signal to Depart May 23 2020

Big Lonesome Apr 02 2021 An inventive, ranging debut story collection from a writer hailed by Charles Yu as "a stunningly original voice—warm, bleak, dark, ecstatic, full of silences and power and life" Reinventing a great American tradition through an absurdist, discerning eye, Joseph Scapellato uses these twenty-five stories to conjure worlds, themes, and characters who are at once unquestionably familiar and undeniably strange. Big Lonesome navigates through the American West—from

the Old West to the modern-day West to the Midwest, from cowboys to mythical creatures to everything in between—exploring place, myth, masculinity, and what it means to be whole or to be broken. Though he works in the tradition of George Saunders and Patrick deWitt—writing subversive, surreal, and affecting stories that unveil the surprising inner lives of ordinary people and the mythic dimensions of our everyday lives—"Scapellato's Big Lonesome is unlike anything else you've ever read" (Robert Boswell).

The World of the Ten Thousand Things Feb 10 2022 The World of Ten Thousand Things gathers The Southern Cross (1981), The Other Side of the River (1984), Zone Journals (1988), and a new group of poems, "Xionia," into one volume, allowing us to see Wright's work of the past decade as, in essence, one long poem, a meditation on self, history, and the metaphysical that is among the most ambitious and resonant creations in contemporary American poetry.

Battles and Leaders Of the Civil War Apr 14 2022

High, Wide and Lonesome Sep 19 2022 A memoir of a childhood homesteading in frontier Colorado: "A book from the heart . . . the stuff of the American dream" (The New York Times). In this memoir of a lost America, Hal Borland tells the story of his family's migration to eastern Colorado as homesteaders at the turn of the twentieth century. On an unsettled and unwelcoming prairie landscape, the Borlands

build a house, plant crops, and eke out a meager existence. While life is difficult—and self-reliance is necessary with no neighbors for miles—the experience brings the family close and binds them closer to the terrible and beautiful natural patterns that govern their lives. Borland would grow up to study journalism and become an acclaimed nature writer, and it was these childhood years on the prairie that shaped the author's heart and mind.

Lonesome Valley Bride Apr 22 2020 ***A Sweet Western Romance***It was the prettiest valley in the High Sierra. And it could be all his if he only married a woman he had never met. Jack Tanner had drifted from job to job. A natural loner, the last thing he ever expected was to end up married to a stranger and owning a beautiful valley. And now, just as he was beginning to put down roots for the first time in his life, someone wanted to take it all away from him. He'd die before he let that happen. Mail-order bride, Jenny O'Neil was coming west to marry Nathaniel Parker only to find out he had been murdered. And here was this tall cowboy telling her that Nathaniel had left his valley to them. But only if they married. A business arrangement, Mr. Tanner called it. Not a true marriage. But what choice did she have? Penniless, no home to go back to, alone in a different world. She had already committed herself to marry a stranger. Although, she had never imagined marrying a man like this. Tall, rough around the edges,

with eyes that touched her soul. Someone has killed and would try to kill again to get their valley. Struggling together, the two of them will fight for what is theirs. All the while, growing closer. Both of them wanting more than a cold business arrangement. Both of them coming to want a true marriage.

High Lonesome Jun 28 2023 A close-up look at country music argues that it has become a national art form, reflecting the same themes that have characterized American art and literature over three centuries

Lawman in the High Lonesome Sep 07 2021 The High & Lonesome Sound Mar 14 2022 Collection of photos from Cohen's travels to East Kentucky in the late 50s/early 60s, focused on local singer Holcomb; includes DVD with documentaries and CD of Holcomb's performances.

