This collection of different views on how digitalization is influencing various industrial sectors addresses essential topics like big data and analytics, fintech and insurtech, cloud and mobility technologies, disruption and entrepreneurship. The technological advances of the 21st century have been massively impacted by the digital upheaval: there is no future without digitalization. The sale of products and services has left the classical point of sale and now takes place on a variety of channels. Whether in the automotive industry, travel and traffic, in cities, or the financial industry – newly designed ecosystems are being created everywhere; data is being generated and analyzed in real time; and companies are competing for mobile access channels to customers in order to gain knowledge about their individual contexts and preferences. In turn, customers can now publicly share their opinions, experiences and knowledge as User Generated Content, allowing them to impact the market and empowering them to build or destroy trust. Unlike old-school “design your own coupon book” titles, this book moves straight into computer technology and proceeds to the latest trend in couponing... apps, which provide deals to mobile users wherever they may be. Of particular interest are the sections describing how to make a splash in the highly lucrative, but also competitive daily deal segment of the market, where Groupon and LivingSocial reign supreme. Included within, readers will how to: •Build an online network of followers which can translate into customers •Attract merchants •Join affiliate coupon or daily deal programs •Find your niche market •Create an aggregator site, in which you present the best of the best from daily deal or coupon websites. •Market your coupon or daily deal site through the social media Of particular interest is a chapter devoted to working closely with your merchants to provide coaching and guidance on how the daily deal industry works from their perspective. Many daily deal businesses do not work to enhance the experience for their merchants. Readers, however, can learn how to do so. Experts in the industry are also included such as Marc Horne, co-creator of Daily Deal Builder, who discusses what it takes to build a daily deal site, David Teichner, CEO of Yowza!! who brought deal apps to iPhones and several business owners who have tried their luck at running daily deal. They discuss what they have learned from the process. Currently there are few, if any, other books on how to start a daily deal business and the coupon books focus on how to use coupons and even on extreme couponing, but not on running an online coupon business. This is a unique title which provides those who enjoy offering deals and discounts to get started in an industry that is still growing. All Entrepreneur Step-By-Step Startup Guides Include: •Essential industry-specific startup steps with worksheets, calculators, checklists and more •Bestselling title, Start Your Own Business by Entrepreneur Media Inc., a guide to starting any business and surviving the first three years •Downloadable, customizable business letters, sales letters, and other sample documents •Entrepreneur's Small Business Legal Toolkit Unlike old-school “design your own coupon book” titles, this book moves straight into computer technology and proceeds to the latest trend in couponing . . . apps, which provide deals to mobile users in any location. Many daily deal businesses do not work to enhance the experience for their merchants. Readers, however, can learn how to do so. Experts in the industry are also included such as Marc Horne, co-creator of Daily Deal Builder, who discusses what it takes to build a daily deal site, David Teichner, CEO of Yowza!! who brought deal apps to iPhones and several business owners who have tried their luck at running daily deal. They discuss what they have learned from the process. Currently there are few, if any, other books on how to start a daily deal business and the coupon books focus on how to use coupons and even on extreme couponing, but not on running an online coupon business. This is a unique title which provides those who enjoy offering deals and discounts to get started in an industry that is still growing. "These step-by-step guides on a specific management subject range from finding a great site for your new restaurant to how to train your wait staff and literally everything in between. They are easy and fast-to-read, easy to understand and will take the mystery out of the subject." – Amazon.com viewed March 5, 2021. A fascinating history of this marketing tactic, and why some shoppers take it to extremes—from a longtime expert couponer. Coupon Crazy examines the phenomenon of avid coupon use and the socio-cultural and socioeconomic factors that construct it. By delving into the history of couponing, refunding, the science of shopping, and the dark underbelly of a coupon world the average American doesn't even know about, Mary Potter Kenyon manages to both fascinate and educate. Readers will meet today's “Coupon Queens” (and Kings) and learn about an era when trash really was cash. Not just an observer of this ethnographic research, Mary lived it for over thirty years. “My favorite aspect of the entire book was the candid tone Kenyon takes in sharing her story and others. As someone that both uses coupons and teaches couponing practices, I found the book triggering self-reflection at many points: Do I purchase products just because they are on sale? Do I devalue products I've gotten for free? Do I allow