Wings of the Eagle May 23 2023 This is the story of rescue in the steamy, bloody jungles of Vietnam. First as peter pilot and then as full-fledged aircraft commander, W.T. Grant routinely flew McGuire rig extractions under enemy fire, inserts into combat zones exploding with mortar shells, and night operations in the enemy-infested A Shau Valley. Though the 17th Assault Helicopter Company eventually became B Compnay, 101st Aviation Battalion, the Kingsmen will always be remembered for their courage.... From the Paperback edition.

The Eagle Returns Jan 07 2022 An absorbing and comprehensive survey, *The Eagle Returns: The Legal History of the Grand Traverse Band of Ottawa and Chippewa Indians* shows a group bound by kinship, geography, and language, struggling to reestablish their right to self-governance. Hailing from northwest Lower Michigan, the Grand Traverse Band has become a well-known national leader in advancing Indian treaty rights, gaming, and land rights, while simultaneously creating and developing a nationally honored indigenous tribal justice system. This book will serve as a valuable reference for policymakers, lawyers, and Indian people who want to explore how federal Indian law and policy drove an Anishinaabe community to the brink of legal extinction, how non-Indian economic and political interests conspired to eradicate the community's self-sufficiency, and how Indian people fought to preserve their culture, laws, traditions, governance, and language.

Talons of the Eagle May 11 2022 *Talons of the Eagle* offers a vivid portrayal of the last two hundred years of U.S.-Latin American relations, casting new light on issues such as economic integration, concentrating only on US policy, as many texts do, it addresses the structural relationships of both regions. Focusing on international systems, the distribution of power, and the perception and pursuit of national interests, Smith uncovers recurrent regularities in the interaction between the US and Latin America and offers a compelling analysis of the continuity and change in their relations, as well as provocative insights into the possible future of these relations. With an entirely new introduction and thorough revisions of the last four chapters and conclusion, as well as completely updated bibliography, this continues to be the ideal text for students in general courses on Latin American history and politics as well as courses on US and inter-American foreign relations.

The Eagle of The Ninth Aug 26 2023 Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . . Marcus has to find out what happened to his father, who led the legion. So he sets out into the

unknown, on a quest so dangerous that nobody expects him to return. *The Eagle of the Ninth* is heralded as one of the most outstanding children's books of the twentieth century and has sold over a million copies worldwide. Rosemary Sutcliff's books about Roman Britain have won much acclaim. The author writes with such passion and with such attention to detail that the Roman age is instantly brought to life and stays with the reader long after the last page has been turned.

The Eagle of the Ninth Jun 24 2023 The Ninth Legion marched into the mists of Northern Britain—and they were never seen again. Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . . Marcus has to find out what happened to his father, who led the legion. So he sets out into the unknown, on a quest so dangerous that nobody expects him to return.

In the Eye of the Eagle Aug 02 2021

The Eagle Has Two Faces Nov 17 2022 The Double Headed Eagle, the symbol of the Late Byzantine Empire, speaks eloquently to the worldview of the Byzantines, whose Empire looked both to the East and to the West, but never was or is really part of either. At its apogee, the Byzantine Empire was the highest civilization in Europe the Center. This Double Headed Eagle is cherished by the Balkan Orthodox successors to Byzantium, and versions of it grace the national flags of Serbia, Montenegro, and even Albania. Encroached upon by both the Muslim East and the Catholic West, the Byzantine Eagle succumbed, only to emerge, in a state of arrested development, after several hundred years of Turkish or Western Catholic rule. This stunted progression emerges time and again in the civic culture, architecture, economics, and politics of the region, and has direct relevance on political and economic issues today, including Greece's present financial malaise, and the breakup of Yugoslavia in the 1990s. Traveling through this Ex-Byzantine zone, Billinis offers history, architecture, personal experiences, and numerous anecdotes to expound on key central themes. First, that the Balkan Orthodox nations form a common culture and virtual commonwealth, while still maintaining ethnic, geographical, and linguistic diversity. Without understanding this common Byzantine base, it is impossible to appreciate and to understand the region. Second, the common experience of Turkish rule, while preserving Byzantine culture and insulating the Orthodox religion from Catholic encroachment, did so by cutting off Byzantine Europe from economic, political, cultural, and civic development in progress in Western Europe. The states that emerged from this condition were and are ill prepared to contribute and to compete in modern Europe, and in a globalized world. Finally, throughout, there is a sense that history, rather than linear, runs in a circular form, and that history once again encroaches on the lands of the Double Headed Eagle.

