Courting Envy May 29 2021 Envy is like poison, even a drop can be your undoing. And Prince Lucien of the realm of Envy fed me more than just a drop when he dragged me to Hell. Others have found out that I'm the key to controlling this place too, and now they all want a piece of me. But I'm not a pawn. I'm a Queen. Satan's Circus Jul 11 2022 They called it Satan's Circus—a square mile of Midtown Manhattan where vice ruled, sin flourished, and depravity danced in every doorway. At the turn of the twentieth century, it was a place where everyone from the chorus girls to the beat cops was on the take and where bad boys became wicked men; a place where an upstanding young policeman such as Charley Becker could become the crookedest cop who ever stood behind a shield. Murder was so common in the vice district that few people were surprised when the loudmouthed owner of a shabby casino was gunned down on the steps of its best hotel. But when, two weeks later, an ambitious district attorney charged Becker with ordering the murder, even the denizens of Satan's Circus were surprised. The handsome lieutenant was a decorated hero, the renowned leader of New York's vice-busting Special Squad. Was he a bad cop leading a double life, or a pawn felled by the sinister rogues who ran Manhattan's underworld? With appearances by the legendary and the notorious—including Big Tim Sullivan, the election-rigging vice lord of Tammany Hall; future president Theodore Roosevelt; beloved gangster Jack Zelig; and the newly famous author Stephen Crane—Satan's Circus brings to life an almost-forgotten Gotham. Chronicling Charley Becker's rise and fall, the book tells of the raucous, gaudy, and utterly corrupt city that made him, and recounts not one but two sensational murder trials that landed him in the electric chair.

Satan's Last Days Mar 19 2023 Jesus is coming!" Armageddon. End of the world. Familiar words that have echoed through the Centuries. But, just like in the time of Noah, few took heed and accepted a way out of what was prophesied to be released upon mankind. Counting on mankind's false sense of peace, Satan begins to strategize the final takeover of earth and mankind. After six-thousand years of understanding mankind's weaknesses and vulnerabilities, he calls in one of his fiercest comrades, Patuk. With nothing and no one to hinder his plan, Satan relishes over the first reports that come in from across the globe. He is well pleased with the outcome. Not good enough, though. With demonic forces released, humankind continues to be Satan's pawn as he makes moves that provoke the Almighty. Yet, it seems God remains silent. Arrogant and proud, he unleashes Mortan, Voltan, and Degas, more of Satan's most feared demons, upon the European nations. With their cooperation, world dominance will be his, once and for all. What will it take to end this war in the heavens? Or, is mankind lost forever in the clutches of Satan's demented heart? Has God had enough with mankind and their unwillingness to accept Him as Supreme Being? Or, does He close the eternal gates of heaven's realm from what is left of mankind? Satan makes His decision easy, as he allows evil men to eliminate all and everything to do with God. Is mankind's fate sealed forever?

Strife (Satan's Counterfeit) Vs. Peace (God's Perfect Gift) Dec 24 2020 I accepted Jesus Christ as my savior when I was nine years old. I fell in love with the Lord because I found out He loved me. I went to church all my life, raised my children in church, but I was still bound up with insecurities inside until I was forty-eight years old. When God set me free, I became determined to help others be set free. I was like Lazarus at the tomb, free and yet still bound. So many people are living in an inner hell. Satan is in control of their lives, and they don't even realize it. Not only lost people are living in a private hell, but so many Christian are too. I am tired of saved people living in defeat. I am spending the rest of my life declaring war on the devil. I am spending the rest of my life helping God expose the enemy in our lives. I want people set free and living the abundant life in Christ Jesus. It is time for Christians to take a stand in their own lives if they ever want to make a difference in someone else's life. It is up to us to show them the way. We can no longer be content to go through life allowing the devil to manipulate us like puppets on a string. We have got to start recognizing the enemy at work in our lives and start taking control over him. We have the weapons and the authority to use them on him. Let's begin to take control of our lives the way God meant for us to. It is time to declare war and start marching against the strife in our lives, Satan's counterfeit, and start living in peace, God's perfect gift.

Living Against Our Will Jan 05 2022 Each one of us holds tremendous personal and spiritual worth. Yet so many people have never been cherished to the depth of their greatest potential. Within every soul lies a dying ember in search of the light of our existence. We are born and live in the garden of good and evil, separated by our Creator, fighting unseen battles that are impossible to conquer based on our own natural ability. Many of us turn to destructive methods to feed our hungry, searching soul. We strive for encouragement and acceptance, yet sometimes we are met with pain, rejection, discouragement, and injury. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God (Romans 12:2 NKJV) Written within these pages is the testimony of a determined young woman who refused to accept the harsh reality dealt to her. Through tenacity as a mother, she finally discovered the supernatural transforming power of being reunited with her Creator, and her soul was ignited by the Savior of her destiny. LaNette embraced the wisdom and knowledge held within God-breathed Scripture and internalized the absolute truth. She clearly reveals the generational strongholds and family behavioral patterns that can destroy us, relationships, and squelch our God-given purpose, gifts, and talents.

