Interior Set From America's master of Contemporary Broadway Comedy,

here is another revealing comedy behind the scenes in the entertainment world, this time near the heart of the theatre district. *45 Seconds from Broadway* takes place in the legendary "Polish Tea Room" on New York's 47th Street. Here Broadway theatre personalities washed-up and on-the-rise, gather to schmooz even as they lose. This touching valentine to New York Two poker buddies, one a hyper-neurotic, the other an incurable slob, suddenly find themselves bachelors again and decide to share a New York City apartment. From Newbery Honor and Coretta Scott King Author Award winner Renée Watson, the first book in a young middle grade series about Ryan Hart, a girl who is pure spirit, kindness, and sunshine. Ryan Hart can be and do anything. Her name means "king", that she is a leader, and she is determined to keep growing into the name her parents gave her. She is all about trying to see the best in people, to be a good daughter, sister, and friend. But Ryan has a lot on her mind. For instance: Dad finally has a new job, but money is still tight. That means some changes, like moving into a new (old) house, and Dad working the night shift. And with the fourth-grad talent show coming up, Ryan wonders what talent she can perform on stage in front of everyone without freezing. As even more changes and challenges come her way, Ryan always finds a way forward and shows she is a girl who knows how to glow. Acclaimed author Renée Watson writes her own version of *Ramona Quimby*, one starring a Black girl and her family, in this start to a charming new series. Acclaim for *Ways to Make Sunshine: A New York Times Best Children's Book of the Year* | *A Parents Magazine Best Book of the Year* | *A School Library Journal Best Book of the Year* | *A Kirkus Reviews Best Book of the Year* | *A Publishers Weekly Best Book of the Year* | *A WORLD Magazine Best Book of the Year* | *An Amazon Best Book of the Year* A comic rendering of the Biblical story of Job. A nouveau riche manufacturer is visited by an offbeat angel who prophesies a series of calamities intended by God to test the man's faith. **DOODLES The Sunshine Boy** by Emma C. DowdIllustrator: Maria Louise KirkEmma was the daughter of Rufus Sherman Dowd and Caroline Merriman. She was best known as a poet and children's author. Moonbeam and Sunshine Boys is a celebration of all little boys who love to stay up and play amongst the stars at night, and frolic amongst the flowers during the day? Perhaps you'll find these boys hidden amongst a fluffy night cloud or soaking up the warmth of the spring in a nearby meadow. Adventure awaits? Neil Simon's inimitable play about the trials and tribulations that test family ties—winner of the 1991 Pulitzer Prize for Drama. What happens to children in the absence of love? That is the question that lies at the heart of this funny and heartrending play by one of America's most acclaimed and beloved playwrights. Debuting at the Richard Rodgers Theatre in 1990, *Lost in Yonkers* went on to win four Tony Awards, including Best Play, as well as the Pulitzer Prize, and tells the moving drama about the cruelties and painful memories that scar a family. It is New York, 1942. After the death of their mother, two young brothers are sent to stay with their formidable grandmother for the longest ten months of their lives. Grandmother Kurnitz is a one-woman German front—a refugee and a widow who has steeled her heart against the world. Her coldness and intolerance have crippled her own children: the boys' father has no self-esteem; their Aunt Gert has an embarrassing speech impediment; their Uncle Louie is a small-time gangster; and their Aunt Bella has the mentality of a child. But it is Bella's hunger for affection and her refusal to be denied love that saves the boys—and that leads to an unforgettable, wrenching confrontation with her mother. Filled with laughter, tears, and insight, *Lost in Yonkers* is a heartwarming testament to Neil Simon's talent. A compellation of poems written by two inspiring poets over the last several years. A comedy that concerns a writer, George Schneider, whose wife has recently died, and an actress, Jennie Malone, who has just gotten a divorce. Although neither is interested in another romance so soon, they fall in love, much to the chagrin of George's brother Leo and Jennie's friend Faye, who have brought the two together. Al and Willie as "Lewis and Clark" were top-billed vaudevillians for over forty years. Now they aren't even speaking. When CBS requests them for a "History of Comedy" retrospective, a grudging reunion brings the two back together, along with a flood of memories, miseries and laughs. -- publisher description. A portrait of three couples successively occupying a suite at the Plaza. A suburban couple take the suite while their house is being painted and it turns out to be the one in which they honeymooned 23 (or was it 24?) years before and was yesterday the anniversary, or is it today? This tale of marriage in tatters is followed by the exploits of a Hollywood producer who, after three marriages, is looking for fresh fields. He calls a childhood sweetheart, now a

suburban housewife, for a little sexual diversion. Over the years she has idolized him from afar and is now more than the match he bargained for. The last couple is a mother and father fighting about the best way to get their daughter out of the bathroom and down to the ballroom where guests await her or as Mother yells, "I want you to come out of that bathroom and get married!"--Publisher's description. A collection of vignettes including an old woman who storms a bank and upbraids the manager for his gout and lack of money, a father who takes his son to a house for sex only to relent at the last moment, a grafty seducer who realizes it is the married woman who is in command, the tale of a man who offers to drown himself for three rubles, etc. Theatre program. It should be a simple matter for an ex-cop, retired FBI agent, and successful security specialist to come up with an efficient method of punching his own ticket. Yet, a year after Jared McCormick made his grim decision, here he is – still battling his debilitating demons and enduring his multiplying phobias. He's gotten quite good at ducking the net that should have been thrown over him by now, but this is a bad thing. After all, he is well trained, very experienced, and assuredly deadly – and on the verge of going postal... a very bad thing. He's so adept at survival that he will somehow have to trick himself into safely dying. So, the current suicide plan he can live with, so to speak, centers on returning to the small town that had spawned, tormented, and shunned him as a boy. Since he's going to die anyway - one way or another - he means to go out in a blaze of heroism by manipulating some small time, small town crime to his favor. The town, by God, will finally remember him with respect... however, the plan didn't include babysitting an exhausted chief of police, or dodging a past that keeps slapping him in the face, or falling for a little girl's dimpled smile. And it certainly didn't call for him to be pitted against a serial killer - a sick and haunted superhero - arrogant, cynical, and failing fast versus a desperate man terrorizing the town – do either of them have a future? All events and characters depicted in this book are fictional. The eight plays in the second volume of *The Collected Plays of Neil Simon* bear eloquent witness to the unique genius of a master playwright who so magnificently blended the joy of laughter and the love of life. This volume includes: • *Little Me* • *The Gingerbread Lady* • *The Prisoner of Second Avenue* • *The Sunshine Boys* • *The Good Doctor* • *God's Favorite* • *California Suite* • *Chapter Two* • *And an Introduction by the author: "As Time Flies By"* Nothing can take away the pleasure that Neil Simon's plays have given literally millions of theatergoers in the past quarter of a century. They and the critics agree that a trip to see

any one of this master of comedy's stage triumphs ranks among the most wonderful experiences that the American theater offers. Material in the Australian performing arts programs and ephemera (PROMPT) collection consists of programs and related items for Australian performing arts organisations, Australian artists performing overseas, professional productions performed in Australia (including those featuring overseas performers) and overseas performances of Australian plays, music, etc. The Encyclopedia of American Gospel Music is the first comprehensive reference to cover this important American musical form. Coverage includes all aspects of both African-American and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends.