The Voice of the Eagle Jan 19 2023 Includes John Scotus Eriugena's "Homily on the Prologue to the Gospel of St. John" John Scotus Eriugena was born and raised in Ireland during the early ninth century. Neither monk nor priest but a "holy sage," he carried to France the flower of Celtic Christianity. His homily, *The Voice of the Eagle*, is a jewel of lyrical mysticism, theology, and cosmology, containing the essence of Celtic Christian wisdom. He meditates on the meaning and purpose of creation as revealed by the Word made flesh, distilling into twenty-three short chapters a uniquely Celtic, non-dualistic fusion of Christianity, Platonism, and ancient Irish wisdom. The translator's "Reflections" make up the second half of this book and attempt to unfold some of the life-giving meaning implicit in Eriugena's luminous sentences. Inspired both by a personal search for a living Christianity and by a sense of the continuity of Western culture, these "Reflections" offer a contemporary, meditative encounter with the Word, or Logos, as mediated by both St. John's Prologue and Eriugena's Celtic homily. This favorite of Celtic Christianity, unavailable for several years, has been revised and includes a new foreword

by Thomas Moore, author of *Care of the Soul* and *The Soul of Sex*. "Christopher Bamford has written a wonderful book. It combines a rigor of scholarship with a lyrical unveiling of how this wonderful text of Eriugena's can resonate with the hungers and discoveries of our times. It deserves a wide readership. Its lucid depths enrich the mind and awaken the heart to the grandeur of light where the eternal shines." -- John O'Donohue is the author of *Anam Cara: A Book of Celtic Wisdom* "The book has been made with broad scholarship, with deep understanding and with love, and will be not quickly used up; one returns to it again and again. It will be cherished by anyone who is thirsty for the water of wisdom that has flowed so abundantly from the spring of Christ." -- Bruno Barnhart is the author of *Second Simplicity: The Inner Shape of Christianity* "Eriugena is increasingly recognized as one of the most penetrating spiritual masters of the Christian tradition. The Homily he wrote on the Prologue to the Gospel of St John is the clearest summary of his thought about the role of the Divine Logos in cosmology and anthropology and provides the best introduction to his thought. In *The Voice of the Eagle*, Christopher Bamford presents an accurate and readable translation of this classic of Christian thought and suggests valuable comments about its meaning. --Bernard McGinn, Naomi Shenstone Donnelly Professor, University of Chicago Author of *The Presence of God: A History of Western Mysticism* "The Prologue of St John's Gospel is so important that it was once read at the conclusion of every Catholic Mass. Eriugena's Homily on it, here translated, is a masterpiece. More accessible than his larger works, it helps to plunge us into the depths of the Word revealed in the Gospel. Christopher Bamford's extended and erudite commentary draws on the great contemplative writers of the Christian tradition of East and West to produce a text whose impact and importance grows the more it is read. The recovery of the Christian tradition, as he writes, "is a task of intuition, interpretation, and meditation." "For many readers, that recovery will be nourished and assisted by this fascinating book." --Stratford Caldecott, Center for Faith and Culture, Westminster College, Oxford "... a precious gift for all of us who need to be touched anew by the truth of the Christian teaching" --Jacob Needleman, author of *A Little Book on Love and Money and the Meaning of Life* "... a profound and transformative experience." - John Carey, former editor of *Gnosis Magazine* "Eriugena's Christian Neoplatonism, untrammelled by the problems of later medieval thought, breathes with a fr

What the Eagle Sees Jun 12 2022 "There is no death. Only a change of worlds." —Chief Seattle [Seathl], Suquamish Chief What do people do when their civilization is invaded? Indigenous people have been faced with disease, war, broken promises, and forced assimilation. Despite crushing losses and insurmountable challenges, they formed new nations from the remnants of old ones, they adopted new ideas and built on them, they fought back, and they kept their cultures alive. When the only possible "victory" was survival, they survived. In this brilliant follow up to *Turtle Island*, esteemed academic Eldon Yellowhorn and award-winning author Kathy Lowinger team up again, this time to tell the stories of what Indigenous people did when invaders arrived on their homelands. *What the Eagle Sees* shares accounts of the people, places, and events that have mattered in Indigenous history from a vastly under-represented perspective—an Indigenous viewpoint.

