The Love Yourself, Heal Your Life Workbook directly applies Louise's techniques of self-love and positive thinking to a wide range of topics that affect us all on a daily basis, including: health, fears and phobias, sex, self-esteem, money and prosperity, friendship, addictive behavior, work, and intimacy. As Louise says, "These exercises will give you new information about yourself. You will be able to make new choices. If you are willing, then you can definitely create the kind of life you say you want." Go on a fascinating scientific and spiritual journey in this eye-opening book that explores the body's incredible ability to heal itself—perfect for fans of Deepak Chopra and Anita Moorjani. When we receive diagnoses from medical professionals, we are often so overwhelmed that we give up authority over our own health and well-being. But the truth is, we have more control over our health and life than we have been led to believe, and that belief is at the core of our body's capacity to heal itself. Based on the groundbreaking documentary of the same name, Heal follows two people on their healing journeys, while combining science-backed research and real-world testimonials from experts like Marianne Williamson, Bruce Lipton, Deepak Chopra, Bernie Siegel, Anita Moorjani, Kelly Brogan, and many others, to offer hope and alternative treatments for the many people suffering from a variety of chronic illnesses. By identifying the emotional roots of illnesses, we can tap into the body's healing powers and discover that although healing can be complex and deeply personal, it can also happen spontaneously in a moment. Heal shows us that science and spirituality are united and demonstrates that our thoughts, beliefs, and emotions have a huge impact on our overall health and the ability to recover from illness and injury. Louise L. Hay, the internationally renowned author and lecturer, brings you the companion book to her landmark bestseller, You Can Heal Your Life. Here, Louise applies techniques of self-love and positive thinking to a wide range of topics that affect us all on a daily basis, including health, fearful emotions, addictions, money and prosperity, sexuality, aging, love and intimacy, and more. THE BESTSELLING EXTENSION TO THE INTERNATIONAL PHENOMENON, YOU CAN HEAL YOUR LIFE THAT HAS SOLD MORE THAN 50 MILLION COPIES A CLASSIC STEP-BY-STEP BLUEPRINT FOR HOW TO LOVE YOURSELF AND DISCOVER YOUR POWER WITHIN Louise Hay expands on her philosophies in You Can Heal Your Life of loving yourself through:

- Learning to listen and trust your inner voice
- Loving your inner child
- Letting your true feelings out...
- Discovering your strength so you can take charge of your life...and much more

The more you connect to the Power within you, the more you can be free in all areas of your life. This inspiring book will help you have confidence and overcome the blocks, limiting beliefs, and barriers to loving yourself out of the way, so you can love yourself no matter what circumstance you happen to be going through. You'll learn how to react to problems differently using positive affirmations and a new mindset so you have more peace. After many years counseling clients and conducting hundreds of intensive training programs, self-help pioneer Louise Hay said the one thing that heals every problem is to love yourself and The Power is Within You will show you how. This book will be an essential steppingstone on your path of self-discovery and is a roadmap on how to change for the better by loving and taking care of yourself, starting today. May this book reveal to you how very powerful you really are. The information in this book, which has been a part of my lectures, and new ideas since writing You Can Heal Your Life, is an opportunity to know a little more about yourself and to understand the potential that is your birthright. You have an opportunity to love yourself more, so you can be a part of an incredible universe of love. Love begins in our hearts, and it begins with us. Let your love contribute to the healing of our planet." Life loves you and so do I, Louise Hay What if one of the most effective tools you have to restore your health is not surgery or medications, but your own hands? Incredibly, your hands can heal you -- with the "energy medicine" of Pranic Healing. A powerful system that is rapidly increasing in popularity, Pranic Healing works with your own natural, vital energy -- which is also called prana -- to accelerate your body's innate self-healing ability. Amazingly easy to learn and apply, Pranic Healing uses a series of powerful but simple methods to generate energy, including non-touch hand movements; energetic hygiene, the practice of keeping your personal energy tank clean and full; breathing; and brief meditations. Using these unique techniques, you can identify, clear, and purify unhealthy, imbalanced energy and replace it with fresh energy that helps your body heal itself from a wide range of physical, psychological, and emotional symptoms and disorders. A self-healing guide for 24 ailments, including physical and sports injuries, chronic arthritis, irritable bowel syndrome, insomnia, hypertension, headaches, backaches, congestion