Lonesome Lies Before Us: A Novel Oct 09 2021 A contemporary ballad of heartbreak, failure, and unquenchable longing, this novel presents Don Lee at his best. Yadin Park is a talented alt-country musician whose career has floundered—doomed first by his homely looks and lack of stage presence and then by a progressive hearing disorder. His girlfriend, Jeanette Matsuda, might have been a professional photographer but for a devastating heartbreak in her teens. Now Yadin works for Jeanette's father's carpet-laying company in California while Jeanette cleans rooms at a local resort. When Yadin's former lover and musical partner, the celebrated Mallory Wicks,

comes back into his life, all their most private hopes and desires are exposed, their secret fantasies about love and success put to the test. Drawn to the music of indie singer-songwriters like Will Johnson, who helped shape the lyrics in this book, Don Lee has written a novel that unforgettably captures America's deepest yearnings. Beautifully sad and laced with dark humor, *Lonesome Lies Before Us* is a profound, heartfelt romance, a soulful and memorable song.

High Lonesome Sound Jun 04 2021 This is my 15th book of poetry published with Createspace. I enjoy writing all kinds, have a few kids books published as well. Hope everyone enjoys

Death on the High Lonesome Apr 26 2023 Virgil knows that his sleepy hometown is starting to reflect the times, in good ways and bad. It still comes as a shock when his deputy is almost killed by the body of a woman falling from the highway overpass onto his car. A woman who had been fleeing for her life.

The Catfish as Metaphor Jan 29 2021 Based on a three-month, 10,000-mile angling idyll, *The Catfish As Metaphor* reveals there is much to be learned from what is arguably the most popular gamefish within the most popular outdoor sport in the country. For those eager with rod and reel, M. H. Salmon fishes with some of the best catfishers in America, and passes along a variety of knowledge, lore, and techniques. But this book reads more like a novel than a guide. Reaching back into a

lifetime of fishing, the author recounts pike and bass from the wilds of Canada, huge gator gar from the deep South, trout on a fly from the New Mexico mountains, and carp in Montana. [High Lonesome Road](#) Dec 11 2021 Vivid description of Cochise County, Arizona.

Readers are taken back to the harshness of the desert and to Chloe, a victims advocat with the Cochise Attorney's Offive.

[Slapstick or Lonesome No More!](#) Mar 02 2021

"Some of the best and most moving Vonnegut."—San Francisco Chronicle Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today's follies. But even the end of life-as-we-know-it is transformed by Kurt Vonnegut's pen into hilarious farce—a final slapstick that may be the Almighty's joke on us all. "Both funny and sad . . . just about perfect."—Los Angeles Times "Imaginative and hilarious . . . a brilliant vision of our wrecked, wacked-out future."—Hartford Courant

High Lonesome Aug 26 2020 When does a boy become a man? When does he cross that invisible line where marbles and tops and playlike don't matter anymore? Is it when he begins to imagine what it would be like to wake up next to the girl that lives inside his soul? Is it when he buries his best friend wearin' a coat still stained with that friend's blood? Is it when he knows in his heart of hearts he could kill a man and not even think twice about it? These

are the questions that rage in young Crawford Cashion's mind as he rides to his destiny in the turbulent years of the Range Wars in southwest Texas. Though the country has turned a page with a new century, the Old West still lingers on, and so does the prairie. People may change. Attitudes and philosophies come and go, but the prairie--the HIGH LONESOME--will always stay the same--unforgiving of weakness, immutable and severe.

High Lonesome Jul 30 2023 No other writer can match the impressive oeuvre of Joyce Carol Oates. *High Lonesome: New and Selected Stories 1966-2006* gathers short fiction from the acclaimed author's seminal collections and includes eleven new tales that further demonstrate the breathtaking artistry and striking originality of an incomparable talent who "has imbued the American short story with an edgy vitality and raw social surfaces" (Chicago Tribune).

