“A riveting look at record spinning from its beginnings to the present day . . . A grander and more fascinating story than one would think.” —Time Out London This is the first comprehensive history of the disc jockey, a cult classic now updated with five new chapters and over a hundred pages of additional material. It’s the definitive account of DJ culture, from the first record played over airwaves to house, hip-hop, techno, and beyond. From the early development of recorded and transmitted sound, DJs have been shaping the way we listen to music and the record industry. This book tracks down the inside story on some of music’s most memorable moments. Focusing on the club DJ, the book gets first-hand accounts of the births of disco, hip-hop, house, and techno. Visiting legendary clubs like the Peppermint Lounge, Cheetah, the Loft, Sound Factory, and Ministry of Sound, and with interviews with legendary DJs, *Last Night a DJ Saved My Life* is a lively and entertaining account of musical history and some of the most legendary parties of the century. “Brewster and Broughton’s ardent history is one of barriers and sonic booms, spanning almost 100 years, including nods to pioneers Christopher Stone, Martin Block, Douglas ‘Jocko’ Henderson, Bob ‘Wolfman Jack’ Smith and Alan ‘Moondog’ Freed.” —Publishers Weekly An ironically upbeat book that asks some of today’s most inimitable musicians which song they would choose to be the last one they ever hear If you could choose the last song you’d hear before you died, what would it be and why? Your favorite song of all time? Perhaps the one you danced to at your wedding? The song from that time you got super stoned and just let the chords speak to you? It’s a hard question that Mike Ayers has thought about for years. In *One Last Song*, Ayers invites 30 musicians to consider what song they would each want to accompany them to those pearly white gates. Weaving together their explanations with evocative illustrations and poignant interludes—what your song to die to says about you, what songs famous people have died to, and more. The book offers insight into the minds of famous artists and provides an entry point for considering how integral music is to our own personal narratives. Artists Featured: Jim James of My Morning Jacket, André 3000, Killer Mike, Jeff Tweedy of Wilco, Phoebe Bridgers, Richard Reed Parry of Arcade Fire, Sam Beam of Iron & Wine, Colin Meloy of the Decemberists, Wayne Coyne of The Flaming Lips, Lauren Mayberry of CHVRCHES, A.C. Newman of The New Pornographers, Courtney Barrett, Bobb Bruno of Best Coast, Angel Olsen, Regina Spektor, Kevin Morby, Will Oldham, Julia Holter, Margo Price, Sonny Rollins, Ryley Walker, Merrill Garbus of tUnE-yArDs, Yannis Phillippakis of Foals, Bettye Lavette, M.C. Taylor of The Golden Messenger, Wanda Jackson, Roseanne Cash, Lucinda Williams, and Beth Orton. In this biography of Tsar Teh-yun, centenarian poet, calligrapher, and qin master, Professor Bell Yung tells the story of a life steeped in the refined arts faithful to the traditional way of the Chinese literati. Set in the two cities of Shanghai and Hong Kong, this book recounts the experiences of an individual who lived through war, displacement, exile, and unrequited longing for home and for a style of living lost forever. Yet Madame Tsar sustained, as one of its last exemplars, much of that style of living despite being a woman in the largely male world of the refined arts. The author weaves a picture of an extraordinary but also tragic figure extraordinary as daughter, wife, mother, and a celebrated musician, poet, and calligrapher; tragic as a member of the literati exiled from Shanghai to Hong Kong and always longing for the lost world of the refined arts. She was known particularly for her accomplishments as a teacher and performer on the qin - instrument par excellence of the literati. The book delves into her teaching method and musical style to a degree rarely found in the literature of this kind, and is thus an important contribution to musicological study. Through this life of one member of China's last generation of literati, Professor Yung provides rich material for anyone interested in the cultural and social history of twentieth-century China, especially for those with a special interest in qin music, or the place of women in this period. Each chapter the title of a traditional tune, a celebration of Irish music examines the history, experience, and meaning of the music "In this wonderfully engaging and informative collection we hear the voice of a different Paul Bowles. Writing on a wide range of subjects--jazz, film music, classical music, popular music, ethnic music--he is direct, opinionated, incisive, analytical, humorous, and passionate."