An intimate, revealing look at the legendary band, documented in a series of personal, never-before-seen photographs taken during The Beatles' three U.S. tours—the largest single trove of such important unknown rock photographs ever uncovered In the early 1960s, four working-class lads from Liverpool invaded America, igniting a cultural revolution that would transform a generation and change the world. During that time, few were closer to The Beatles than Bob Bonis, the tour manager for all three U.S. tours, 1964, 1965, and 1966. While on the road with the Fab Four, Bonis, a passionate amateur photographer with a keen eye, an innate sense of composition, and a deep love for his subjects, snapped some nine hundred photographs of the band—a remarkable collection that until now has only been known to family and close friends. Unearthed after forty-five years, the photos that comprise The Lost Beatles Photographs form a groundbreaking portrait of the most iconic band of the twentieth century at a pivotal time in their career, conquering America. Bonis's photos offer fans unprecedented, behind-the-scenes access to The Beatles during their breakthrough moments on the world stage, from rehearsing backstage to stellar performances in concert. Here are John Lennon, Paul McCartney, George Harrison, and Ringo Starr in casual moments, in rehearsal, in concert, in dressing rooms, on vacation, at press events, on the road. Funny, surprising, provocative, beautiful, these photos recall an unforgettable period in history and offer a fresh look at these legends at the beginning of their fame. Whether you're a devoted aficionado or just discovering the Fab Four, The Lost Beatles Photographs is a remarkable addition to Beatle lore and a must-have for every fan. The photographs are a compact summary of Bob Mazzer's work since the 1960s: photographs from London, including the famous Underground images; hippie life in Wales; loving life in France; expanding life in the USA and local life in Hastings. "The official monograph of rock and roll's most famous photographer, Rock Seen is a must-have for all rock fans." (RollingStone.com) For forty years, Bob Gruen's name has been synonymous with rock and roll. From taking early photos on tour with Ike and Tina Turner, to capturing the early CBGB/Max's Kansas City scene to covering current stadium rockers such as Green Day, Gruen has always been at the right place at the right time—and he's always gotten the shot. In this lavish monograph, Gruen has curated his favorite photographs from his career, with intimate captions and behind-the-scenes anecdotes. Featuring such illustrious acts as the Clash, Led Zeppelin, the Rolling Stones, Sex Pistols, Ramones, and more, and including an introduction by the legendary Debbie Harry of Blondie, this collection is a must-have for

all fans of rock and roll. "Rock Seen offers a disarmingly natural look at icons like Blondie and Cher before the era of the posed rock-star portrait kicked in." —Entertainment Weekly "Rock Seen . . . hits the high points on and off the stage in rock's past four decades." —USA Today "Go backstage with forty years' worth of rock-and-roll images from the legendary lens of Bob Gruen. . . . From over-the-top action shots of Elton John's acrobatics to private pics of Lennon and Yoko in bed with baby Sean to boozy plane rides with the Sex Pistols, the glossy pages act as your VIP pass to the rock-star lifestyle you've dreamed of." —Marie Claire "Gruen had a front-row seat to the rise of many rock legends [from] Elton John to Green Day." —The New York Post First published in 2005. New York: Stewart, Tabori & Chang. Rock and Roll Photography is a major publishing undertaking. At 400 pages, with a quality hardback edition and more than 600 images, this book covers 50 years of rock and roll like no other. Featuring the art of Bob King, the internationally renowned photographer, and introductions by Glen A. Baker, this tome is the ideal addition for any rock and roll fan, young or old. Rock and Roll Photographer showcases most of the world's great music acts ... including The Beatles, The Rolling Stones, U2, AC/DC, Elton John, Midnight Oil, ABBA, Billy Joel, Dire Straits, Foo Fighters, Cold Chisel and many, many more ... as well as tour events and tour history. The ideal gift and collectors item for the rock and roll fan, Rock and Roll Photography features wonderfully rare images from the archives of Bob King. Bob Langrish's World of Horses is the culminating collection of a master photographer who has traveled six continents in search of the most compelling horses in their native habitats. From the Mongolian steppe to the South African desert, barrier islands to city streets, Langrish has recorded the lives and activities of these majestic and beloved animals. His images capture the grace and soul of horses in all shapes and sizes. Brisk, lively text by Olympic gold medalist Jane Holderness-Roddam accompanies each photo, relating the story of how horse behaviors and traits vary by habitat, as well as the behind-the-scenes details of Langrish's adventures. Dramatic, poignant, and personal, Langrish's photos are a testament to the ancient and abiding