*Creative Planning for Library Administration Nov 20 2020 In the seven chapters of this helpful new book, the topics of planning and creativity as they apply to the management of academic libraries are discussed fully, with specific examples and detailed guidelines. Creative Planning for Library Administration will be a helpful resource for administrators, library consultants, and academic librarians alike. Topics such as involving all members of the library staff in decisionmaking and encouraging creativity in an unstable work environment are explored, as are new developments like performance measures. The phrase "Create your own future" serves as the foundation for this timely new book, and the reader is encouraged to come up with new and innovative ways to organize, access, and interpret the world's store of information.*

*The Library Book* May 19 2023 What's the best way to cure a gloomy day? A trip to the library! Based on the hit song by Tom Chapin and Michael Mark, here is an affectionate, exuberant, uproarious celebration of books, reading, and—SHHH!—libraries! The rain is pouring, Dad is snoring, and the same old stuff is on TV—boring. What is there to do today? Go to the library, of course! Who will we meet there? Let's find out!

*The Library Book* Jul 21 2023 A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A WASHINGTON POST TOP 10 BOOK OF THE YEAR \* A NEW YORK TIMES BESTSELLER and NEW YORK TIMES NOTABLE BOOK OF 2018 “A constant pleasure to read...Everybody who loves books should check out *The Library Book*.” —*The Washington Post* “CAPTIVATING...DELIGHTFUL.” —*Christian Science Monitor* \* “EXQUISITELY WRITTEN, CONSISTENTLY ENTERTAINING.” —*The New York Times* \* “MESMERIZING...RIVETING.” —*Booklist* (starred review) A dazzling love letter to a beloved institution—and an investigation into one of its greatest mysteries—from the bestselling author hailed as a “national treasure” by *The Washington Post*. On the morning of April 29, 1986, a fire alarm sounded in the Los Angeles Public Library. As the moments passed, the patrons and staff who had been cleared out of the building realized this was not the usual fire alarm. As one fireman recounted, “Once that first stack got going, it was ‘Goodbye, Charlie.’” The fire was disastrous: it reached 2000 degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning *New Yorker* reporter and *New York Times* bestselling author Susan Orlean delivers a mesmerizing and uniquely compelling book that manages to tell the broader story of libraries and librarians in a way that has never been done before. In *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries across the country and around the world, from their humble beginnings as a metropolitan charitable initiative to their current status as a cornerstone of national identity; brings each department of the library to vivid life through on-the-ground reporting; studies arson and attempts to burn a copy of a book herself; reflects on her own experiences in libraries; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. Along the way, Orlean introduces us to an unforgettable cast of characters from libraries past and present—from Mary Foy,

who in 1880 at eighteen years old was named the head of the Los Angeles Public Library at a time when men still dominated the role, to Dr. C.J.K. Jones, a pastor, citrus farmer, and polymath known as "The Human Encyclopedia" who roamed the library dispensing information; from Charles Lummis, a wildly eccentric journalist and adventurer who was determined to make the L.A. library one of the best in the world, to the current staff, who do heroic work every day to ensure that their institution remains a vital part of the city it serves. Brimming with her signature wit, insight, compassion, and talent for deep research, *The Library Book* is Susan Orlean's thrilling journey through the stacks that reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country. It is also a master journalist's reminder that, perhaps especially in the digital era, they are more necessary than ever.

*The Library Book* Jun 20 2023 A New York Times Book of the Year, 2018 A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A dazzling love letter to a beloved institution - our libraries. After moving to Los Angeles, Susan Orlean became fascinated by a mysterious local crime that has gone unsolved since it was carried out on the morning of 29 April 1986: who set fire to the Los Angeles Public Library, ultimately destroying more than 400,000 books, and perhaps even more perplexing, why? With her characteristic humour, insight and compassion, Orlean uses this terrible event as a lens through which to tell the story of all libraries - their history, their meaning and their uncertain future as they adapt and redefine themselves in a digital world. Filled with heart, passion and extraordinary characters, *The Library Book* discusses the larger, crucial role that libraries play in our lives.