Jesus the Truth Vs. Satan the Liar May 21 2023 In the Gospels, Jesus called Satan the Father of Lies. From the beginning of Mankind until the present, Satan has been lying to mankind in order to destroy us and keep us from eternal life with God. Our first ancestors fell victim to a lie of Lucifer, and because of their fall, all humanity fell under the influence of the devil. Jesus came to earth to break Satan's power over us. Jesus referred to Himself as the Light of the World and as the Truth. He wants to deliver humanity out of the spiritual darkness and deception in which Satan has mankind trapped. A spiritual battle rages between Jesus and Satan for the souls of men. The weapons of Satan are his numerous lies. The weapon of Jesus is the truth of His Word. He said that the truths He taught were a solid and unshakable foundation in a world of shifting and sinking sand. In Jesus the Truth vs. Satan the Liar, this cop for Christ exposes many of the dark lies of Satan that are spread within America's higher education system. They are exposed by the light of biblical truth, giving students the knowledge they need to reject the lies and all who spread them. 84 84

Wandering in Darkness Sep 01 2021 Only the most naïve or tendentious among us would deny the extent and intensity of suffering in the world. Can one hold, consistently with the common view of suffering in the world, that there is an omniscient, omnipotent, perfectly good God? This book argues that one can. Wandering in Darkness first presents the moral psychology and value theory within which one typical traditional theodicy, namely, that of Thomas Aquinas, is embedded. It explicates Aquinas's account of the good for human beings, including the nature of love and union among persons. Eleonore Stump also makes use of developments in neurobiology and developmental psychology to illuminate the nature of such union. Stump then turns to an examination of narratives. In a methodological section focused on epistemological issues, the book uses recent research involving autism spectrum disorder to argue that some philosophical problems are best considered in the context of narratives. Using the methodology argued for, the book gives detailed, innovative exegeses of the stories of Job, Samson, Abraham and Isaac, and Mary of Bethany. In the context of these stories and against the backdrop of Aquinas's other views, Stump presents Aquinas's own theodicy, and shows that Aquinas's theodicy gives a powerful explanation for God's allowing suffering. She concludes by arguing that this explanation constitutes a consistent and cogent defense for the problem of suffering.

He was born in the ghetto just before King was assassinated, and if that wasn't enough, his unchurched father named him Kristian. Thirty years later the challenges keep coming. If Satan's abode is on earth, then Kristian is dwelling in his habitation. None of these things sway the conviction of battered and beaten Kristian to saturate his community with faith, hope, and love. However, his ultimate challenge leads to what he never imagined possible. Kristian finds himself as the pawn in this ageless chess match between the God of the universe and the god of this world. He is thrust into the hordes of a hidden hellish domain, not just with the diabolical demons whose mission is misery, nor just with the angelic cohorts whose allegiance is eternal, but also with the illustrious Lucifer whose lot in life is to destroy every man, woman, and child. His demonic army attacks Kristian in full force. One man shed his blood on a cross for salvation. Another man had his blood splattered for the cause of civil rights. Kristian, who is much more valuable than a pawn has one chance to secure the salvation of millions of souls, but he must be capable enough to utilize his gift of knowledge, wisdom, and understanding to dissect the mind of Satan, expose his strategies, and survive. What could Kristian do with information about Satan's scheme of destruction? Or still yet, would Satan even allow Kristian to leave this diabolical domain with such secrets? Will this wisdom lead to emotional suicide? No one has ever discovered the mind of Satan and survived. Thirteen chapters in this fictional setting reveal the mind of Satan, along with dozens of names, titles, and descriptions of him and his devilish work. It is the proficiency of a passionate poet, licensed in linguistic literature, whose pen and paper produce the Orpheum for this semantic symphony. Conquering the Game of Control Jul 19 2020 Quit playing the game! All humans, by nature, are doomed to play an unwinnable game which looks remarkably like the harmless game of Rock/Paper/Scissors, but is, in reality, played out with the weapons of domination, manipulation, and intimidation. For those who want to learn to let go of the reins of control so they can be put in the hands of one who is infinitely more capable, the Lord, this book will be both enlightening and beneficial. Like the game of Rock/Paper/Scissors, there are no real winners; only victims who feel crushed, cut, or covered by the process—or ominously empowered by it. What is the solution? To quit playing the game altogether! How? By recognizing and repenting of the game-playing. God does not “play the game”—indeed, control is not in Him at all. Through Him, humans can be transformed until the game of control gives way to a life of mutual submission—the dance of relationship rather than the dissonance of control.