horse-human relationship. Just Bobby is a coffee table photography book of the Grateful Dead's Bob Weir taken from the 1975 to 2021 time by Grateful Dead photographer Bob Minkin. In addition to Bob's iconic photos of Weir, many never-before-seen images are also pictured. Additionally there are essays and stories to accompany the photographs from people and musicians who were close to Bob or who were influenced by him. These indelible images capture peak moments from concerts at venues such as Red Rocks, Winterland, Radio City Music Hall, Madison Square Garden, Capitol Theater, Shoreline, Oakland, and even Europe, along with Sweetwater Music Hall, Terrapin Crossroads and Bob's TRI Studios, with live onstage, and intimate behind the scenes captures. Bob with the Grateful Dead will be well represented as will Ratdog, Wolf Brothers, Furthur, Dead and Company and more. "Gruen chronicles his adventures as one of the preeminent photographers of rock and roll in his spectacular memoir . . . a roller-coaster narrative" (Publishers Weekly, starred review). Bob Gruen is one of the most well-known and respected photographers in rock and roll. From John Lennon to Johnny Rotten; Muddy Waters to the Rolling Stones; Elvis to Madonna; Bob Dylan to Bob Marley; Tina Turner to Debbie Harry, he has documented the music scene for more than fifty years in photographs that have captured the world's attention. In Right Place, Right Time, Gruen recounts his personal journey from discovering a love of photography in his mother's darkroom when he was five, through his time in Greenwich Village for 1960s rock and 1970s punk, to being named the world's premiere rock photographer by the New York Times. With fast-paced stories and iconic images, Gruen gives the reader both a front row seat and a backstage pass to the evolution of American music culture over the last five decades. In the words of Alice Cooper, "Bob had the ultimate backstage pass. Can

you imagine the stories he's got?" Take a break from social media and other unsettling news about Covid-19, politics and other problems of our World! Grab a cup or glass of your favorite beverage and prepare to relax with my new book, *The Beauty of Nature*. *The Beauty of Nature* is a "Feel Good" book that subtly leaves you with a sense of how important our natural world is to your mind, body and soul. This is a great edition to anyone's library that's looking for an escape from everyday life and want to relax by viewing beautiful images and comforting quotes about our Natural World. *The Beauty of Nature* is a 120-page vivid portrayal of America's Natural World, as viewed and photographed by Nature Photographer, Bob Watson. Bob displays 97 large brilliant color photographs carefully selected from his last 20 years of work. The photographs are of many different forms of nature. All images are exceptionally printed on 12 x 12-inch pages of the highest quality paper. Each image also has a thought-provoking, but peaceful, quote about our Natural World, and often relates to the nature subject for which it's associated. Bob Watson has been making photographs of nature for almost 40 years. Fulfilling his quest to photograph and explore new areas, he's traveled considerably to America's National Parks, wildlife refuges, wilderness area and wild lands. Bob's had many articles and photographs published in a variety of publications, and has won several photography contests. This book will make a great gift to many people of all ages. Its beautiful photography along with associated soothing quotes about nature will further nurture even the seasoned nature-lover, and will help foster the importance of nature in the maturing younger person. You will want to turn to *The Beauty of Nature*, time and time again, to take one of those "mental journeys" that'll make you smile as you turn the pages.

Celebrating 25 years of Green Day, from renowned photographer Bob Gruen It's been 25 years since the breakthrough album *Dookie* put punk rock pioneers Green Day on the musical map, and renowned photographer Bob Gruen has been taking photos of the band ever since. *Green Day* includes behind-the-scenes photos as well as concert images from their international tours, many of which are previously unpublished—along with photographs from their Rock & Roll Hall of Fame Induction Ceremony in 2015 and in the recording studio. The book has the full support of the band, with quotes and commentary from Billie Joe Armstrong, Trei? Cool, and Mike Dirnt throughout. Collected photographic work of American photographer Bob Peterson with essay by Roger Hagan Formed in New York City in 1971, the New York Dolls prefigured Punk, New Wave and Glam Metal Rock with their over-the-top cross-dressing and their shambling, sloppy, but energetic playing style, which set the tone for many rock bands that would later come on the scene. This photography collection is devoted to their iconic and trail-blazing style. An unrivalled record of one of the 20th century's touchstone beauties, Bob Willoughby's tender Hepburn portfolio is now available in a new format and with a softer price tag. At once an enraptured admirer and trusted friend of the starlet, Willoughby