—Millicent Dillon, author of *You Are Not I: A Portrait of Paul Bowles* In the world of the bestselling novel *Forbidden Melody*, comes a new stand alone novel. Childhood best friends Florence Bell and Bailey Scott had known since they met that they wanted to play music together. What they weren't prepared for, was falling in love. Florence, a prodigy cellist, with world renowned musicians as parents, had always been destined for greatness. So, when she gets an opportunity of a lifetime, she has to take it and leave a devastated Bailey behind. After spending two years building a life without Florence in it, a tragic accident thrusts her into Bailey's life once again. With years of unresolved feelings, can Bailey forgive Florence for their past? Can Florence remember it? And will their music be what saves them both? The ultimate guide to the music of the latter half of the 20th century. *Chart Toppers* is a chronological survey of the most important popular music genres since the 1960s. The authors highlight the key solo musicians and groups, explore how their careers developed, survey their hit songs, reveal where they are now and show their influence on today's music. In 12 sections the eras and genres cover: 60s pop, from Bill Haley to the Beatles 70s pop 80s pop 90s pop, from boy bands and girl groups to the revival of guitar bands Blues, from Muddy Waters to Howlin' Wolf Heavy metal, from Led Zeppelin to Guns 'N' Roses Jazz Reggae Rock 'n' roll Rock and rap Soul, the civil rights movement and social issues of the day World music. The book is illustrated with extensive color photos and CD graphics from notable recordings, and it is jam packed with great information in abundant sidebars. Each section also includes a two-page "gazetteer" of many other examples of the genre or era. *Chart Toppers* is a lively presentation perfect for browsing and also provides valuable historical and anecdotal information for serious readers. The story of the final recordings of one of the greatest jazz musicians of the twentieth century *The Last Tour of Buddy Holly, the 'Big Bopper' and Ritchie Valens.* The tragic deaths of these three fifties Rock n Roll stars was immortalised in Don McLean's classic hit *American Pie.* The poignant story of the build-up to, events of, and the fall-out from the infamous 'Day The Music Died' are told here in painstaking chronological detail. A must for any serious rock n roll fan or student. This is the first of two volumes that make up what is arguably the definitive Elvis biography. Rich in documentary and interview material, this volume charts Elvis' early years and his rise to fame, taking us up to his departure for Germany in 1958. Of all the biographies of Elvis - this is the one you will keep coming back to. Wounded emotionally and physically, dealing with issues of life and death, a sensitive woman struggles to find her authentic self and discovers that she must reveal a dangerous, secret passion. A candid and colorful memoir by the singer, songwriter, and “Duchess of Coolsville” (Time). This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song . . . *Last Chance Texaco* is the first-ever no-holds-barred account of the life of two-time Grammy Award-winner and Rickie Lee Jones in her own words (Hilton Als). It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, she takes us on a singular journey through her nomadic childhood, her years as a teenage runaway, her legendary love affair with Tom Waits, and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee’s stories are rich with the infamous characters of her early songs—“Chuck E’s in Love,” “Weasel and the White Boys Cool,” “Danny’s All-Star Joint,” and “Easy Money”—but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, and a pimp with a heart of gold, and tales of her fabled ancestors. This intimate memoir by one of the most trailblazing and tenacious women in music is filled with never-before-told stories of the girl in the raspberry beret, whose songs defied categorization and inspired American pop culture for decades. “A striking, distinctive self-portrait.” —The New York Times “Terrific . . . Jones is as fearless in prose as she is on stage.” —Minneapolis Star-