How Satan Deceives You Jun 22 2023 Everyone is challenged by Satan and his demons. The first task in engaging an enemy is to learn about him and his tactics. Unfortunately this hasnt been done well enough for people to recognize the voice inside their brain trying to get them to make bad decisions. Not recognizing thoughts put into your brain by Satan causes you to think they are your thoughts telling you how bad you are or giving you harmful solutions to your problems. Satans goal is to get humans to destroy themselves with vices or conflicts. While reading this book you may find ideas different from what you normally hear from religious leaders. The information in this book is the result of many years of experience working with God, winning and losing battles with Satan, countless hours of study of the Bible and the determination to place truth above opinion, tradition or status. When traditions force sincere ministers to choose between tradition and truth, Satan has a solution. Change what God says to an opinion of what God means. He used this strategy on Eve and every dupable person since then. Once a person learns to do this he can peacefully co-exist with truth and error. Church members taught things inconsistent with the words of God for many years are not easily persuaded they are opposing God. This is the problem Jesus faced when he tried to correct the theology of the Jewish leaders. What Jesus told the Jewish leaders was not new, it had always been in their Scriptures. The contents of this book are not new they have always been in the Bible. Opinion, tradition and political correctness have neutered the church and made it impotent. This book is an attempt to reveal Satan, his tactics and the people who work for him. This information may keep you from being his next meal because, as Peter said, he is walking about looking for someone to devour.

Satan's Global Change Before God's Fiery Judgment Mar 07 2022 In this book, Jack Hermes presents the broad sweep of the history of our world in a comprehensive review of the Bibles description of that history. In a thorough and convincing way, he lays out how important it is to understand our world in light of the relationship between God and Satan. This struggle plays itself out again and again in history, not just as an earthly conflict between good and evil, but as Gods rescue of those caught in the darkness of Satans lies. As he explains how this ongoing battle applies to our society, to our own lives, and to the future, Jack makes it clear from Scripture that just as the almighty God has been in control from the beginning of it all, he will bring this world to its end in accord with his saving work in Christ. Pastor James P. Seelow, St. John Lutheran Church, Riga, Michigan Satans Global Change before Gods Fiery Judgment by Jack Hermes is a modern-day attempt of what the apostle Paul did at the Areopagus in Acts 17:22-34, by taking his readers from the things they know to the things they do not know. Through this book, Jack uses the beliefs of our society and the scientific community as a springboard to ultimately point them to the truth of Jesus Christ and the salvation he won for us on the cross. As the book progresses, Jack works to correct the misconceptions of how the world will end and the reason for its demise. Pastor Aaron Duve, Holy Redeemer Lutheran Church, Port Huron, Michigan The Old and New Testaments were written over a period of one thousand six hundred years by forty writers of various backgrounds from many different countries, making it a historical document of continuity. These biblical writings contain one thousand eight hundred seventeen prophecies. One thousand two hundred thirty-nine are found in the Old Testament with five hundred seventy-eight being recorded in the New Testament. Through archaeological findings, historical tablets of Assyria, Babylon, Persia, and Greece and Roman history, God has fulfilled every prophecy recorded in the Old Testament. With the expansion of the Middle East, the development of Western and Eastern Europe, and the colonization of the New World, God has carried out the majority of the New Testament prophecies and now appears to be bringing to light through the happenings of today the prophecies for Satans defeat, his eternal internment, and the fiery ending for this world and his kingdom of darkness. The writings of this book have verified the validity of Gods written Word as he raised nations and leaders to fulfill his promise for mans salvation and prepared the pathway for Satans

defeat.

Devil in the People's House Aug 12 2022 Clouds are gathering throughout the homeland indicating a storm is looming over our beloved America. Old glory blows in a torrential wind of change—ushering in an era of decay and destruction. She has become tattered and worn. We may possibly maintain the appearance of strength and invincibility for a time—but it is not sustainable. Yes—America will crumble under the duress imposed by the Democrat – Progressive – Liberal – Socialist mindset and agenda. There is decay beneath the surface—and cracks in our national foundation abound. The world giant is being plundered of its very essence and undermined by an evil force. There is a movement within our gates that encourages and supports wickedness. If allowed to continue their debased onslaught—Progressive Liberals will succeed in transforming America. They will fundamentally change America into their twisted vision of what our nation should present to God and the world. If their depraved agenda continues to fester and proliferate—this will be the demise of the greatest nation on earth. This is not a theory but a fact as evidenced by those among us who have eyes to see and ears to hear. This agenda of destruction was conceived in a very dark place—a dark place indeed.