High Lonesome Trails: Hiking Virginia's High Knob Region Nov 29 2020 Far Southwest Virginia's High Knob Region, centered around 4,200-foot High Knob in the George Washington and Jefferson National Forest's Clinch Ranger District, has long flown under the radar as one of central Appalachia's most underrated hiking destinations. Hikers looking to travel the area's trails, which lead to backcountry swimming holes, waterfalls, sweeping vistas, and old-growth forests, have mostly relied on online and word-of-mouth information for trip planning in the past. This trail guide, authored

by local resident and biologist Wally Smith, formalizes information on local trails by profiling more than 25 hiking options throughout the High Knob Region, from shorter dayhikes suitable for beginners to true backcountry trails, some of which can be pieced together for overnight excursions. Each hike writeup includes detailed turn-by-turn directions and info on terrain and scenic features encountered on the trail, as well as driving directions to each trailhead, regional maps showing the location of each hike, and info on recommended maps and other resources for each profiled trail. The guide also includes interpretive information to help readers learn more about the natural history they will encounter along the trail and information on local amenities.

[Gazehounds & Coursing](#) Oct 28 2020

The Fiddler of High Lonesome Jul 18 2022

The fighting Fogle brothers can hardly believe that little Lysander Bochamp is related to them, but welcome him to the family when they find out that his fiddle playing can charm the animals out of the forest.

Infinite Tuesday May 04 2021

The “beautifully written” (The New York Times) autobiography of Michael Nesmith, from his star-making role on The Monkees and his invention of the music video to his critical contributions to movies, comedy, and the world of virtual reality “Reads like the chronicle of a relentless seeker.”—Los Angeles Times Michael Nesmith’s eclectic, electric life spanned his

star-making role on The Monkees, his invention of the music video, and his critical contributions to movies, comedy, and the world of virtual reality. But above all, his is a seeker’s story, a pilgrimage in search of a set of principles to live by. That search took Nesmith from a childhood in Dallas to the set of The Monkees in Los Angeles to the heart of swinging London with John Lennon and Jimi Hendrix. This funny, thoughtful, self-aware book is a window into an unexpected life, inflected at every turn by the surprising candor and absurdist humor of an American original.

Rider from the High Lonesome Jun 24 2020

Cody Winters, a former lawman and most recently a trapper in the rugged northern wilderness of Arizona, was headed for Camp Wood a town where he hoped to settle down and begin a new life for himself. He would soon learn that strangers were not always welcomed in Camp Wood. Those that stayed too long typically ended up at the undertakers. From the moment he rode into town, he fell under the critical sharp-eyed gaze of the always ruthless and often corrupt town marshal. As Cody rode up the street, he fell under the curious blue-eyed gaze of another set of eyes as well. They belonged to Miss Holly Granger, the beautiful daughter of a prosperous cattle rancher. The rancher’s daughter and the former lawman would soon meet and, from that moment on, see their lives swept away toward an unforeseen adventure, and with it hidden danger at every turn. This riveting story of the Old West is

packed with adventure, danger, old-fashion frontier justice, and steamy romance. the Author

Ride the High Lonesome Jan 24 2023 A man bent on revenge. A woman determined to survive. A land that knows no mercy.

WELCOME TO THE OUTLAW TRAIL. When Kate Winters is left stranded in outlaw country, she knows she won't make it out alive...until she stumbles across a ruthless gang hanging a cowboy for his cattle. She waits until the outlaws are gone, desperate enough to claim the dead man's horse to make her escape—only to realize he's not dead after all. Those outlaws should have made damn sure Luke Bowden was good and gone. Now he vows he'll have his revenge no matter the cost. But they're miles away from the nearest town, and the woman who saved his hide won't survive the ride back. He owes her his life—he owes her everything—and it doesn't take long before he's faced with a choice: stand by his savior...or claim his revenge? All the best western historical novels are full of: brave heroes and romantic outlaws, gunfights and a desperate bid for survival, a dusty trail and a land that stretches on to meet the horizon...

[Meet Mr. Grizzly](#) May 16 2022 Meet Mr. Grizzly, first published in 1943, is the memoir of Montague Stevens – a Cambridge-educated Englishman who was a cattle-rancher in New Mexico, and who had a passion for hunting grizzly bears (with the help of his hunting dogs). The book chronicles some of his many

adventures of hunting, dog- and horse-training, and on the natural history of the region.

Included are 15 pages of illustrations.