Tribune “Men leave, fame fizzles, family breaks your heart . . . but Jones knows a good story and how to tell it.” —Kirkus Reviews (starred review) “[The] premiere song-stylist and songwriter of her generation.” —Hilton Als, Pulitzer Prize–winner and author of *White Girls* Volume 2 Aaron Jones began writing lyrical poetry in the late 1980s. He was inspired by his brother Eddie’s band to compose his poems in the form of songs. The title of this poetry collection, *Lyrics in Search of Music*, was inspired by the fact that Eddie could not write music to words already written. Jones hopes that by offering up his collection, at least one of his poems will have life breathed into it—finally pairing his poetry with the right music. This is his fondest dream. But Not If You Depart You say you have no reason to live But can you tell me why Why, you think, you have no more to give You have to give love to get love That’s what I’m trying to tell you That love you are undeniably worthy of If you end it all now, it won’t hurt you at all It will devastate all the hearts you’ve encountered We’re the ones that get hurt after you fall Listen, your heart is broken Your feelings you’re cloaking We can repair your heart But not if you But not if you But not if you depart “Engrossing and even at times uplifting, Scott-Heron’s self-portrait grants us insights into one of the most influential African American musicians of his generation.” —Booklist The stunning memoir of Grammy Lifetime Achievement Award winner Gil Scott-Heron, *The Last Holiday* has been praised for bringing back to life one of the most important voices of the last fifty years. *The Last Holiday* provides a remarkable glimpse into Scott-Heron’s life and times, from his humble beginnings to becoming one of the most influential artists of his generation. The memoir climaxes with a historic concert tour in which Scott-Heron’s band opened for Stevie Wonder. The Hotter than July tour traveled cross-country from late 1980 through early 1981, drumming up popular support for the creation of Martin Luther King Jr. Day. King’s birthday, January 15, was marked with a massive rally in Washington. A fitting testament to the achievements of an extraordinary man, *The Last Holiday* provides a moving portrait of Scott-Heron’s relationship with his mother, personal recollections of Stevie Wonder, Bob Marley, John Lennon, Michael Jackson, Clive Davis, and other musical figures, and a compelling narrative vehicle for Scott-Heron’s insights into the music industry, the civil rights movement, governmental hypocrisy, and our wider place in the world. *The Last Holiday* confirms Scott-Heron as a fearless truth-teller, a powerful artist, and an inspiring observer of his times. “Leave it to Scott-Heron to save some of his best for last. This posthumously published memoir is an elegiac culmination to his musical and literary career. He’s a real writer, a word man, and it is as wriggling and vital in its way as Bob Dylan’s *Chronicles: Volume One*.” —The New York Times “Even after his death, Scott-Heron continues to mesmerize us in this brilliant and lyrical romp through the fields of his life. . . . [A] captivating memoir.” —Publishers Weekly, starred review At the same time, Sand’s musical referencing techniques afford a culturally based method for looking at French society and the need for a humanist reform, all the while exploring feminist statements, narrative strategies, love plots, and questions of communication, language, and nationhood.” --BOOK JACKET. Since retiring from a life as college teacher and researcher, the author has spent most of his time writing books, essays and music. Some of his books explore questions of value (sociology) and free will (philosophy); others focus on music and the fine arts. His essays offer analyses of humanistic psychology and Eastern philosophy. Some of his musical compositions feature full orchestra; others are written for smaller ensembles including classical guitar. *The Lady and the Lord* represents Breer’s most recent venture into literature, the previous four being *Illusions of the Heart*, a book-length work consisting of two novellas exploring the world of internet romance, *Tashi*, the tale of a young girl’s love for an older man, *The Reluctant Savior*, the story of a man who discovers the art of healing and spends the rest of his days exploring that gift, and *The Unwanted*, the account of two men whose lives intersect... a boy from Southern Mexico who journeys north to find a better life in United States, and a Phoenix Sheriff whose life is changed forever by their meeting. This historic book may have numerous typos, missing text or index. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1907. Not illustrated. Excerpt: ... CHAPTER IV. IN GERMANY. The writing of the present chapter cannot be called an inspiring task. Without Wagner's sovereign contempt for the music of his time, and Tchaikovsky's belief in Germany's complete exhaustion, one may yet be unable to grow enthusiastic over the theme. The productivity during the period with which we are concerned has been enormous. But how about the really valuable outcome of it? In the latter part of the 19th century the question was often asked: What remains if you remove from the living German composers Wagner and Brahms? And then there were ever so many people who, while heartily admitting the greatness of one of the two, were not so sure of the other--not to mention those who were all for