The Dragon and the Eagle Oct 04 2021 This comparative study allows decision-makers to understand and use public-private collaboration to achieve governance goals.

The Eagle May 31 2021 Beginning with *The Skystone*, the first in his riveting *Camulod Chronicles*, Jack Whyte has embarked on an ambitious and remarkable re-telling of the Arthurian cycle, giving us a fresh and compelling take on a story that has been beloved for centuries. *The Eagle* brings us at last to the heart of the tale, the creation of fabled Camelot and the love story that enshrined its glory. Whyte takes us into the minds and

lives of Arthur, Guinevere, and Lancelot, three astonishing but fallible people who were bound together by honor, loyalty, and love. Three who created the glory that was Britain's shining dream...and, some say, caused its downfall. The Gaulish nobleman Clothar—known in our time as Lancelot—is drawn to the young High King's court by tales of honor and nobility, where he meets a man whose love of law matches his own. More, he finds in Arthur a life-long friend whose dream of uniting the people of Britain in peace Clothar embraces. And Clothar meets Arthur's queen, a wondrous beauty whose passion and ideals match her husband's. Together they work to bring Arthur's dream to life. But dark forces rise in opposition to Arthur's plans for creating this noble island nation and it is hard to tell friend from foe in the swirling chaos that ensues. Many tales have been told of the dream that shined and died. This one will astonish even the most jaded. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Skipper and the Eagle Dec 26 2020 How a U.S. Coast Guard officer sailed a German prize of war, a three masted bark, across the Atlantic through trade winds and a hurricane.

The Eagle Has Landed Sep 03 2021 As the Allied forces slowly begin turning the tide of war, Hitler vehemently orders the impossible—kidnap Winston Churchill, or kill him. A crack team of commandos led by a disgraced war hero must venture into the heart of England to carry out their mission, or die trying. Meanwhile, in a quiet seaside village, a beautiful widow and an IRA assassin have already laid the groundwork for what will be the most treacherous plot of the war. It begins on November 6, 1943, when Berlin receives the fateful message... "First rate...a fascinating adventure story." —San Francisco Chronicle "The master's master of World War II spycraft storytelling...A superb and mysterious tale." —United Press International

Talons of the Eagle Feb 20 2023 "In this 'personal statement' Smith interprets and synthesizes years of research and reflection on two centuries of inter-American relations. Emphasis on structure, continuity, and change; divides system into three broad periods (Imperial Era, Cold War, and current Age of Uncertainty), defining characteristics and dynamics of each"--Handbook of Latin American Studies, v. 57.

Gifts of an Eagle Nov 24 2020 New York Times Bestseller: The “extraordinary” true story of a golden eagle adopted by a California ranching family, and how she changed their lives (Delia Ephron). In 1955, Ed Durden brought a baby golden eagle home to his ranch in California, where she would stay for the next sixteen years. As her bond with Ed and the Durden family grew, the eagle, named Lady, displayed a fierce intelligence and strong personality. She learned quickly, had a strong mothering instinct (even for other species), and never stopped surprising those who cared for her. An eight-week New York Times bestseller, *Gifts of an Eagle* is a fascinating up-close look at one of the most majestic creatures in nature, as well as a heartwarming family story and “an affectionate, unsentimental tribute” (Kirkus Reviews).