and colds, menstrual cramps, even depression and stress-related disorders, is included. With step-by-step instructions, line drawings, and numerous real-life medical stories, Your Hands Can Heal You demonstrates and explains a revolutionary program that anyone can use to harness the energy of body, mind, and breath to produce health and facilitate repair. Personally trained by Grand Master Choa Kok Sui, who developed Pranic Healing, the authors, Master Co and Dr. Robins, provide the same detailed guidance in Your Hands Can Heal You as in the popular Pranic Healing workshops. Additionally, they present, for the first time in any book, the Grandmaster's special modifications to the breathing practices that can dramatically increase your power and energy and rejuvenate and balance your physical, emotional, mental, and spiritual body. This exciting new mind-body health reference proves that you can heal yourself -- with your own two hands. Be You, Be Happy, Be Free Using energy therapy and emotional healing techniques, How to Heal Yourself When No One Else Can shows you how to achieve complete and permanent healing by loving, accepting, and being yourself no matter what. Energy therapist Amy Scher presents an easy-to-understand, three-part approach to removing blockages, changing your relationship with stress, and coming into alignment with who you truly are. After overcoming a life-threatening illness, Amy had an epiphany that healing is more than just physical. Her dramatic story serves as a powerful example of how beneficial it is to address our emotional energies, particularly when nothing else works. Discover areas of imbalance and easy ways to address them on your healing journey. Whether you are experiencing physical symptoms or are just feeling lost, sad, anxious, or emotionally unbalanced, this book can change your life. Praise: "Amy has seen the truth and can be a coach to all those who seek healing and authenticity."—Bernie Siegel, MD, bestselling author of Love, Medicine, & Miracles and The Art of Healing "[Amy Scher is] an inspiration, not just because she teaches us how to take healing into our own hands, but because she's living proof that it works."—Pam Grout, #1 New York Times bestselling author of E-Squared and E-Cubed "Amy Scher has penned a remarkable book about the pivotal role of the body, mind, and spirit in attaining true and complete healing. There is much wisdom in this book, written with exceptional clarity, love, and wisdom."—Sanjiv Chopra, MD MACP, Professor of Medicine at Harvard Medical School, motivational speaker, and bestselling author of Brotherhood with Deepak Chopra "Amy Scher takes you on a guided journey to resolve emotional, physical, and energetic blockages that get in the way of true healing. You will feel like you have a loving expert coach by your side along the way."—Heather Dane, co-author with Louise Hay of Loving Yourself to Great Health In You Can Heal Your Heart, self-empowerment luminary Louise Hay and renowned grief and loss expert David Kessler have come together to start a conversation on healing after loss. Louise and David discuss the emotions and thoughts that occur when a relationship leaves you brokenhearted, a marriage ends in divorce, or a loved one dies. They will also help you develop greater self-awareness and compassion, providing you with the courage and tools to face many other types of losses and challenges, such as saying good-bye to a beloved pet, losing your job, coming to terms with a life-threatening illness or disease, and much more. With a perfect blend of Louise's affirmations and teachings on the power of your thoughts and David's many years of working with those in grief, this remarkable book will inspire an extraordinary new way of thinking, bringing profound love and joy into your life. You will not only learn how to harness the power of your grief to help you grow and find peace, but you will also discover that, yes, you can heal your heart. Louise L. Hay, bestselling author, is an internationally known leader in the self-help field. Her key message is: If we are willing to do the mental work, almost anything can be healed. The author has a great deal of experience and firsthand information to share about healing, including how she cured herself after being diagnosed with cancer. An excerpt from You Can Heal Your Life Life Is Really Very Simple. What We Give Out, We Get Back What we think about ourselves becomes the truth for us. I believe that everyone, myself included, is responsible for everything in our lives, the best and the worst. Every thought we think is creating our future. Each one of us creates our experiences by our thoughts and our feelings. The thoughts we think and the words we speak create our experiences. The way of success is the way of continuous pursuit of knowledge" - Abbey Beathan A beautiful gift edition of Louise Hay's international bestseller You Can Heal Your Life features ideas and strategies that have worked for millions of people worldwide. This book offers profound insight into the relationship between the mind and the body. Exploring the way that limiting thoughts and ideas control and constrict us, it offers us a powerful key to understanding the roots of our physical diseases and discomforts. Her key message is: "If we are willing to do the mental work, almost anything can be healed." Louise has a great deal of experience and firsthand information to share about healing, including how she cured herself after being diagnosed with cancer. "Esther Sternberg is a rare writer—a physician who healed herself...With her scientific expertise and crystal clear prose, she illuminates how intimately the brain and the immune system talk to each other, and how we can use place and space, sunlight and music, to reboot our brains and move from illness to health."