the one and would have none whatever of the other. Now, ' this exclusive way of looking at men and things is not only unfair, it is absolutely foolish. The men of genius leave room for the men of talent; and the masters en grand for the masters en miniature. To be sure for some time past Germany has not been abounding in musical genius of the first or even second order. But if there has been a dearth of powerful original creativeness and of strikingly outstanding individuality, there has been also a goodly provision of artistic ability well deserving our respect and gratitude, ability displaying itself not merely in technical skill, but often also in imaginativeness, sensibility, and poetic charm. The great bulk of crudities, futilities, and vacuities need not trouble us: they are not peculiar to any one period. One could classify composers into (1) such as write only absolute music, and are uninfluenced by and even averse to the programmatic tendency; (2) such as write programme music, but only in the classical manner and forms; (3) such as go only ... *The House Around the Corner*, *Reflections in the window - Love*, *Lost and Found-A Line*, *So Gray and Narrow-windmills* and other *Insurmountable Offs - Ourselves to Know*. While *The Music Lasts* takes us into the heart of legendary "Southie," Boston's heavily Irish enclave where William Bulger grew up, and introduces us to a cast of characters not previously seen outside the pages of fiction. It recalls the world of *The Last Hurrah*, where loyalties and grudges are never forgotten, but where the bitterest fights are leavened by laughter. NOVEL LEARNING SERIES(TM) *THE LAST SONG* by Nicholas Sparks STUDENT EDITION Seventeen-year-old Veronica "Ronnie" Miller's life was turned upside-down when her parents divorced and her father moved from New York City to Wrightsville Beach, North Carolina. Three years later, she remains angry and alienated from her parents, especially her father . . . until her mother decides it would be in everyone's best interest if she spent the summer in North Carolina with him. Ronnie's father, a former concert pianist and teacher, is living a quiet life in the beach town, immersed in creating a work of art that will become the centerpiece of a local church. The tale that unfolds is an unforgettable story of love on many levels--first love, love between parents and children-that demonstrates, as only a Nicholas Sparks novel can, the many ways that love can break our hearts . . . and heal them. With a NOVEL LEARNING SERIES(TM) Student Guide · Questions about the text after every few chapters check your comprehension · Quizzes throughout help you prepare for standardized tests with SAT- and ACT-style questions using vocabulary and grammar from the book · Sample writing prompts and essays at the end guide you through the elements of an above-average, average, and below-average essay-and explain why! The long-awaited memoir of Julius Rudel, the legendary opera conductor and arts administrator, gives insight into his ground-breaking repertory choices and his collaborations with Beverly Sills, Plácido Domingo, and others. Named one of the best music books of 2017 by The Wall Street Journal An elegy to the age of the Rock Star, featuring Chuck Berry, Elvis, Madonna, Bowie, Prince, and more, uncommon people whose lives were transformed by rock and who, in turn, shaped our culture Recklessness, thy name is rock. The age of the rock star, like the age of the cowboy, has passed. Like the cowboy, the idea of the rock star lives on in our imaginations. What did we see in them? Swagger. Recklessness. Sexual charisma. Damn-the-torpedoes self-belief. A certain way of carrying themselves. Good hair. Interesting shoes. Talent we wished we had. What did we want of them? To be larger than life but also like us. To live out their songs. To stay young forever. No wonder many didn’t stay the course. In *Uncommon People*, David Hepworth zeroes in on defining moments and turning points in the lives of forty rock stars from 1955 to 1995, taking us on a journey to burst a hundred myths and create a hundred more. As this tribe of uniquely motivated nobodies went about turning themselves into the ultimate somebodies, they also shaped us, our real lives and our fantasies. *Uncommon People* isn’t just their story. It’s ours as well. Jon pensait avoir largement de répondre au dernier sms de sa femme. Mais alors qu'il prend son petit-déjeuner dans le hall de l'Hotel Sixième en Suisse après une conférence, le monde se rappelle à lui avec d'atroces nouvelles. Washington DC a été effacée par une bombe nucléaire. Plus de nouvelles de New-York. Londres s'est éteinte. Berlin aussi. Voilà ce qu'il a le temps de comprendre avant que les média et les réseaux sociaux ne soient coupés à leur tour. Avant que le ciel ne se