The Greatest Stories Ever Played Apr 18 2022 In this fun and informative YA Non-fiction title, Dustin Hansen, author of *Game On!*, a self-confessed video game addict with over 20-years experience in the gaming industry, examines the storytelling skills shown in some of the most beloved and moving games of all time. We all know that video games are fun, but can a video game make you cry? Can it tell you a powerful love story? Can a video game make you think differently about war? About the environment? About the choices you make? Whether it's playing through blockbuster-esque adventures (*Uncharted*, *God of War*, *The Last of Us*), diving deep into hidden bits of story and lore (*Red Dead Redemption II*, *Bioshock*, *Journey*) or building relationships that change the fate of the world itself (*Persona 5*, *Undertale*), video games are bringing stories to life in ways that are immediate, interactive and immersive. Focusing on some of the best, most memorable, experiences in gaming, *The Greatest Stories Ever Played*, examines the relationship between gaming and storytelling in a new way.

Sun Warrior Oct 13 2021 The blockbuster bestselling series is back! #1 New York Times bestselling author of the *House of Night* series, P.C. Cast, brings us *Sun Warrior*, an epic fantasy set in a world where humans, their animal allies, and the earth itself has been drastically changed. A world filled with beauty and danger and cruelty... The battle

lines have been drawn and Mari, an Earth Walker and Nik, a Companion, who were once from rival clans now find themselves fighting to save each other and their people from destruction. Thaddeus betrayed his own people, killing Nik's father and destroying their entire clan. But he wants more. He wants the power he believes Mari has stolen from him and his people and he will do anything he must to get them back, even if it means destroying everything in his path. There is only way to stop Thaddeus, but it means a harrowing journey for Mari and Nik into the heart of darkness. Meanwhile, Dead Eye becomes a willing vessel for the newly awakened god, Death. Death has plans of his own and he, too, will use whatever and whomever he must, including the mad Thaddeus.

The First Binding Nov 06 2023 “Epic fantasy at its finest—an homage to storytelling and legend, richly told and endlessly engaging.” —Andrea Stewart, author of *The Bone Shard Daughter* Don't miss the first novel in this stunning Silk Road-inspired epic fantasy series from R.R. Viridi—a saga of legends, lies, and the secretive storyteller who's spun them all. All legends are born of truths. And just as much lies. These are mine. Judge me for what you will. But you will hear my story first. I buried the village of Ampur under a mountain of ice and snow. Then I killed their god. I've stolen old magics and been cursed for it. I started a war with those that walked before mankind and lost the princess I loved, and wanted to save. I've called lightning and bound fire. I am legend. And I am a monster. My name is Ari. And this is the story of how I let loose the first evil. “Rich world-building, plenty of action, and devious twists abound. Very highly recommended!” —Jonathan Maberry, New York Times bestselling author of *V-Wars* and *Kagen the Damned* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