—Gail Sheehy, author of Passages Does the world make you sick? If the distractions and distortions around you, the jarring colors and sounds, could shake up the healing chemistry of your mind, might your surroundings also have the power to heal you? This is the question Esther Sternberg explores in Healing Spaces, a look at the marvelously rich nexus of mind and body, perception and place. Sternberg immerses us in the discoveries that have revealed a complicated working relationship between the senses, the emotions, and the immune system. First among these is the story of the researcher who, in the 1980s, found that hospital patients with a view of nature healed faster than those without. How could a pleasant view speed healing? The author pursues this question through a series of places and situations that explore the neurobiology of the senses. The book shows how a Disney theme park or a Frank Gehry concert hall, a labyrinth or a garden can trigger or reduce stress, induce anxiety or instill peace. If our senses can lead us to a "place of healing," it is no surprise that our place in nature is of critical importance in Sternberg's account. The health of the environment is closely linked to personal health. The discoveries this book describes point to possibilities for designing hospitals, communities, and neighborhoods that promote healing and health for all. "This book will teach you that healing by thought alone is not only possible, but it is a reality." - Dr Joe Dispenza, New York Times bestselling author of Becoming Supernatural There is no longer any doubt that the way we think affects our bodies: countless scientific studies have shown this to be true. For former pharmaceutical scientist Dr David Hamilton, the testing of new drugs highlighted how profoundly the mind and body are connected. Time and time again, the control group of patients in drug trials improved at similar rates to those who actually received the medicines. Astounded, Dr Hamilton decided to change the direction of his work to explore the relationship between the mind and the

body. This bestselling acclaimed book was first published 10 years ago. In it, Dr Hamilton explores the effect of visualization, belief and positive thinking on the body, and shows how using our imagination and mental processes can stimulate our own defences and healing systems to combat disease, pain and illness. In this new edition, Dr Hamilton has added four new chapters to discuss the latest cutting-edge information and extraordinary new techniques. These include using imagery to stimulate the immune system - a method that can benefit cancer patients undergoing conventional treatment - effectively using the mind to speed up rehabilitation from stroke, and powerful visualization strategies to help facilitate recovery from injury and illness. Positive scriptural proof that you too can work miracles, heal the sick, cure diseases, cast out devils! You too can lay hands upon the sick and see them recover. You too can have power and authority over the Devil. Inspired of the Holy Spirit through a direct revelation from God. Thoroughly scriptural and doctrinally sound. An assistant professor at Harvard Medical School offers a guide to physical and emotional recovery after injury or illness. Original. In *You Can Heal Your Heart*, self-help luminary Louise Hay and renowned grief and loss expert David Kessler, the protégé of Elisabeth Kübler-Ross, have come together to start a conversation on healing grief. This remarkable book discusses the emotions that occur when a relationship leaves you brokenhearted, a marriage ends in divorce, or a loved one dies. It will also foster awareness and compassion, providing you with the courage to face many other types of losses and challenges, such as saying good-bye to a beloved pet, losing your job, coming to terms with a life-threatening illness or disease, and much more. With a perfect blend of Louise's teachings and affirmations on personal growth and transformation and David's many years of working with those in grief, this empowering book will inspire an extraordinary new way of thinking, bringing hope and fresh insights into your life and even your current and future relationships. You will not only learn how to help heal your grief, but you will also discover that, yes, you can heal your heart. With God, all things are possible. Healing is real. Miracles are normal. Do you or someone you know need healing? Then this book is for you! Eat your way to better health with this New York