couvre de nuages oranges. Deux mois plus tard, ils sont vingt survivants réfugiés dans cet hôtel connu pour son histoire teintée de suicides et de meurtres. Jon et ses compagnons d'infortune essaient de maintenir un semblant de quotidien. Jusqu'au jour où ils découvrent le corps d'une petite fille. Les provisions s'amenuisent, les tensions s'affutent. Et si finalement le danger n'était pas à l'extérieur? Vingt survivants. Un hôtel. Un meurtre. February 3, 1959, when early musicians Buddy Holly, J.P. (Big Bopper) Richardson, and Richie Valens died in a plane crash, became forever "the day the music died". Journalist Larry Lehmer draws on 20 years of research to provide an unparalleled glimpse into the lives of the three rock icons. 55 photos (some previously unpublished). *The Inside Songs of Amiri Baraka* examines the full length of Baraka’s discography as a poet recording with musicians as well as his contributions to jazz and R & B, beginning with his earliest studio recordings in 1965 and continuing to the last year of his life, 2014. This recorded history traces his evolution from the era of Beat poetry and “projective verse,” through the period of the Black Arts Movement and cultural nationalism, and on to his commitments to “third world Marxism,” which characterized the last decades of his life. The music enfolding Baraka’s recitations ranges from traditional African drumming, to doo wop, rhythm and blues, soul and the avant garde jazz that was his great love and the subject of so much of his writing, and includes both in-studio sessions and live concert performances. This body of work offers a rare opportunity to think about not only jazz/poetry, but the poet in the recording studio and the relations of text to score. While *The Music Lasts* posits that musical references in

literary texts present two significant problems: first, how does the author recreate music or musical experiences? Second, what do these musical allusions say about the culture the author is describing and, of course, about the author her- or himself? Apart from displaying an acute awareness of music--baroque and romantic music; creation and performance; aesthetics and politics--the musical references Sand uses allow for commentary on contemporary politics and social reform and provide a wide range of material for a musico-literary study. In this long-awaited memoir, illustrated with over 100 never-before-seen photos from his personal collection, the groundbreaking record producer chronicles his struggles, his success, and the celebrated artists that made him a legend. Over the last twenty-five years, legendary music producer and record man LA Reid—the man behind artists such as Toni Braxton, Kanye West, Rihanna, TLC, Outkast, Mariah Carey, Pink, Justin Bieber, and Usher—has changed the music business forever. In addition to discovering some of the biggest pop stars on the planet, he has shaped some of the most memorable and unforgettable hits of the last two generations, creating an impressive legacy of talent discovery and hit records. Now, for the first time, he tells his story, taking fans on an intimate tour of his life, as he chronicles the fascinating journey from his small-town R&B roots in Cincinnati, Ohio, and his work as a drummer to his fame as a Grammy Award-winning music producer and his gig as a judge on the hit reality show, The X Factor. In *Sing to Me*, Reid goes behind the scenes of the music industry, charting his rise to fame and sharing stories of the countless artists he's met, nurtured, and molded into stars. With fascinating insight into the early days of artists as diverse as TLC, Usher, Pink, Kanye West, and Justin Bieber, his story offers a detailed look at what life was like for stars at the start of their meteoric rise and how he always seemed to know who would be the next big thing. What emerges is a captivating portrait from the inside of popular music evolution over the last three decades. Part music memoir, part business story of climbing to the top, this beautifully designed book, jam packed with photos, showcases Reid's trademark passion and ingenuity and introduces a multifaceted genius who continues to shape pop culture today. Drawing on their collaborative songwriting as a springboard for themes centered on preserving love in marriage, *Bob and Evy* offer a definitive alternative to the confusion in our culture about the covenant of marital commitment. Their purpose is to inspire people of all ages with a realistic, positive and hopeful view of marriage as God designed it. *The Music of Marriage* addresses those points in a relationship where uncertainty and desperation meet hope and inspiration. *Bob and Evy* help you uncover the lasting treasures you can find for your marriage by answering the question, "What's God got to do with it?"