*Historical Sketch of the Mercantile Library, Philadelphia, and the 93d Annual Report* May 27 2021 The 39th report, 1862 contains the charter, by-laws, library rules, and list of subscribers and stockholders; the 42d, 1865 and 45th, 1868, List of members; the 46th, 1869, Amended charter; 77th, 1900, List of stockholders with

*Chasing Cassandra Mar 05 2022 ONE OF OPRAH MAG'S BEST ROMANCES OF 2020! Everything has a price . . . Railway magnate Tom Severin is wealthy and powerful enough to satisfy any desire as soon as it arises. Anything—or anyone—is his for the asking. It should be simple to find the perfect wife—and from his first glimpse of Lady Cassandra Ravenel, he's determined to have her. But the beautiful and quick-witted Cassandra is equally determined to marry for love—the one thing he can't give. Everything except her . . . Severin is the most compelling and attractive man Cassandra has ever met, even if his heart is frozen. But she has no interest in living in the fast-paced world of a ruthless man who always plays to win. When a newfound enemy nearly destroys Cassandra's reputation, Severin seizes the opportunity he's been waiting for. As always, he gets what he wants—or does he? There's one lesson Tom Severin has yet to learn from his new bride: Never underestimate a Ravenel. The chase for Cassandra's hand may be over. But the chase for her heart has only just begun . . .*

*Library Bookbinding Apr 25 2021 "Library Bookbinding" by Arthur Low Bailey is an informational handbook for bookbinders to help them learn the best and most efficient way to go through the process. The materials needed, the cost at the time, and the before, during, and after preparation processes are all described in this text. It also gives recommendations about the different types of binding needed for different types of publications, noting specifically the need for different binding processes for pamphlets.*

*Progressive Library Organizations Dec 14 2022 This work presents the history and impact of the seven most important progressive library organizations worldwide--in Austria, Germany, South Africa, Sweden, United Kingdom, and two in the United States. Each organization is considered within its national context, and in fact, the English word "organization" does not quite fit the nature of all of the groups. The South African organization, LIWO, was transitional in that it helped bring South African librarianship from apartheid to majority rule and then disbanded. The other*

organizations or their successors are still working in one form or another. Some of the organizations have had or continue to have vibrant local chapters, though many of the original activists have recently retired or died. The author has interviewed many of them at a time when they were assessing their life work, and handing off to new generations.

*Patriotism: a Reading List Aug 18 2020* This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*The Library Book Aug 22 2023* Susan Orlean's bestseller and New York Times Notable Book is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. "Everybody who loves books should check out *The Library Book*" (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a "delightful...reflection on the past, present, and future of libraries in America" (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the "exquisitely written, consistently entertaining" (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long

*suspected of setting fire to the LAPL more than thirty years ago. "A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories" (Star Tribune, Minneapolis), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.*

*The Book of Delights Dec 22 2020 "Ross Gay's eye lands upon wonder at every turn, bolstering my belief in the countless small miracles that surround us." —Tracy K. Smith, Pulitzer Prize winner and U.S. Poet Laureate The winner of the NBCC Award for Poetry offers up a spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay's *The Book of Delights* is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture; the loss of those he loves. Among Gay's funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend's unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the*

*mushrooms, the trees. This is not a book of how-to or inspiration, though it could be read that way. Fans of Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay's voice, and his insights. The Book of Delights is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay's pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight.*

*It Began with Lemonade Feb 21 2021 From New York Times bestselling author Gideon Sterer is an imaginative, colorful tale of making (and selling!) lemonade from life's lemons is not too sour and not too sweet. One scorching hot summer day, a spunky young girl decides to sell lemonade . . . only to find there are too many other young entrepreneurs on her street with the same idea. So she sets off with her lemonade stand and ends up at the river's edge, where she discovers a most unexpected, quirky, and very thirsty clientele.*