Times bestseller on food's ability to help the body heal itself from cancer, dementia, and dozens of other avoidable diseases. Forget everything you think you know about your body and food, and discover the new science of how the body heals itself. Learn how to identify the strategies and dosages for using food to transform your resilience and health in *Eat to Beat Disease*. We have radically underestimated our body's power to transform and restore our health. Pioneering physician scientist, Dr. William Li, empowers readers by showing them the evidence behind over 200 health-boosting foods that can starve cancer, reduce your risk of dementia, and beat dozens of avoidable diseases. *Eat to Beat Disease* isn't about what foods to avoid, but rather is a life-changing guide to the hundreds of healing foods to add to your meals that support the body's defense systems, including: Plums Cinnamon Jasmine tea Red wine and beer Black Beans San Marzano tomatoes Olive oil Pacific oysters Cheeses like Jarlsberg, Camembert and cheddar Sourdough bread The book's plan shows you how to integrate the foods you already love into any diet or health plan to activate your body's health defense systems-Angiogenesis, Regeneration, Microbiome, DNA Protection, and Immunity-to fight cancer, diabetes, cardiovascular, neurodegenerative autoimmune diseases, and other debilitating conditions. Both informative and practical, *Eat to Beat Disease* explains the science of healing and prevention, the strategies for using food to actively transform health, and points the science of wellbeing and disease prevention in an exhilarating new direction. *Why Cope When You Can Heal?* is an essential resource for doctors, nurses, paramedics, and other healthcare professionals—and the leaders who support them—as they navigate the traumatic stress they have experienced and continue to face. COVID-19 has traumatized the world—and no group has been more impacted than frontline healthcare workers. They've worked without adequate personal protective equipment (PPE), witnessed mass death, and been forced to make choices that haunt them. Many have fallen ill, while others have worried endlessly about their own health and that of their loved ones. Additionally, all of this is happening in the context of a divided nation, a struggling industry, and a “just get over it” culture that exacerbates the problems healthcare workers face, while minimizing their suffering. These factors have created the perfect storm for widespread stress, depression, anxiety, and hopelessness—and, increasingly, posttraumatic stress disorder (PTSD). Medical doctor and psychiatrist Mark Goulston shares practical, evidence-based techniques and treatments for managing traumatic stress that will fill you with hope and inspiration. In *Why Cope When You Can Heal?*, you will discover: real-world accounts and experiences from frontline workers; an overview of treatment options; and exercises, tools, and tips that you can use today. This guide will help you—and those you love and support in the COVID-19 battle—begin the process of healing from the inside out and reconnect with the joys and rewards of career and life. "A much-needed guidebook . . . a treasure chest of insights." — Caroline Myss, M.D. "[A] brilliant new work . . . profound healing advice." — Brian L. Weiss, M.D. Many of us grapple with how to stay happy, calm, and focused in a world that seems to get more complex by the minute. How do we keep our wits about us, our mood stable, and our memory intact when our brains and bodies are bombarded with information and influences from every side? This one-of-a-kind resource combines cutting-edge science with compassion and wisdom to offer answers we can really use. *Heal Your Mind* continues the three-pronged healing approach that Dr. Mona Lisa Schulz and Louise Hay pioneered together in *All Is Well: Heal Your Body with Medicine, Affirmations, and Intuition*. Here, it's applied to aspects of the mind ranging from depression, anxiety, and addiction to memory, learning, and even mystical states. You'll learn what's going on in your brain and body when you feel sad, angry, or panicked; you have trouble focusing, reading, or remembering; a past trauma is clouding your mind in the present; and more. And in each chapter, you'll get a “virtual healing experience” through case studies in the All Is Well Clinic, where Dr. Mona Lisa uses medical intuition to pinpoint issues in a wide range of prototypical client histories and she and Louise offer solutions and affirmations to help restore well-being. Today, we tend to think our minds and bodies need an endless array of expensive, ever-changing pharmaceutical interventions. In truth, medicines are just one approach to healing the mind; nutritional supplements also support mind-body health; and affirmations restore us to balance by changing the way we think. *Heal Your Mind* puts all these tools at your disposal to help you choose your own path. This New York Times bestseller has sold over 50 million copies worldwide, including over 200,000 copies in Australia. Louise's key message in this powerful work is—old we are willing to do the mental work, almost anything can