captured Hepburn's elegance on and off set, from her Oscar-winning debut in *Roman Holiday* to the... This visual homage to the horse captures the equine essence and illuminated their beauty. Each portrait combines the inner strength, spirit, and gentle power of nature's most beautiful athlete. *The Two of Us* celebrates togetherness with two adorable, and sometimes hilarious, baby chimpanzees named Kenzy and Willie. The candid photographs of these primate pals remind us of the unbreakable bonds we share with our nearest and dearest. With a wonderful and emotional story that runs throughout the book, Bob Elsdale's moving full-color photography captures the realness of togetherness. Like peanut butter and jelly or cookies and milk, some things just go better together. We all need a yin to our yang, whether it's hanging out with a soul mate, sharing secrets with a kindred spirit, or just plain monkeying around. Presents and discusses some of the most extraordinary

photographs published by "Life" over the past fifty years, as well as the styles, subjects, and times of those who created the images A pictorial chronicle of the golden age of mountaineering in the Northwest. Learn to achieve the best possible images with minimal lighting equipment Author Bob Davis is a photographer whose high-profile clients include Oprah Winfrey and Eva Longoria, and whose work has appeared in Time, O Magazine, and People. Along with his invaluable professional advice, this beautiful full-color book includes a DVD featuring portions of his workshop curriculum. He covers the elements of lighting and shares his two-strobe technique that will enable you to create studio-quality lighting anywhere with only minimal equipment. High-profile photographer Bob Davis is especially known for his lighting techniques; this book shares his advice on lighting for professional photographers and serious amateurs Covers all the key elements of photographic lighting, with informative illustrations and lighting grids Details the author's pioneering two-strobe technique that reduces the amount of equipment a photographer must carry to a shoot and dramatically lowers equipment costs Features professional tips and stunning full-color images 60-Minute DVD includes video from the author's three-day lighting and photography workshop Lights, Camera, Capture: Creative Lighting Techniques for Digital Photographers offers your professional advice worth many times the cost of the book. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file. Few photographers had greater access to Bob Dylan than Barry Feinstein. Having taken the iconic photograph that appeared on Bob Dylan's The Times They Are A-Changin' album in 1963, Feinstein was invited as the exclusive photographer on Dylan's European tour of 1966 and US tour of 1974. The photographs from these sessions and concerts, many previously unseen, are included in this book. "The mutual trust, respect and friendship Bob and I had for each other are reflected in these photographs. I liked his work, he liked mine. He knew I would make him look interesting - and he was interesting. I knew I was in the presence of genius." - Barry Feinstein Pitchfork Country: The Photography of Bob Moorhouse showcases the beautiful, almost mystical photos taken by the vice president and general manager of the historic Pitchfork Ranch in Guthrie, Texas. Moorhouse's photographic work reflects his trademark style and traditional western subjects that create the illusion of scenes from a bygone era. As a working cowboy who carries his camera sometimes twenty to thirty miles a day on horseback, Moorhouse has been able to record moments in the field few photographers will ever see. With an appreciation for great light and its selected application to the subject, his photographic images are an accurate portrayal of ranch life. Viewed in future years with the work of Erwin E. Smith, Ray Rector, and others who have photographed ranch life of the past 150 years, Moorhouse's images will be the standard for documenting ranching in the last quarter of the twentieth century. Also 04 Activeable in a limited edition. Distributed for the National Ranching Heritage Center \$7.95 gatefold paper * 1-58685-264-7 * January 7 x 7 in, 32 pp, 28 Color Photographs, Rights: W, Western "My heroes have always been cowgirls." -Willy Nelson "This stuff is bodacious, righteous, enduring art." -Linda Ellerbee This timeless collection of hand-tinted art by internationally recognized painter and sculptor Bob Wade showcases the amazing women who performed dangerous feats in rodeos, Wild West shows, and Hollywood movies and TV, stunning audiences all over the world. The faces of the women in this collection poignantly convey the freedom, equality, and sheer joy they experienced long before the modern women's movement came along. Bob Wade's Cowgirls entertains and informs, revealing the truth about the real cowgirls who ran wild and free in the Old West. Bob Wade's art has been commissioned for public and private collections around the world. For more than twenty five years, Wade has experimented with large-scale photography and color enhancement of black-and-white vintage photos.