coupons to inform my purchases or the other way around? If you are a couponer, it's quite possible you'll find yourself reflecting on your own shopping habits as you read this book, too.” —Angela Russell, The Coupon Project Description: Army Exchange Service Ration Coupon. For use anywhere in ETOUSA. This publication will teach you the basics of starting a Coupon Direct Distribution Service business. With step by step guides and instructions, you will not only have a better understanding, but gain valuable knowledge of how to start a Coupon Direct Dis. U.S. pharmaceutical manufacturers fund a variety of programs to help consumers defray the cost of prescription drugs. Industry assistance includes drug discount coupons, as well as free drugs and cost-sharing payments for individuals with lower incomes or high medical expenses. According to one analysis, drug manufacturers tendered discount coupons for more than 600 brands in 2016. Nonprofit patient assistance programs (PAPs) offered by drug manufacturers and independent charities dispense billions of dollars in assistance annually, placing them among the nation's largest charitable organizations. Drug manufacturers say the generous aid is evidence of their commitment to patients who cannot afford a prescribed course of medication. Many manufacturer programs are designed to reduce consumer cost sharing for high-cost specialty drugs used to treat cancer, hepatitis C, Crohn's disease, and other serious conditions. Industry analysts and the Department of Health and Human Services' Office of Inspector General say that the programs also are used to bolster prescription drug sales and prices and can increase costs for government and commercial health payers. For example, an insured consumer may use a manufacturer coupon to buy a more expensive brand-name drug even if a lower-cost generic is available. Although the coupon reduces the consumer's cost-sharing obligation for the drug, it does not cut the price paid by the consumer's health care plan. Federal statutes, including an anti-kickback law, limit the use of coupons and manufacturer donations in conjunction with federal health care programs, such as the Medicare Part D prescription drug benefit. The anti-kickback law in Section 1128B(b) of the Social Security Act prohibits the knowing and willful offer or payment of remuneration to induce a person to buy an item or service that will be reimbursed by a federal health care program. In the private sector, some health plans have barred their enrollees from redeeming coupons for certain drugs or have chosen not to cover certain drugs that qualify for coupon discounts. Other health plans allow or encourage enrollees to redeem coupons for expensive drugs to improve the odds that the enrollees will complete a prescribed course of treatment. This paper provides background on prescription drug coverage and consumer spending and on the role played by coupons and PAPs. Inhaltsangabe: Einleitung: Entwicklungen in jüngerer Vergangenheit zeigen, dass deutsche Discount Broker ihre Produktpalette gezielt erweitern und ihren Kunden verstärkt Zugang zu Neuemissionen (IPOs) bieten, nicht zuletzt um ihre starke Marktposition in Europa zu wahren. So übernehmen die Broker Aufgaben im Neuemissionsgeschäft, sei es als Verkaufsagent oder als Mitglied in Übernahmekonsortien (Underwriter). Discount Broker betreten damit Neuland in einem Wirtschaftszweig, der bisher fast ausschließlich von Investmentbanken dominiert worden ist. Somit scheint sich eine neue Sorte von Investmentbanken zu entwickeln und die Vorherrschaft privilegierter Institutionen im Neuemissionsgeschäft aufzuweichen. Vor diesem Hintergrund möchte die vorliegende Arbeit auf das aufkommende Segment des Neuemissionsgeschäfts der führenden deutschen Discount Broker eingehen und objektiv beschreiben. Durchführung und Strategien im Neuemissionsgeschäft der Direct Broker werden im Detail betrachtet. Die Untersuchung beschränkt sich dabei auf die drei Marktführer im discount broking: ConSors Discount-Broker AG, Comdirect AG und Direkt Anlage Bank AG. Zwischen Anfang September und Ende November 2000 haben die drei Brokerhäuser ihren Einstieg ins Neuemissionsgeschäft offiziell angekündigt. ConSors entschied sich, eine eigene Investment Bank zu gründen (do-it-yourself approach) und Comdirect zieht Nutzen aus der Unterstützung durch die Mutter Commerzbank (piggy-back approach), aber erhebt Anspruch auf Führungsmandate bei Neuemissionen infolge des Aufbaus eines eigenen Geschäftsbereichs Investmentbanking. DAB beschloss hingegen strategische Partnerschaften einzugehen (tie-up approach), um die Chancen zu erhöhen, bei Neuemissionen berücksichtigt zu werden, ohne sich dabei jedoch selbst zur Investmentbank zu entwickeln. Die drei Discount Brokers treten üblicherweise als Verkaufsagenten auf, planen jedoch ehrgeizig in absehbarer Zeit Co-Underwriting- und Führungsmandate bei Neuemissionen zu erhalten; die Broker würden dann die Bezeichnung Investmentbank rechtfertigen. Ziel der Arbeit ist es, die Frage, ob zur Zeit tatsächlich eine neue Generation von Investmentbanken entsteht, hinreichend zu beantworten. Der Autor ist zuversichtlich, dass die Broker in Abhängigkeit von der jeweiligen Marktlage mittel- bis langfristig gute Chancen mit ihrem Neuemissionsgeschäft haben und sich als Nischen-Investmentbank etablieren [...] Provides a quick veterinary reference to all things practice management related, with fast access to pertinent details on human resources, financial management, communications, facilities, and more Blackwell's Five-Minute