be healed. Louise explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking and improve the quality of your life! Packed with powerful information - you'll love this gem of a book! This special edition, released to mark Hay House's 30th anniversary, contains 16 pages of photographs. *Heal Your Body* is a fresh and easy step-by-step guide. Just look up your specific health challenge and you will find the probable cause for this health issue and the information you need to overcome it by creating a new thought pattern. What we give out, we get back. What we think about ourselves becomes the truth for us. I believe that everyone, myself included, is responsible for everything in our lives, the best and the worst. Affirmations are like seeds that you plant and expect to grow. I urge you to discover the power of affirmations as there are no limits to what they can bring. All is well, you are safe. Life loves you, and so do I." — Louise Hay New York Times bestseller and beloved guide, revised and updated with up-to-the minute scientific and spiritual insight, teaches readers how to listen to their bodies and assess all areas of their lives—relational, psychological, creative, environmental, professional—to understand what they need for health. "What a pleasure it is to see the next generation of physicians waking up to what I call real medicine—the kind that acknowledges our true power to heal and be well." - Christiane Northrup, M.D., OB/GYN physician and author of the New York Times bestsellers: *Women's Bodies*, *Women's Wisdom* and *The Wisdom of Menopause* When *Mind Over Medicine* was first published, it broke new ground in the fertile region where science and spirituality intersect. Through the process of restoring her own health, Dr. Lissa Rankin discovered that the conventional health care she had been taught to practice was missing something crucial: a recognition of the body's innate ability to self-repair and an appreciation for how we can control these self-healing mechanisms with the power of our own consciousness. To better understand this phenomenon, she explored peer-reviewed medical literature and found evidence that the medical establishment had been proving that the body can heal itself for over 50 years. She shared her findings and laid out a practical plan for readers to heal themselves in this profoundly wise book—a New York Times bestseller and now a classic guide for people who are on a healing journey from illness, injury, or trauma. In the years since then, Dr. Rankin has deepened her exploration of the world's healing tradition and her understanding of the healing power we hold within ourselves—if only we can tap into it. This revised edition of *Mind Over Medicine* reflects her latest research, evolving wisdom, and work with clients and students in her healing community, as well as with doctors and other healers in her Whole Health Medicine Institute. Inside, readers will discover: • A thorough update of Dr. Rankin's signature Six Steps to Healing Yourself • New insight into how unresolved trauma can stand in the way of healing from chronic and life-threatening illnesses—and powerful tools we can use to heal it • How to tune in to our Inner Pilot Light for intuitive guidance in our healing And much more "The healing that is possible may be right here," Dr. Rankin writes, "closer than close, underneath all your efforting and striving, available if you are ready to humble yourself before this possibility and receive what awaits you." This is a new release of the original 1941 edition. "You have the power to heal your life, and you need to know that. We think so often that we are helpless, but we're not. We always have the power of our minds ... Claim and consciously use your power." - Louise L. Hay *Heal Yourself: Drug-Free Healing By The Power of New Science & Ancient Wisdom* reveals how the knowledge and energy gained from Louise Hay allowed me to heal myself. Thirty years ago, this amazing woman understood what she had to tell the world, and tell the world she did. *Heal Yourself: Drug-Free Healing By The Power of New Science & Ancient Wisdom* offers you: - A proven technique to self-heal - Body Chat scripts for preventing illness - Body Chat scripts for self-healing *Heal Yourself: Drug-Free Healing By The Power of New Science & Ancient Wisdom* will help you: - Recognize just how powerful you are when it comes to your own healing - Reflect on how you care for your personal health - Re-establish your connection with your body The universe offers each of us the power to heal our own bodies but we need to ask. This healing power will remain healing potential until you understand and utilize this amazing gift that awaits you. As you read the three stories of my life discoveries and self-healing, you will see how I came to understand what Louise Hay taught me: Each of us has the power to self-heal. *Heal Yourself: Drug-Free Healing By The Power of New Science & Ancient Wisdom* offers you self-directed scripts and activities to start you on your self-healing journey. These Body Chat scripts have been designed for the busy person and need only a few minutes of your daily time. You too can heal yourself. I