His work is part of the permanent collection of the National Cowgirl Museum and Hall of Fame. Wade is a staff artist for *Cowboys and Indians* magazine, and lives in Austin, Texas. Pigs have a bad rep. They're often pictured as exactly the opposite of what a girl wants to be. But Bob Elsdale is here to prove piggy prejudice is all wrong. His collection of adorable photographs and silly, entertaining, and inspiring messages tell even the most picky of girls that sometimes, it's a good thing to be a little bit piggy. These picture-perfect mammals will delight and amuse any reader looking for a porcine pick-me-up. Whether she likes shopping, socializing, or just stopping to smell the roses, *Pretty in Pink* is the perfect gift for any girl. A revealing look at the earliest days of the legendary band, captured in a collection of personal, never-before-seen photographs—the largest single trove of such important rock images ever uncovered. When they first came to America in June of 1964, The Rolling Stones had been together for only two years and were almost completely unknown to U.S. audiences. They often played on bills with a variety of other artists, not necessarily as the headlining act, and often received lukewarm receptions. Many of these earliest U.S. shows did not sell out. But in the years that Bob Bonis photographed them, The Stones went from unknowns to one of the most prominent bands in the world. Documented in these photos is this seminal period when The Stones made their transformation into the world's greatest rock 'n' roll band. And during that time, few were closer to The Stones than Bob Bonis, the tour manager for their U.S. tours between 1964 and 1966. While on the road with The Stones, Bonis, a passionate amateur photographer with a keen eye, an innate sense of composition, and a deep love for his subjects, snapped some 2,700 photographs of the band—a remarkable collection that until now has only been known to family and close friends. Onstage, offstage, and behind-the-scenes, these stunning photographs show The Stones in an entirely new light—intimate and unguarded. Here are Mick Jagger, Keith Richards, Brian Jones, Charlie Watts, Ian Stewart, and Bill Wyman in casual moments, in rehearsal, in concert, in dressing rooms, on vacation, on the road. Funny, surprising, provocative, beautiful, these photos recall an unforgettable period in history and offer a fresh look at these soon-to-be legends at the beginning of their fame. This was the point at which early manager Andrew Loog Oldham began to position the band as the antidote to The Beatles—troublemakers dressed in leather and singing about the dark side of relationships. Comprised of images unearthed after forty-five years, *The Lost Rolling Stones Photographs* is a groundbreaking portrait of one of the most iconic bands of the twentieth century. This book is the direct result of a chance meeting in a New York City hotel room in 1973 between the just-about-to-be reggae icon Bob Marley and Lee Jaffe -- a precocious twenty three year old artist and filmmaker with a keenly tuned instinct for history. Within hours these two unlikely collaborators would begin a friendship that would see Jaffe becoming a "Wailer" right down to his dreadlocks, while Bob Marley became a musical legend. At the time of their meeting, Marley was well known in Jamaica, but little known in the rest of the world. Jaffe witnessed Marley's life and increasing fame during the frenzied early years of reggae's development from 1973 to 1976. He was a part of it too, helping organize Marley's first American tour, playing harmonica with the Wailers, and learning Rastafarian ways. And he took wonderful, candid photographs of Bob Marley and the many colorful characters moving through Marley's world. Jaffe's intimate recollections of those exciting years are little diminished by time. Indeed, his words are as vivid as the photographs, and as revealing. *One Love* is a playful combination of unpublished photographs in various formats, transcripts of interviews between Lee Jaffe and reggae expert Roger Steffens, and Jaffe's meticulously observed recollections, each element illuminating the others. Here at last is the deepest insider's account of those tumultuous days that catapulted Marley into international

fame -- words and pictures that further cement his reputation as what Time magazine would call "Artist of the Century." Book jacket. Just Jerry is a coffee table book of epic Jerry Garcia photographs taken 1977-1995 by renowned Grateful Dead photographer Bob Minkin. In addition to Bob Minkin's iconic photos of Jerry Garcia, never-before-seen images of Jerry Garcia will also be pictured. A spectacular retrospective showcasing the breathtaking pictures of world-renowned sports photographer, Bob Martin, in all their glory. From his famous and iconic shot of a diver, arched in the air above the Barcelona skyline that became the seminal shot of the 1992 Olympics to his multi-award winning overhead photograph of a Paralympic swimmer leaving his prosthetic legs behind as he dives into the pool, the book features page after page of stunning, awe-inspiring pictures from the world's greatest sporting events. Beautifully printed on 240 expansive pages, 1/1000th presents a collection of images that encapsulate Bob Martin's unique ability to capture sporting moments in a millisecond but always with a sense of place that embraces the context of a particular stadium, venue, event or occasion -- be it an Olympics, a Wimbledon, a World Cup or a world title fight. Beyond the photographs themselves, the book completes the picture by telling the stories behind how these amazing images were conceived, planned and finally executed, as well as providing fascinating technical insight into how they were taken. In 1964, Douglas Gilbert was hired by Look magazine to photograph a