The Eagle and the Trident Sep 22 2020 An insider's account of the complex relations between the United States and post-Soviet Ukraine *The Eagle and the Trident* provides the first comprehensive account of the development of U.S. diplomatic relations with an independent Ukraine, covering the years 1992 through 2004 following the collapse of the Soviet Union. The United States devoted greater attention to Ukraine than any other post-Soviet state (except Russia) after the breakup of the Soviet Union. Steven Pifer, a career Foreign Service officer, worked on U.S.-Ukraine relations at the State Department and the White House during that period and also served as ambassador to Ukraine. With this volume he has written the definitive narrative of the ups and downs in the relationship between Washington and newly independent Ukraine. The relationship between the two

countries moved from heady days in the mid- 1990s, when they declared a strategic partnership, to troubled times after 2002. During the period covered by the book, the United States generally succeeded in its major goals in Ukraine, notably the safe transfer of nearly 2,000 strategic nuclear weapons left there after the Soviet collapse. Washington also provided robust support for Ukraine's effort to develop into a modern, democratic, market-oriented state. But these efforts aimed at reforming the state proved only modestly successful, leaving a nation that was not resilient enough to stand up to Russian aggression in Crimea in 2014. The author reflects on what worked and what did not work in the various U.S. approaches toward Ukraine. He also offers a practitioner's recommendations for current U.S. policies in the context of ongoing uncertainty about the political stability of Ukraine and Russia's long-term intentions toward its smaller but important neighbor.

Voice of the Eagle Feb 08 2022 Traveling through a hostile territory with their newborn son, Kwani and her mate must fight to defend themselves and their treasure against vicious enemies and hostile spirits.

An Eternity of Eagles Jul 01 2021 An Eternity of Eagles The Human History of the Most Fascinating Bird in the World A compulsively readable natural and social history, An Eternity of Eagles is a profusely illustrated celebration of all things eagle, by a naturalist who has kept eagles himself and ridden with the eagle tribes of Central Asia. "His vivid description of an eagle, if it could imagine itself, is of a 'carnivorous Buddhist.' Through Bodio's insights we get a strange glimpse of these other minds that share the earth with us." --Annie Proulx, author of *The Shipping News* and *Brokeback Mountain* From one of the foremost author/naturalists in the country, Stephen J. Bodio, comes a compulsively readable natural and social history of the most beautiful bird in the world -- the eagle, with a lengthy and admiring introduction by Annie Proulx. *The Eagle's Shadow* traces our love-hate relationship to these "living dinosaurs," from Neolithic rock art and Native American religion through the practices of Kazakh falconers who use them to hunt wolves, and to contemporary art and popular culture. Proulx sums up best the heart of this book: "Those of us who are interested in bird behavior beyond the feeder or the identification guide book find meager pickings when it comes to information. I am fortunate that my house faces a cliff with a river at the base where I can watch raptors, water fowl, and a hundred other species. The nests of a pair of bald eagles and another upriver inhabited by golden eagles are in sight from the breakfast table. I have plenty of books on birds, but the information on why the big eagles do what they do is hard to dig out. Eagle behavior is usually lumped together with the general behavior of the Accipitrids, but a single book focused on the rich lore and sweep of eagledom did not seem to exist... . Bodio's beautifully written and authoritative book, *Eagles*, is a primary source of information as well as an omnium gatherum from literature, film and mythology concerning these large, striking birds." Stephen Bodio was born and educated in Boston and has lived in a rural New Mexico village for over thirty years. He has traveled extensively in Europe, Africa, and Asia and has written five books.

The Eagle's Conquest Jun 19 2020 IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! THE EAGLE'S CONQUEST is the thrilling second novel in Simon Scarrow's bestselling *Eagles of the Empire* series. Essential reading for fans of Bernard Cornwell and Conn Iggulden. Praise for Simon Scarrow's compelling historical novels: 'Gripping and moving' *The Times* *Britannia*, AD 43. Bleak, rainy and full of vicious savages, *Britannia* is a land that Cato, soldier of the Second Legion, wishes Rome didn't want to conquer. And as right-hand man to Centurion Macro, Cato sees the very worst of his native Britons, battling alongside his commander in bloodier combat than he could ever have imagined. But the Britons are fighting back with Roman weapons - which means

someone in their own ranks is supplying arms to the enemy. Cato and Macro are about to discover even deadlier adversaries than the British barbarians...

