Meow Jun 20 2023 Cats have a way of walking into our lives and making themselves right at home. No cat lover can imagine life without a feline presence -- even if it is only as fleeting as the occasional conversation with a neighbourhood stray. *Meow: A book of happiness for cat lovers* is a compendium of delightful quotes that capture the essence of this fascination. Some are by famous people (Mark Twain, Jean Cocteau, Ernest Hemingway), others not; some are philosophical, others lighthearted -- all are memorable. Accompanied by beautiful photography, and presented in a high-quality gift format, this is a collection of quotes to treasure.

**Some Kind of Happiness** Aug 18 2020 Reality and fantasy collide in this "beautiful and reflective tale" (Booklist, starred review) for fans of *Counting by 7s* and *Bridge to Terabithia*, about a girl who must save a magical make-believe world in order to save herself. Things Finley Hart doesn't want to talk about: -Her parents, who are having problems. (But they pretend like they're not.) -Being sent to her grandparents' house for the summer. -Never having met said grandparents. -Her blue days--when life feels overwhelming, and it's hard to keep her head up. (This happens a lot.) Finley's only retreat is the Everwood, a forest kingdom that exists in the pages of her notebook. Until she discovers the endless woods behind her grandparents' house and realizes the Everwood is real--and holds more mysteries than she'd ever imagined, including a family of pirates that she isn't allowed to talk to, trees covered in ash, and a strange old wizard living in a house made of bones. With the help of her cousins, Finley sets out on a mission to save the dying Everwood and uncover its secrets. But as the mysteries pile up and the frightening sadness inside her grows, Finley realizes that if she wants to save the Everwood, she'll first have to save herself.

**This Is Happiness** May 07 2022 NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST and REAL SIMPLE A profound and enchanting new novel from Booker Prize-longlisted author Niall Williams about the loves of our lives and the joys of reminiscing. You don't see rain stop, but you sense it. You sense something has changed in the frequency you've been living and you hear the

quietness you thought was silence get quieter still, and you raise your head so your eyes can make sense of what your ears have already told you, which at first is only: something has changed. The rain is stopping. Nobody in the small, forgotten village of Faha remembers when it started; rain on the western seaboard was a condition of living. Now--just as Father Coffey proclaims the coming of electricity--it is stopping. Seventeen-year-old Noel Crowe is standing outside his grandparents' house shortly after the rain has stopped when he encounters Christy for the first time. Though he can't explain it, Noel knows right then: something has changed. This is the story of all that was to follow: Christy's long-lost love and why he had come to Faha, Noel's own experiences falling in and out of love, and the endlessly postponed arrival of electricity--a development that, once complete, would leave behind a world that had not changed for centuries. Niall Williams' latest novel is an intricately observed portrait of a community, its idiosyncrasies and its traditions, its paradoxes and its inanities, its failures and its triumphs. Luminous and otherworldly, and yet anchored with deep-running roots into the earthy and the everyday, *This Is Happiness* is about stories as the very stuff of life: the ways they make the texture and matter of our world, and the ways they write and rewrite us.

**21 Steps to Happiness** Dec 14 2022 Lynn Blanchett's *Steps to Happiness: Step 1: Find a job.* (Done! I'm doing PR for hotshot young designer Muriel B.—which I'm totally unqualified for.) *Step 2: Find a man.* (Check! There's a rich, gorgeous man chasing me...so what if I find him infinitely less appealing than my charming, possibly gay, French coworker?) *Step 3: Find a translator.* (Hmm? I do have that French-English dictionary...but it so doesn't help with the language of love.) *Step 4: Find a shower.* (I did just fly in from New York.... I can't be fabulous all the time!) Dropped into a ridiculously cushy job in Paris by her distant fashion-icon mother, all Lynn has to do to prove she's not a fraud (which she is!) is figure out what exactly her job entails, how she got involved in something that can only be described as fashion treason and how to untangle her love life in time to make Muriel B.'s next runway show the event of the season. With time running short and expertise running low, Lynn has little to guide her but a self-help manual that promises twenty steps to happiness.

**Pieces of Happiness** Nov 20 2020 A novel of five lifelong friends who, in their sixties, decide to live together on a cocoa farm in Fiji, where they not only start a chocolate business but strengthen their friendships and rediscover themselves. "I've planted my feet on Fijian earth and I intend to stay here until the last sunset. Why don't you join me? Leave behind everything that didn't work out!" When Sina, Maya, Ingrid, and Lisbeth each receive a letter in the mail posing the same question, the answer is obvious. Their old high school friend Kat—Kat the adventurer, Kat who spread her wings and took off as soon as they graduated—has extended the invitation of a lifetime: Come live with me

on my cocoa farm in Fiji. Come spend the days eating chocolate and gabbing like teenagers once again, free from men, worries, and cold. Come grow old in paradise, together, as sisters. Who could say no? Now in their sixties, the friends have all but resigned themselves to the cards they've been dealt. There's Sina, a single mom with financial woes; gentle Maya who feels the world slipping away from her; Ingrid, the perennial loner; Lisbeth, a woman with a seemingly picture-perfect life; and then Kat, who is recently widowed. As they adjust to their new lives together, the friends are watched over by Ateca, Kat's longtime housekeeper, who oftentimes knows the women better than they know themselves and recognizes them for what they are: like "a necklace made of shells: from the same beach but all of them different." Surrounded by an azure-blue ocean, cocoa trees, and a local culture that is fascinatingly, joyfully alien, the friends find a new purpose in starting a business making chocolate: bittersweet, succulent pieces of happiness. A story of love, hope, and chocolate, *PIECES OF HAPPINESS* will reaffirm your faith in friendship, second chances, and the importance of indulging one's sweet tooth.

*Mayumi and the Sea of Happiness* May 27 2021 Finalist for the 2016 PEN AWARD for Debut Fiction Books may be Mayumi Saito's greatest love and her one source of true pleasure. Forty-one years old, disenchanted wife and dutiful mother, Mayumi's work as a librarian on a small island off the coast of New England feeds her passion for reading and provides her with many occasions for wry observations on human nature, but it does little to remedy the mundanity of her days. That is, until the day she issues a library card to a shy seventeen-year-old boy and swiftly succumbs to a sexual obsession that subverts the way she sees the library, her family, the island she lives on, and ultimately herself. Wary of the consequences of following through on her fantasies, Mayumi hesitates at first. But she cannot keep the young man from her thoughts. After a summer of overlong glances and nervous chitchat in the library, she finally accepts that their connection is undeniable. In a sprawling house emptied of its summer vacationers, their affair is consummated and soon consolidated thanks to an explosive charge of erotic energy. Mayumi's life is radically enriched by the few hours each week that she shares with the young man, and as their bond grows stronger thanks not only to their physical closeness but also to their long talks about the books they both love, those hours spent apart seem to Mayumi increasingly bleak and intolerable. As her obsession worsens, in a frantic attempt to become closer to the young man, Mayumi nervously befriends another librarian patron, the young man's mother. The two women forge a tenuous friendship that will prove vital to both in the most unexpected ways when catastrophe strikes. Exquisitely written, *Mayumi and the Sea of Happiness* is part wry confession, part serious meditation. At its most anxious, it's a book about time, at its most ecstatic, it's a deeply human story about pleasure. From the Trade Paperback edition.

**On Earth We're Briefly Gorgeous** Dec 02 2021 The instant New York Times Bestseller • Nominated for the 2019 National Book Award for Fiction "A lyrical work of self-discovery that's shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning." —Ron Charles, The Washington Post Ocean Vuong's debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We're Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, On Earth We're Briefly Gorgeous is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more!