young up-and-coming musician named Bob Dylan. Gilbert snapped over 900 of the most candid shots ever taken of Dylan, less than a year before he became completely inaccessible to the public. The photos, beautifully composed, capture the 23-year-old Dylan in rare private moments hanging out with friends (including Allen Ginsberg, Phil Ochs, and John Sebastian, among others) and family in Woodstock, at concerts, and in New York City's classic dive bar -- the Kettle of Fish. Look magazine never ran the story and the photos sat unseen for forty years, until now. With an intimate and revealing text by acclaimed Springsteen biographer Dave Marsh, Forever Young is an irresistible compendium of nearly 100 of the best images from this fascinating, pivotal time in Bob Dylan's career. A Portrait of a Marriage Tom Bianchi's latest book breaks new ground in the annals of photography. A portrait of a marriage between two men, it captures in photographs the love two people share and the joy they find in one another. The result is a stunning portrait - in stunning B & W and colour photography - of the relationship between Bob Paris, a former Mr Universe, and Rod Jackson, the man he wed. Surely the photography book of the season. A stunning, 224-page, hardcover coffee-table book spanning almost forty years of epic Grateful Dead photos and stories by Bob Minkin. Live Dead is a stunning retrospective of more than forty years of Grateful Dead concerts through the lens of renowned music photographer Bob Minkin. In addition to performance images, Live Dead showcases intimate backstage shots, photos of the tour scene, and unique ephemera from inside the Dead's legendary "Vault." These indelible photographs present the essence of the Dead including peak moments from their concerts at dozens of venues, such as Red Rocks, Winterland, Radio City, Capitol Theatre, Europe '81, and many more. Additionally, this unique volume features behind-the-scenes stories about many of the images, tales from the road-experiences every Deadhead can relate to-as well as a foreword by Steve Parish, an introduction by Blair Jackson, and commentary from Bob Weir, Mickey Hart, Donna Jean, Wavy Gravy, Rock Scully, Carolyn "Mountain Girl" Garcia, Trixie Garcia, Ed Perlstein, and more. The post-Grateful Dead years are also represented through images of Furthur, Phil Lesh & Friends, Ratdog, and the current musical renaissance now happening in Marin County, California, at Terrapin Crossroads, Sweetwater Music Hall, and Bob Weir's TRI Studios. Daniel Kramer's classic Bob Dylan portfolio captures the artist's transformative "big bang" year of 1964-65. Through vast concert halls, intimate recording sessions, and

the infamous transition to electric guitar, nearly 200 images offer one of the most mesmerizing photographic series on any recording artist and a stunning document of Dylan and... Bob and Dawn Davis have mastered all genres of photography, from weddings to children to photographing celebrities at special get-away weekends. Bob's knowledge of posing, lighting, composition and his ability to superbly photograph with the environment in which he is immersed is evident in *The Art of Engagement Photography*. Bob's beautiful photographs in this book and his explanations as to how he achieved each one will be beneficial to photographers of all levels of expertise. Do not let the title fool you, his descriptions of how he photographs engagement couples translates to executives, families and children portraits as well. He utilizes cityscapes and non-urban locations not just as backdrops, but also as a compliment to his subjects. By using diagrams and descriptions along with their powerful images, Bob and Dawn explain in simple language how they are able to pose, light and properly compose their subjects, no matter where the location. They state which lens, exposure setting, and main and fill lights settings and positioning work best for each scenario. A comprehensive narrative history of the Civil War photography including the first combat action photographs, photo essays of news events as they happened, and photos first censored by the federal government. Celebrating 25 years of Green Day, from renowned photographer Bob Gruen It's been 25 years since the breakthrough album *Dookie* put punk rock pioneers Green Day on the musical map, and renowned photographer Bob Gruen has been taking photos of the band ever since. Green Day includes behind-the-scenes photos as well as concert images from their international tours, many of which are previously unpublished--along with photographs from their Rock & Roll Hall of Fame Induction Ceremony in 2015 and in the recording studio. The book has the full support of the band, with quotes and commentary from Billie Joe Armstrong, Tré Cool, and Mike Dirnt throughout. A full color 11"x11" nature photography coffee table book with a sturdy laminated paperback cover. 134 pages of beautiful images from stunning scenes across the American landscape. In 1962, a young John Cohen and the young songwriter Bob Dylan went to Cohen's East Village loft and rooftop for a few hours to take some photos. Now these never-before-published, b/w photographs reveal the soon-to-be legendary musician on the cusp of fame, just before the release of his revolutionary self-titled first album. To complement the images, Cohen has painstakingly transcribed and edited forgotten radio interviews that aired between 1961 and 1963. This is a book with photographs by Bob Bovin and he has focused his camera on signs in situations of life. He has visited many places on the seven continents and he has been active photographer for more than fifty years. Many of the pictures published here will hopefully give you a smile and light up your day. A delightfully accessible trail-guide approach to the traditional uses of wild plants in the Pueblo world.