The Flight of the Eagle Jul 25 2023 Jiddu Krishnamurti (1895-1986) rose from humble beginnings to become a leading spiritual and philosophical thinker. His works continue to influence thousands of people around the world; Joseph Campbell, Alan Watts, Eckhart Tolle and Deepak Chopra have all been indebted to him. And yet he belonged to no religion, sect or country. Nor did he subscribe to any school of political or ideological thought. On the contrary, Krishnamurti maintained that these are the very factors that divide human beings and bring about conflict and war - an approach that makes his teachings particularly appealing in our own times. *The Flight of the Eagle* is regarded as one of Krishnamurti's key works, grappling with themes such as freedom, change, peace, violence and - finally - the transcendental and the unknown.

The Eagle & the Wren Oct 16 2022 Jane Goodall retells a beloved story from her own childhood—a fable that illustrates how we depend on each other for help and support throughout our lives. When the birds of the world squabble about who can fly the highest, the owl devises a contest to settle the question. As one by one various contestants drop out, only the eagle remains, soaring high above the earth. However, the wren, stowed away in the eagle's feathers, suddenly appears and uses him as a launching pad to fly even higher. When they arrive back on the ground, the owl drives home the story's moral of togetherness and teamwork. Goodall continues the theme in an afterword, explaining how "we all need an eagle" and sharing insights on those who have played that role in her own life. Reichstein's illustrations of the winged creatures are meticulously crafted, and the timeless, sweeping expanse of blue sky along with the heavenwards-slanted text creates a soft visual echo of the story's soaring motif.

The Eagle and the Raven Nov 05 2021 An historical narrative that recalls the Revolution of 1836 which Sam Houston helped lead making the free nation of Texas.

The Empire of the Eagle Mar 09 2022 Encompasses each of the world's currently recognized eagle species, from the huge Steller's Sea Eagle that soars above Japan's winter ice floes to the diminutive Little Eagle that hunts over the Australian outback

Flight of the Eagle Dec 18 2022 In *Flight of the Eagle*, Conrad Black provides a perspective on American history that is unprecedented. Through his analysis of the strategic development of the United States, from 1754-1992, Black describes the nine "phases" of the strategic rise of the nation, in which it progressed through grave challenges, civil and foreign wars, and secured a place for itself under the title of "Superpower." He addresses the present times and America's future in the hopes that it will return to the dynamism of great leadership and preeminence in the world, which it richly earned and still shows signs of today.

The Way of the Eagle Dec 06 2021 Spiritual principles and the operation of spiritual gifts are illustrated through this fascinating portrait of an eagle in the wild. You will mount up with the wings of an eagle as you read. Paperback 122 pages Priority Shipping and Handling

The Eyes of the Eagle Sep 15 2022 In the 101st Airborne, if you cared enough to send the very best, you sent The Howlers. Gary Linderer volunteered for the Army, then volunteered for Airborne training. When he reached Vietnam in 1968, he was assigned to the famous "Screaming Eagles," the 101st Airborne Division. Once there, he volunteered for training and duty with F Company 58th Inf, the Long Range Patrol company that was "the Eyes of the Eagle." F Company pulled reconnaissance missions and ambushes, and Linderer recounts night insertions into enemy territory, patrols against NVA anti-aircraft emplacements and rocket-launching facilities, the fragging of an unpopular company commander, and one of the bravest demonstrations of courage under fire that has ever

been described. *The Eyes of the Eagle* is an accurate, exciting look at the recon soldier's war. There are none better.

The Eagle Has Flown Jan 27 2021 Following the failed attempt to assassinate Winston Churchill, Major Kurt Steiner is being held in the Tower of London. Liam Devlin is presented with a challenge from Heinrich Himmler, to rescue him from the tower and return him to Germany.

The Eagle of the Ninth Chronicles Aug 14 2022 *The Eagle of the Ninth*, *The Silver Branch* and *The Lantern Bearers* are recognized as being three of the best novels about Roman Britain written for children. Written by Rosemary Sutcliff, one the most acclaimed children's writers of the twentieth century, and loved around the world, these outstanding books are now available in one volume.