Known as the "Father of Festival Sound," Bill Hanley (b. 1937) made his indelible mark as a sound engineer at the 1969 Woodstock Music and Arts Fair. Hanley is credited with creating the sound of Woodstock, which literally made the massive festival possible. Stories of his on-the-fly solutions resonate as legend among festivalgoers, music lovers, and sound engineers. Since the 1950s his passion for audio has changed the way audiences listen to and technicians approach quality live concert sound. John Kane examines Hanley's echoing impact on the entire field of sound engineering, that crucial but often-overlooked carrier wave of contemporary music. Hanley's innovations founded the sound reinforcement industry and launched a new area of technology, rich with clarity and intelligibility. By the early seventies the post-Woodstock festival mass gathering movement collapsed. The music industry shifted, and new sound companies surfaced. After huge financial losses and facing stiff competition, Hanley lost his hold on a business he helped create. By studying both his history during the festivals and his independent business ventures, Kane seeks to present an honest portrayal of Hanley and his acumen and contributions. Since 2011, Kane conducted extensive research, including over one hundred interviews with music legends from the production and performance side of the industry. These carefully selected respondents witnessed Hanley's expertise at various events and venues like Lyndon B. Johnson's second inauguration, the Newport Folk/Jazz Festivals, the Beatles' final tour of 1966, the Fillmore East, Madison Square Garden, and more. *The Last Seat in the House* will intrigue and inform anyone who cares about the modern music industry. **JUST FOR YOU ! A Simple Lined Notebook**, But the quote is **Legendary Your GORGEOUS notebook** by Note Lovers is here! Great with neon, metallic, glitter, pastel, fluorescent, or other gel pens! Includes an exclusive diary entry from Cassie! *The enemy is Other. The enemy is us. They're down here, they're up there, they're nowhere. They want the Earth, they want us to have it. They came to wipe us out, they came to save us. But beneath these riddles lies one truth: Cassie has been betrayed. So has Ringer. Zombie. Nugget. And all 7.5 billion people who used to live on our planet. Betrayed first by the Others, and now by ourselves. In these last days, Earth's remaining survivors will need to decide what's more important: saving themselves . . . or saving what makes us human.* Praise for *The Last Star* "Yancey's prose remains achingly precise, and this grows heavier, tighter, and more impossible to put down as the clock runs out...this blistering finale proves the truth of the first two volumes: it was never about the aliens."—Booklist, starred review "A haunting, unforgettable finale."—Kirkus Reviews "Yancey doesn't hit the breaks for one moment, and the action is intense, but the language always stays lyrical and lovely. It's a satisfying end to an impressive trilogy, true to the characters and the world Yancey created."—Entertainment Weekly "Yancey has capped off his riveting series with a perfect ending."—TeenReads.com "[T]he ending provides both satisfaction and heartbreak."—Publishers Weekly "Yancey's writing is just as solid and descriptive as in the first two books...What Yancey does beautifully is reveal the human condition."—Examiner.com "Rick Yancey sticks the (alien) landing in the action-packed finale to his *The 5th Wave* invasion saga And the author gives us a major dose of girl power as well, pairing Cassie and Ringer for an uneasy alliance that provides the best moments in this fantastic series' thought-provoking and satisfying conclusion."—USA Today Praise for *The 5th Wave* Now a major motion picture starring Chloë Grace Moretz "Remarkable, not-to-be-missed-under-any-circumstances."—Entertainment Weekly "A modern sci-fi masterpiece . . ."—USAToday.com "Wildly entertaining . . . I couldn't turn the pages fast enough."—Justin Cronin, *The New York Times* Book Review Praise for *The Infinite Sea* "Heart-pounding pacing, lyrical prose and mind-bending twists . . ."—*The New York Times* Book Review "Impressively improves on the excellent beginning of the trilogy."—USA Today "An epic sci-fi novel with all the romance, action, and suspense you could ever want."—Seventeen.com

Books in the series: *The 5th Wave* (*The First Book of The 5th Wave*) *The Infinite Sea* (*The Second Book of The 5th Wave*) *The Last Star* (*The Third Book of the The 5th Wave*) 'You are the music / While the music lasts' T.S. Eliot, *The Four Quartets* Do babies remember music from the womb? Can classical music increase your child's IQ? Is music good for productivity? Can it aid recovery from illness and injury? And what is going on in your brain when Ultravox's 'Vienna', Schoenberg's *Verklärte Nacht* or Dizzee Rascal's 'Bonkers' transports you back to teenage years? In a brilliant new work that will delight music lovers of every persuasion, music psychologist Victoria Williamson examines our relationship with music across the whole of a lifetime. Along the way she reveals the amazing ways in which music can physically reshape our brains, explores how 'smart music listening' can improve cognitive performance, and considers the perennial puzzle of what causes 'earworms'. Requiring no specialist musical or scientific knowledge, this upbeat, eye-opening book reveals as never before the extent of the universal language of music that lives deep inside us all. Isabel, a musician in a London symphony orchestra, has an affair with William, the second cellist, as Piotr, another cellist, worries about AIDS, the guest conductor seduces the wrong person, and the other musicians try to resolve their personal and professional problems.