healed myself. This companion workbook to *You Can Heal Your Life* includes valuable writing exercises that teach you how to connect with your higher self.... "Clinical trials show that up to 80 percent of patients given a placebo heal themselves with the power of the mind alone. But how? There is documented evidence that beliefs, thoughts, and feelings can cure the body ... this book not only reveals the data from mainstream medical journals; it tells you step-by-step how you can implement this knowledge to make your body ripe for spontaneous remission or disease prevention ... Western-trained physician Lissa Rankin, M.D. pored over hundreds of objectively evaluated, peer-reviewed studies from medical journals to find proof not just that thoughts and feelings originating in the mind can heal the body, but also that there are clear physiological mechanisms explaining how this happens ... she explains how this process works, proves with extraordinary case studies from the medical literature that it does, and teaches practical techniques you can use to activate the body's natural self-healing mechanisms, while shutting off the processes that predispose to illness. She also guides you through the process of uncovering where you might be making unhealthy choices, not just in your diet, exercise program, and sleep habits, but in your relationships, your professional life, your creative life, your spiritual life, and more-- so that you can create a customized treatment plan"-- *Heal Your Way Forward* is a seminal work in antiracism, guiding white and white-identifying folks to utilize activism for intergenerational healing. In 2018, myisha t hill created the @ckyourprivilege handle on Instagram to undo the harm created between white women and women of the Global Majority. After years of living in the micro- and macro-aggressions of white culture, myisha was tired of staying silent. But she wanted to do more than fight back—she wanted to heal forward. "myisha t hill is a rare educator who comes from a place of compassion and profound emotional insight. She is leading a revolution of mind, heart, and soul, one that she now continues in her highly anticipated book, *Heal Your Way Forward*. myisha's work changes how we experience the world by helping us understand our place within it. This book shows anyone interested in human liberation the way to heal, to hope, and to become true advocates and co-conspirators — not just for justice and change, but for the future of who we are as humans." — Anna Paquin, Actress and Producer In just over three short years, *Check Your Privilege* and myisha's personal platform have amassed

more than 750K followers on Instagram and became hubs for interracial activism during the Great White Awakening of 2020. But like many antiracism activists, myisha saw the activism abate after the election of President Biden. Heal Your Way Forward: The Co-Conspirator's Guide to an Antiracist Future is the trumpet call to white and white-identifying folks, guiding them to recognize their antiracism work as intergenerational healing. In her first major book, myisha asks the most critical question of antiracism work: what do we want the world to look like in seven generations? This book is her answer, but also, it's a tactical, practical guide for learning (and unlearning), healing (and feeling through the hurt), and committing (and recommitting) to real change and a reparative future. This is the book myisha's 750,000 followers have been waiting for—a marriage of personal story, antiracist handbook, and an emotional plea to all people to be the change today so we can heal the world for tomorrow. In this seminal work, myisha offers readers the ultimate reason to engage in activism—to create a better world not just for our babies, but for our babies' babies—and a clear strategy to change the future and nature of interracial activism by: Sustaining the great white awakening by discovering the sweet spot of shame and vulnerability Making room for white tears Developing radical listening and lifelong learning Practicing the great act of recommitment And building a reparative future As myisha shares, the more you fail forward, the more you heal your way forward, and the better we can heal the future together. myisha t hill is a mental health activist, speaker, and entrepreneur passionate about mental wellness and empowerment for all. She runs the advocacy site Check Your Privilege with more than 700K followers on Instagram. Additionally, myisha works with organizations and community groups taking white people on a self-reflective journey to explore their relationship with power, privilege, and racism. Lea David exposes the dangers and pitfalls of mandating memory in the name of human rights in conflict and post-conflict settings. What is one of the most effective tools you have to restore your health is not surgery or medications, but your own hands? Incredibly, your hands can heal you with the energy medicine of Pranic Healing, a powerful system that is increasing in popularity and which uses your own natural, vital energy which is also called prana to accelerate your body's innate self-healing ability. You Can Heal Your Life (Unabridged, Adapted for Audio) by Louise L. Hay - Book Summary - Abbey Beathan (Disclaimer: This is NOT the original book.) If you are open to the mental work, you are capable of healing almost anything. Louise L. Hay is a big supporter of the idea that almost everything can be healed through our minds. In You Can Heal Your Life she talks about how all of this can be achieved and how she managed to use these knowledge to cure herself after being diagnosed with cancer. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "Love is the great miracle cure. Loving ourselves works miracles in our lives," - Louise L. Hay The brain is the most powerful organ in our body, it controls and does everything. What we think of ourselves and our surroundings becomes the truth for us. We are responsible for everything that happens in our live and if we can gain the courage to learn everything about the brain's power to self-healing, we are capable of great things. Your mind has more power that you could ever imagine, use it in your favor to accomplish feats you never thought possible. P.S. You Can Heal Your Life is an extraordinary book that will teach you all about your mind's capability of self-healing. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. "One of the greatest and most powerful gift in life is the gift of knowledge. The way of success is the way of continuous pursuit of knowledge" - Abbey Beathan Prayer can heal you. It's not just hype or hope or a spiritual cliché. There is actual scientific evidence to support this. Recent medical and psychological studies claim that prayer can relieve stress, improve attitudes, and mend bodies. Prayer generates peace, power, and health—a triple preventative that guards against anxiety and disease. It's a simple act that heals. According to Chet Tolson and Harold Koenig prayer helps people function at their best when life serves them the worst. Even on good days, it enhances the mind-body-soul connection. In The Healing Power of Prayer, these authors explain the nature of prayer, what happens when we pray, the restorative benefits of prayer, how to organize prayer, and much more. Their facts and insights will encourage believers to increase, the fainthearted to revive, and skeptics to begin a life of prayer. Deborah King, spiritual leader and New York Times bestselling author of Be Your Own Shaman, inspires and teaches her proven method of LifeForce Energy Healing in this definitive and accessible book that will forever change the way you connect to your energy. What's standing between you and the life you were meant to lead? The answer lies in your energy field and how you manage it. When our energy pathways are blocked by suppressed feelings, pain, and trauma, we weaken both our personal and universal energy fields, hindering our ability to live our best lives. LifeForce Energy has its origins in the living force that Hindus call prana, the Chinese call chi, and the Japanese call qi. This primal force is connected to your spirit as well as to your physical, emotional, and mental self. It is, in fact, the substance of spirit, what Master energy healer Deborah King calls "LifeForce energy." Now, using the simple techniques and powerful teachings in Heal Yourself—Heal the World, you can finally clear past trauma from your energy field, connect with authentic emotions, and clear, charge, and re-balance your chakras. Within Heal Yourself—Heal the World you will be able to explore the origins and benefits of energy healing as well as learn self-healing practices and techniques, moving you from basic concepts to hands-on learning to, ultimately, whole world healing. For decades, Louise Hay has helped people throughout the world discover and implement the full potential of their own creative powers for personal growth and self-healing. In this single volume, you will find three of her most beloved books: • You Can Heal Your Life is a true classic, with millions of copies in print worldwide. Louise's key message here is that "if we are willing to do the mental work, almost anything can be healed." She explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking . . . and improve the quality of your life. • In Heal Your Body, Louise describes the methods she used to cure herself of cancer, which will help you discover patterns in your own health conditions that reveal a lot about yourself. It offers positive new thought patterns to replace negative emotions, an alphabetical chart of physical ailments with their probable causes, and healing affirmations so you can eliminate old patterns. • The Power Is Within You expands on Louise's philosophy of "loving the self" and shows you how to overcome emotional barriers through learning to listen to your inner voice, loving the child within, and letting your true feelings surface. In these pages, Louise encourages you to think of yourself positively and be more accepting of—and grateful for—who you are. The Essential Louise Hay Collection is the perfect read for anyone seeking insights into the mind-body connection, as well as for those who want the pleasure of finally having their favorite Louise Hay books together in one convenient volume!