***The Eagle and the Viper* Apr 17 2020** Part high-octane suspense, part dire warning, *The Eagle and the Viper* from multiple-winning novelist Loren D. Estleman reveals how close our world came—at the dawn of a promising new century—to total war. It's a time of improvised explosive devices, terrorist training camps, international assassins, and war on civilians. It's Christmas Eve, 1800. This much is history: On Christmas Eve, 1800, an "infernal machine" exploded in one of the busiest streets in Paris, France, destroying buildings and killing innocent civilians. It wasn't the first attempt on the life of Napoleon Bonaparte, First Consul of the newly minted Republic of France. This much is exclusive to our story: Upon the failure of the Christmas Eve plot, the conspiracy takes a new and more diabolical turn. Posterity knows what became of Napoleon: He led France into a series of military adventures that ended in his defeat, followed by decades of peace. But this future hung on a precarious thread. One man can make history; another can change it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

***The Eagle at Mackinac* Aug 22 2020**

The Eagle Has Landed Jul 21 2020 In the early morning hours of 6 November 1943, SS Reichsführer Heinrich Himmler receives the coded message he has been waiting for: 'The Eagle has landed.' It was to become known as the most daring enemy mission of the entire war: Operation Eagle, Himmler's audacious plan to kidnap Winston Churchill on British soil. But, despite spectacular secrecy, there was to be no surrender without a fight . . . For in that remote corner of Norfolk, an elite unit is gathered together. Ready to do battle for a nation against the most ruthless task force ever assembled. '100 per cent proof adventure.' *New York Times*

The Eagles are Back Mar 29 2021 A picture book tribute to the efforts of dedicated volunteers who helped save the American bald eagle from extinction documents the story of a young boy who helped hatch an eaglet, in a tale complemented by sumptuous illustrations by the landscape artist of America the Beautiful. By the late Newbery Award-winning author of *Julie of the Wolves*.

***The Eagle and the Dragon* Feb 25 2021** "The world may know Chris Duffin as 'The Mad Scientist of Strength,' but you wouldn't have ever guessed that if you saw the scrawny kid skinning rattlesnakes and chasing dragonflies in the early '80s. The story of his unconventional life will take you from ... tales of murder, trauma, heartbreak, and survival deep in the Pacific Northwest wilderness all the way to an idealization of the self-made man--still flawed, but never broken"--Dust jacket fla

***Cry of the Eagle* Apr 22 2023** Includes Indian agents' reports on the Cherokee, 1831-1833 (p. 7-30), biographical notes on Cherokee chiefs (p. 31-47), stories of gold buried on Cherokee land, and other stories of the Cherokee removal (p.49-80), photographs and sketches of Cherokee signs and symbols (p. 81-126), additional stories of buried gold (p. 129-138), and pictures of and a letter about the Franklin gold mines (p. 140-145).

***The Eagle's Claw* Apr 29 2021 NATIONAL BESTSELLER • In a “riveting” (Booklist) tale that picks up where *To Wake the Giant* left off, Jeff Shaara transports us to the Battle of Midway in another masterpiece of military historical fiction. Spring 1942. The United States is reeling from the blow the Japanese inflicted at Pearl Harbor. But the Americans are determined to turn the tide. The key comes from Commander Joe Rochefort, a little known “code breaker” who cracks the Japanese military encryption. With Rochefort’s astonishing discovery, Admiral Chester Nimitz will know precisely what the Japanese are planning. But the battle to counter those plans must still be fought. From the American side, the shocking conflict is seen through the eyes of Rochefort and Admiral Nimitz, as well as fighter pilot Lieutenant Percy “Perk” Baker and Marine Gunnery Sergeant Doug Ackroyd. On the Japanese side, Admiral Isoroku Yamamoto is the mastermind. His key subordinates are Admiral Chuichi Nagumo, aging and infirm, and Admiral Tamon Yamaguchi, a firebrand who has no patience for Nagumo’s hesitation. Together, these two men must play out the chess game designed by Yamamoto, without any idea that the Americans are anticipating their every move on the sea and in the air. Jeff Shaara recounts in electrifying detail what happens when these two sides finally meet, in what will be known ever after as one of the most definitive and heroic examples of combat ever seen. In *The Eagle’s Claw*, he recounts, with his trademark you-are-there immediacy and signature depth of research, one single battle that changed not only the outcome of a war but the course of our entire global history. The story of Midway has been told many times, but never before like this.**

***The Bald Eagle: The Improbable Journey of America's Bird* Jul 13 2022 Best Books of the Month: Wall Street Journal, Kirkus Reviews From the Pulitzer Prize-winning author of *The Gulf*, a sweeping cultural and natural history of the bald eagle in America. The bald eagle is regal but fearless, a bird you’re not inclined to argue with. For centuries, Americans have celebrated it as “majestic” and “noble,” yet savaged the living bird behind their national symbol as a malicious predator of livestock and, falsely, a snatcher of babies. Taking us from before the nation’s founding through inconceivable resurgences of this enduring all-American species, Jack E. Davis contrasts the age when native peoples lived beside it peacefully with that when others, whether through hunting bounties or DDT pesticides, twice pushed *Haliaeetus leucocephalus* to the brink of extinction. Filled with spectacular stories of Founding Fathers, rapacious hunters, heroic bird rescuers, and the lives of bald eagles themselves—monogamous creatures, considered among the animal world’s finest parents—*The Bald Eagle* is a much-awaited cultural and natural history that demonstrates how this bird’s wondrous journey may provide inspiration today, as we grapple with environmental peril on a larger scale.**

***Under the Eagle* Mar 21 2023 In this first book of a new historical fiction series, a crack Roman legion invades Britain in this brazen tale of military adventure, political intrigue and heroism It is the year 42 AD, and Centurion Macro, battle-scarred and fearless, is in the heart of Germany with the Second Legion, the toughest in the Roman army. Cato, a new recruit and the newly appointed second-in-command to Macro, will have more to prove than most. In a bloody skirmish with local tribes, Cato gets his first chance to prove that he's more than a callow, privileged youth. As their next campaign takes them to a land of unparalleled barbarity - Britain - a special mission unfolds, thrusting Cato and Macro headlong into a conspiracy that threatens to topple the Emperor himself. Filled with the kind of historical details that brings the adventure to life, Simon Scarrow's *Under the Eagle* is destined to become a military fiction classic.**

***The Eagle in the Sand* Apr 10 2022 The seventh novel in Simon Scarrow's bestselling Roman series. Trouble is brewing in Syria, on the eastern frontier of the Roman Empire. With the troops in a deplorable state, centurions Macro and Cato are despatched to**

restore the competence of the cohort. But another challenge faces them as Bannus, a local tribesman, is brewing up trouble and preaching violent opposition to Rome. As the local revolt grows in scale, Macro and Cato must stamp out corruption in the cohort and restore it to fighting fitness to quash Bannus - before the eastern provinces are lost to the Empire forever...

Under the Eagle Oct 24 2020 Samuel Holiday was one of a small group of Navajo men enlisted by the Marine Corps during World War II to use their native language to transmit secret communications on the battlefield. Based on extensive interviews with Robert S. McPherson, *Under the Eagle* is Holiday's vivid account of his own story. It is the only book-length oral history of a Navajo code talker in which the narrator relates his experiences in his own voice and words. *Under the Eagle* carries the reader from Holiday's childhood years in rural Monument Valley, Utah, into the world of the United States's Pacific campaign against Japan—to such places as Kwajalein, Saipan, Tinian, and Iwo Jima. Central to Holiday's story is his Navajo worldview, which shapes how he views his upbringing in Utah, his time at an Indian boarding school, and his experiences during World War II. Holiday's story, coupled with historical and cultural commentary by McPherson, shows how traditional Navajo practices gave strength and healing to soldiers facing danger and hardship and to veterans during their difficult readjustment to life after the war. The Navajo code talkers have become famous in recent years through books and movies that have dramatized their remarkable story. Their wartime achievements are also a source of national pride for the Navajos. And yet, as McPherson explains, Holiday's own experience was "as much mental and spiritual as it was physical." This decorated marine served "under the eagle" not only as a soldier but also as a Navajo man deeply aware of his cultural obligations.
